4. ASSEMBLY INSTRUCTIONS (OPERATING)

The nanoblock African Elephant kit is designed for ages 15 and up, with a difficulty level rated as 3 out of 5. Follow the detailed step-by-step instructions provided in the included booklet for proper assembly.

1. **Preparation:** Open the package and carefully empty all nanoblock pieces onto a clean, flat surface. Organize pieces by color or shape if desired, to facilitate easier building.
2. **Follow the Booklet:** Refer to the included instruction booklet. Each step illustrates the placement of specific blocks. Pay close attention to the orientation and connection points of each piece.
3. **Precision:** Due to the micro size of the blocks, precision is key. Use tweezers (not included) if necessary for placing very small pieces.
4. **Layer by Layer:** Most nanoblock models are built layer by layer from the base upwards. Ensure each layer is securely connected before proceeding to the next.
5. **Completion:** Once all steps are followed, your nanoblock African Elephant model will be complete.

5. CARE AND MAINTENANCE

- **Cleaning:** To clean your nanoblock model, gently wipe it with a dry, soft cloth. For stubborn dust, a soft brush or compressed air can be used. Avoid using harsh chemicals or abrasive materials.
- **Storage:** Store the assembled model or loose blocks in a cool, dry place away from direct sunlight to prevent discoloration or damage.
- **Handling:** Handle the model with care, especially when moving it, to prevent pieces from detaching.

6. TROUBLESHOOTING

- **Missing Pieces:** Double-check the packaging and your building area. If pieces are genuinely missing, contact nanoblock customer support for assistance.
- **Difficulty Connecting Pieces:** Ensure blocks are correctly aligned. Apply gentle, even pressure. If a piece doesn't fit, verify it's the correct piece for that step according to the instructions.
- **Model Instability:** Review previous steps to ensure all connections are secure. Sometimes a loose connection early in the build can affect stability later.
