## Awei AK5

# AWEI AK5 Bluetooth Wireless Earphones User Manual

## INTRODUCTION

This manual provides detailed instructions for the proper use, setup, and maintenance of your AWEI AK5 Bluetooth Wireless Earphones. Please read this manual thoroughly before using the product to ensure optimal performance and longevity.

## PRODUCT OVERVIEW

The AWEI AK5 earphones are designed for wireless audio playback and hands-free communication. They feature an in-ear design with ear hooks for a secure fit, an inline magnetic controller, and Bluetooth connectivity.

**Figure 1:** Front view of the AWEI AK5 Bluetooth Wireless Earphones, showing the in-ear buds, ear hooks, and inline controller.

**Figure 2:** Side view of the AWEI AK5 earphones, highlighting the inline control unit with buttons for various functions.

## SETUP

### 1. Charging the Earphones

Before first use, fully charge the earphones. Locate the charging port, typically covered by a small flap on the inline controller. Connect the provided USB charging cable to the port and the other end to a USB power source (e.g., computer, wall adapter). The indicator light will show charging status and turn off or change color when fully charged.

- **Charging Time:** Refer to product specifications for exact charging duration.
- **Indicator Light:** Typically red during charging, blue or off when fully charged.

### 2. Bluetooth Pairing

To connect your AWEI AK5 earphones to a device:

1. Ensure the earphones are fully charged and turned off.

2. Press and hold the multi-function button (usually the center button on the inline controller) for approximately 5-7 seconds until the indicator light flashes red and blue alternately. This indicates pairing mode.
3. On your mobile phone or Bluetooth-enabled device, go to the Bluetooth settings and enable Bluetooth.
4. Scan for available devices. You should see "AWEI AK5" or a similar name appear in the list.
5. Select "AWEI AK5" to connect. Once connected, the indicator light will typically flash blue slowly or turn off, and you may hear an audible confirmation.
6. If prompted for a password, enter "0000".

The earphones will automatically attempt to reconnect to the last paired device when turned on.

## OPERATING INSTRUCTIONS

---

The AWEI AK5 earphones feature an inline controller for managing audio and calls.

### Button Functions (Inline Controller)

- **Multi-function Button (Center Button):**
  - Press and hold for 3 seconds: Power On/Off.
  - Short press: Play/Pause music, Answer/End call.
  - Double press: Redial last number.
  - Press and hold for 2 seconds during an incoming call: Reject call.
- **Volume Up Button (+):**
  - Short press: Increase volume.
  - Long press: Next track.
- **Volume Down Button (-):**
  - Short press: Decrease volume.
  - Long press: Previous track.

### Magnetic Earbuds

The earbuds feature a magnetic design, allowing them to clip together for secure storage around your neck when not in use, preventing tangling.

## MAINTENANCE

---

Proper care ensures the longevity of your earphones.

- **Cleaning:** Use a soft, dry cloth to wipe the earphones. Do not use abrasive cleaners or immerse in water.
- **Storage:** Store the earphones in a cool, dry place away from direct sunlight and extreme temperatures. Use the magnetic feature to keep the earbuds together and prevent tangling.
- **Avoid Damage:** Do not drop, disassemble, or modify the earphones. Keep away from sharp objects.

## TROUBLESHOOTING

---

Problem	Solution
---------	----------

Problem	Solution
Earphones do not power on.	Ensure the earphones are fully charged. Press and hold the multi-function button for 3 seconds.
Cannot pair with device.	<ul style="list-style-type: none"> <li>Ensure earphones are in pairing mode (flashing red and blue).</li> <li>Turn off and on Bluetooth on your device.</li> <li>Move earphones closer to the device.</li> <li>Clear previous Bluetooth connections on your device.</li> </ul>
No sound or poor sound quality.	<ul style="list-style-type: none"> <li>Check volume levels on both earphones and connected device.</li> <li>Ensure earphones are properly paired.</li> <li>Try reconnecting the Bluetooth connection.</li> <li>Ensure no physical obstructions are blocking the earphone speakers.</li> </ul>
Earphones disconnect frequently.	<ul style="list-style-type: none"> <li>Ensure earphones are within the effective range of the Bluetooth device.</li> <li>Avoid strong electromagnetic interference.</li> <li>Ensure earphones are sufficiently charged.</li> </ul>

## SPECIFICATIONS

Feature	Detail
Model Number	AK5
Brand	Awei
Connectivity Technology	Wireless (Bluetooth)
Headphones Form Factor	In Ear
Noise Control	Active Noise Cancellation
Microphone	Included
Control Method	Buttons on Inline Controller
Material	Metal, Rubber
Color	Black
Compatible with	Mobile Phones
Package Dimensions	19.4 x 10 x 4.4 cm
Item Weight	210 g (as per package dimensions)

## WARRANTY AND SUPPORT

For warranty information or technical support, please refer to the documentation provided at the time of purchase or contact your retailer. Keep your proof of purchase for any warranty claims.
