## SETUP INSTRUCTIONS

---

1. **Unpack:** Carefully remove the sheet set from its packaging.
2. **Initial Wash:** For best results and to remove any manufacturing residues, wash the sheets before first use according to the care instructions provided in the Maintenance section.
3. **Fitted Sheet:** Place the fitted sheet over your mattress. The deep pockets (14 inches) and elasticized edges are designed to securely fit mattresses with pillow tops, preventing slipping. Ensure all four

corners are snugly tucked under the mattress.

4. **Flat Sheet:** Lay the flat sheet over the fitted sheet, aligning the top edge with the head of the bed. The ruched detailing is typically positioned at the top edge, visible when folded back.
5. **Pillowcases:** Insert your pillows into the pillowcases. The oversized pillowcases feature a pocket design to keep pillows securely inside without poking out.

### Washing Instructions:

- **Machine Wash:** Wash in cold water on a gentle cycle.
- **Do Not Bleach:** Avoid using bleach or harsh chemicals, as this can damage the fabric and color.
- **Tumble Dry:** Tumble dry on low heat. Remove promptly to minimize wrinkles.
- **Ironing:** If necessary, iron on low heat.

The sheets are made with a sturdy plain weave that resists shrinking, pilling, and tearing, making them suitable for frequent washing and daily family use.

### Storage:

Store your clean, dry sheets in a cool, dry place. Folding them neatly can help prevent excessive wrinkling.

### TROUBLESHOOTING

---

While Bedsure sheets are designed for durability and ease of use, here are some common considerations:

- **Wrinkling:** Microfiber sheets are generally wrinkle-resistant. To minimize wrinkles, remove sheets from the dryer immediately after the cycle finishes and fold them promptly.
- **Pilling:** The sturdy plain weave is designed to resist pilling. Ensure you wash sheets separately or with similar fabrics to prevent friction that can cause pilling.
- **Fading:** The quality edging details maintain their vibrant color. Follow washing instructions (cold water, no bleach) to prevent color fading over time.
