AQUA CREST AQU-CF08A

AQUA CREST Faucet Filter Replacement AQU-CF08A Instruction Manual

Model: AQU-CF08A

1. INTRODUCTION

This manual provides instructions for the installation, operation, and maintenance of your AQUA CREST Faucet Filter Replacement, model AQU-CF08A. This filter is designed to provide clean, filtered water directly from your faucet.

The AQUA CREST AQU-CF08A filter is tested and certified by NSF International against NSF/ANSI standard 42 for the reduction of chlorine, taste, and odor, and to NSF/ANSI 372 for lead-free material. It utilizes a premium natural coconut activated carbon block for high-efficiency filtration.

NSF/ANSI 42 & 372 Certified for Safer Water

NSF/ANSI 42

Reduces Chlorine
by 97.2%

NSF/ANSI 372

Lead-Free Material

Tested and Certified by NSF International against **NSF/ANSI Standard 42** in Model ECF-7008S for the reduction of the claims specified on the Performance Data Sheet, and to **NSF/ANSI 372** for low lead.

2. COMPATIBILITY

The AQUA CREST AQU-CF08A faucet filter is compatible with various PUR PLUS faucet water filter systems and is interchangeable with PUR RF-9999 faucet water filters. It is designed for use with PUR Classic, Advanced, and Horizontal Faucet Mounts.

Compatible PUR models include, but are not limited to:

- PFM100B
- PFM450S
- FM-3333
- FM-9400B
- FM-3700B
- FM-3700
- FM-2000B
- FM-9000B
- FM-4000B
- FM-4100B
- FM-2500V
- FM-3400B

Note: The above compatibility claims are for reference purposes only and have not been tested or certified by NSF.

3. SETUP AND INSTALLATION

Follow these steps to install your AQUA CREST faucet filter replacement:

1. **Prepare the Filter:** Before installation, soak the new filter in clean tap water for 3 minutes. This helps to flush the filter and release any trapped air bubbles.
2. **Remove Old Filter:** If replacing an existing filter, twist off the top cover of your faucet mount system and remove the old filter.
3. **Insert New Filter:** Carefully insert the AQUA CREST filter into the device, ensuring it is seated correctly.
4. **Secure Cover:** Twist the top cover back onto the faucet mount system until it is securely closed.
5. **Reset Indicator (if applicable):** If your faucet mount has a filter life indicator, make sure to reset it properly after replacing the filter. If the indicator does not turn green, refer to your faucet mount's specific instructions for resetting.

Easy and Fast Filter Replacement

No Leakage

Perfect Fit

Note: If the indicator doesn't turn green after replacing the filter, make sure to reset the indicator properly.

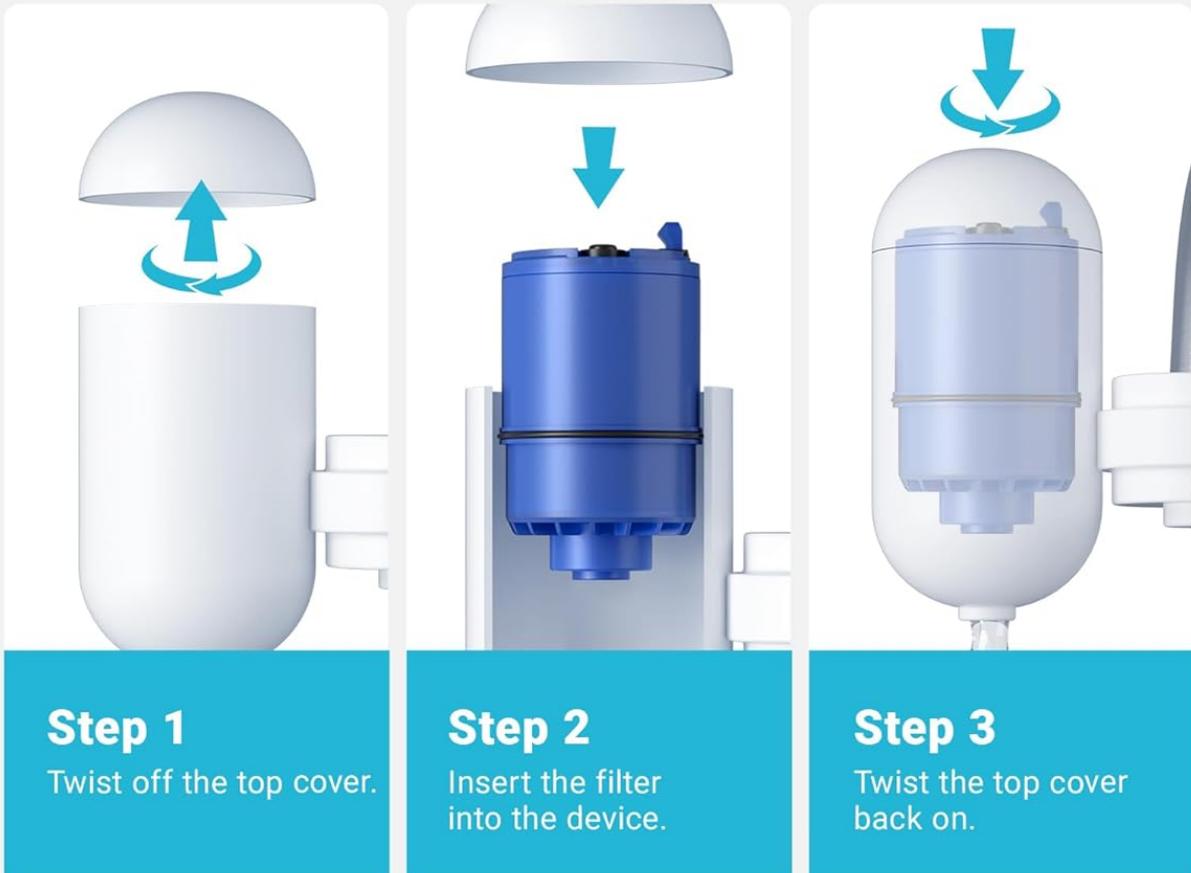

Image: A three-step visual guide demonstrating how to replace the filter: 1) Twist off the top cover, 2) Insert the filter into the device, 3) Twist the top cover back on.

4. OPERATING INSTRUCTIONS

Once installed, your AQUA CREST faucet filter is ready for use. Simply activate the filtered water function on your faucet mount to dispense purified water. The filter provides a fast and steady water flow for your convenience.

The filtered water is suitable for various household needs, including:

- Brewing coffee or tea
- Mixing baby formula
- Washing fruits and vegetables
- Cooking

6. TROUBLESHOOTING

If you encounter issues with your AQUA CREST faucet filter, consider the following common solutions:

- **Reduced Water Flow:** This often indicates that the filter is nearing the end of its lifespan or is clogged. Replace the filter as per the maintenance schedule. Ensure the filter is properly seated during

installation.

- **Unusual Taste or Odor:** If you notice an unusual taste or odor in the filtered water, it may be time to replace the filter. Ensure the initial soaking and flushing procedure was followed during installation.
- **Leaking:** Check that the filter is correctly inserted and the top cover of the faucet mount is securely tightened. Refer to your faucet mount's specific instructions for proper assembly.
- **Filter Indicator Not Resetting:** If your faucet mount has an electronic indicator, consult its specific manual for instructions on how to reset it after filter replacement.

7. SPECIFICATIONS

Brand	AQUA CREST
Model Name	AQU-CF08A
Part Number	AQU-CF08A
Item Weight	9.5 ounces (9.52 Ounces)
Product Dimensions	5.12 x 7.68 x 4.92 inches
Color	Blue
Style	Filter
Item Package Quantity	1
Number Of Pieces	1 (per pack)
Special Feature	Filter
