## Sojag 500-9162875

# Sojag Messina Grill Gazebo 6' x 8' Instruction Manual

Model: 500-9162875

## INTRODUCTION

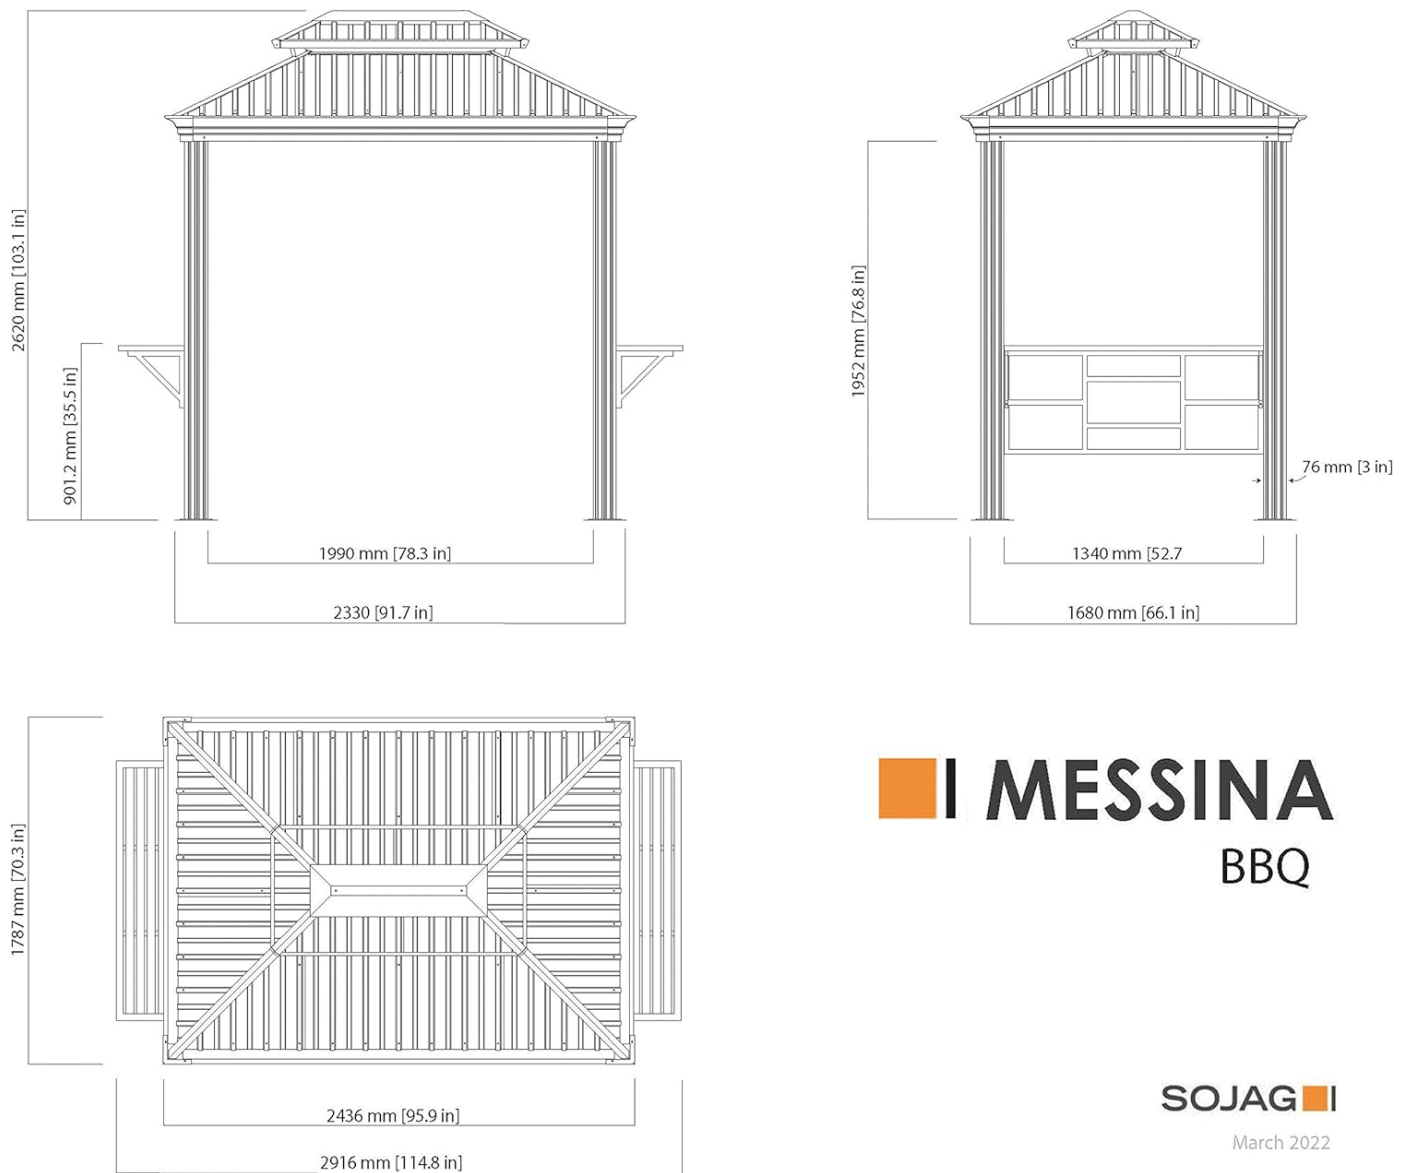

This manual provides detailed instructions for the assembly, operation, and maintenance of your Sojag Messina Grill Gazebo. Please read all instructions carefully before beginning assembly and retain this manual for future reference. This gazebo is designed to provide a protected space for grilling and outdoor cooking, featuring a durable steel hardtop and integrated shelving.

## SAFETY INFORMATION

- Ensure all components are securely fastened before use.
- Properly anchor the gazebo to the ground to prevent movement or damage from wind.
- Remove any significant snow accumulation from the roof to maintain structural integrity and prevent collapse.
- This grill gazebo meets CPAI-84 flame-resistant international safety standards. However, always exercise caution when operating grills or other heat sources within the gazebo.
- Keep flammable materials away from heat sources.
- Do not climb on the gazebo structure.

## PARTS LIST

Before assembly, verify that all parts listed in the packaging contents are present and undamaged. Refer to the included hardware and component list for identification. If any parts are missing or damaged, contact Sojag customer support.

## SETUP AND ASSEMBLY

Assembly of the Messina Grill Gazebo is designed to be straightforward with pre-drilled parts and clear instructions. Two or more people are recommended for safe and efficient assembly.

- Site Preparation:** Choose a level surface for installation. Ensure adequate clearance around the gazebo for safe use of grilling equipment.
- Frame Assembly:** Begin by assembling the main aluminum frame components. Follow the step-by-step diagrams provided in the separate assembly guide. The frame is rustproof and designed for durability.
- Roof Installation:** Install the galvanized steel roof panels. The double-tiered design promotes air circulation.
- Shelf Attachment:** Secure the two side shelves to the frame. These provide convenient counter space for food preparation.
- Anchoring:** Once assembled, securely anchor the gazebo to the ground using appropriate hardware for your surface type. Proper anchoring is crucial for stability, especially in windy conditions.

## OPERATING INSTRUCTIONS

---

The Sojag Messina Grill Gazebo is designed to enhance your outdoor grilling experience.

- **Grill Placement:** Position your grill or barbecue centrally within the gazebo to benefit from the overhead protection. Ensure adequate ventilation.
- **Using Shelves:** Utilize the two integrated side shelves for convenient preparation of food, holding utensils, or serving.
- **Air Circulation:** The double-tiered roof design allows for increased air circulation, which is beneficial when grilling.

## MAINTENANCE

---

Regular maintenance will extend the life and appearance of your gazebo.

- **Cleaning:** Clean the frame and roof panels periodically with mild soap and water. Rinse thoroughly and dry. Avoid abrasive cleaners.
- **Snow Removal:** During winter months, it is recommended to remove any significant snow accumulation from the gazebo roof to prevent structural stress.
- **Inspection:** Periodically check all bolts and fasteners to ensure they remain tight. Tighten as necessary.
- **Protective Finish:** The powder-coated aluminum frame and galvanized steel roof are designed to resist rust, corrosion, and UV rays, minimizing the need for frequent re-coating.

## TROUBLESHOOTING

---

Problem	Possible Cause	Solution
Gazebo instability	Improper anchoring; loose fasteners.	Ensure the gazebo is securely anchored to the ground. Check and tighten all bolts and screws.
Water pooling on roof	Excessive snow accumulation.	Remove snow promptly. The roof is designed to shed water, but heavy loads can cause issues.
Missing or damaged parts	Shipping damage; packaging error.	Contact Sojag customer support with your model number and part description for assistance.

## SPECIFICATIONS

Feature	Detail
Brand	Sojag
Model Number	500-9162875
Product Dimensions (L x W x H)	78.3"L x 114.8"W x 103.15"H (199 cm L x 291.6 cm W x 262 cm H)
Material	Alloy Steel (Roof), Aluminum (Frame)
Frame Material	Aluminum
Roof Material	Galvanized Steel
Color	Dark Grey
Item Weight	82 Kilograms
Water Resistance Level	Water Resistant
UV Protection	Yes
Assembly Required	Yes
Flame Resistance	Meets CPAI-84 standards

## WARRANTY AND SUPPORT

For warranty information or technical support, please refer to the warranty card included with your product or visit the official Sojag website. Ensure you have your model number (500-9162875) and proof of purchase available when contacting support.

Manufacturer: ShelterLogic
