5. SETUP

5.1 Initial Device Setup

- Power On:** Press and hold the Side button (right side) until the Apple logo appears.
- Follow On-Screen Instructions:** Select your language and region.
- Quick Start:** If you have another iPhone or iPad, you can use Quick Start to set up your new iPhone automatically.
- Manual Setup:** If setting up manually, connect to a Wi-Fi network.
- Face ID:** Set up Face ID for secure facial recognition.
- Passcode:** Create a strong passcode.
- Transfer Apps & Data:** Choose to restore from an iCloud or computer backup, or transfer directly from

another device.

8. **Apple ID:** Sign in with your Apple ID or create a new one.

5.2 SIM Card Insertion

1. Locate the SIM tray on the right side of the iPhone.
2. Insert a SIM ejector tool (or a small paperclip) into the small hole on the SIM tray.
3. Push firmly until the tray pops out.
4. Place your nano-SIM card into the tray with the gold contacts facing down.
5. Carefully reinsert the tray into the iPhone.

6. OPERATING INSTRUCTIONS

6.1 Basic Navigation

- **Home Screen:** Swipe up from the bottom of the screen to go to the Home screen.
- **App Switcher:** Swipe up from the bottom and pause in the middle of the screen to view open apps.
- **Control Center:** Swipe down from the top-right corner of the screen to access Control Center.
- **Notifications:** Swipe down from the top-left corner or center of the screen to view notifications.

6.2 Face ID

Face ID allows you to securely unlock your iPhone, make purchases, and sign in to apps using facial recognition. To set up Face ID, go to **Settings > Face ID & Passcode** and follow the on-screen instructions.

6.3 Haptic Touch

The iPhone XR features Haptic Touch, which provides haptic feedback when you press and hold on certain elements, offering quick access to shortcuts and previews. For example, press and hold an app icon to reveal quick actions.

7. CAMERA USAGE

The iPhone XR is equipped with advanced cameras for capturing high-quality photos and videos.

7.1 Rear Camera

- **Resolution:** 12MP Wide camera.
- **Features:** Portrait mode with advanced bokeh and Depth Control, Smart HDR for photos, Optical Image Stabilization.
- **Video Recording:** Supports 4K video recording at 24 fps, 30 fps, or 60 fps. Also supports 1080p HD video recording at 30 fps or 60 fps.

7.2 Front Camera

- **Resolution:** 7MP TrueDepth camera.
- **Features:** Portrait mode with advanced bokeh and Depth Control, Smart HDR for photos, 1080p HD video recording at 30 fps or 60 fps.
- Ideal for high-quality selfies and FaceTime video calls.

8. BATTERY AND CHARGING

Your iPhone XR is powered by a durable Lithium-Ion battery.

- **Battery Life:** The renewed iPhone XR is guaranteed to have a minimum battery capacity of 80% compared to a new device. Actual battery life varies based on usage.
- **Charging:** Charge your iPhone using the included generic (Mfi certified) charger and charging cable via the Lightning port.
- **Wireless Charging:** The iPhone XR supports wireless charging (Qi standard). Place your iPhone face up on a compatible wireless charging mat.

9. PERFORMANCE

The Apple A12 Bionic chip provides excellent performance for everyday tasks, demanding applications, and graphic-intensive games. With 3GB of RAM, the iPhone XR handles multitasking smoothly, ensuring a responsive user experience.

10. MAINTENANCE AND CARE

- **Cleaning:** Use a soft, lint-free cloth to clean your iPhone. Avoid abrasive materials or harsh chemicals.
- **Protection:** While inspected for minimal cosmetic damage, using a screen protector and case is recommended to prevent further wear.
- **Software Updates:** Keep your iOS software updated to ensure optimal performance and security. Go to **Settings > General > Software Update**.
- **Avoid Water Exposure:** The iPhone XR is not water resistant. Avoid exposing it to liquids.

11. TROUBLESHOOTING

- **Device Unresponsive:** If your iPhone is unresponsive, perform a force restart: Press and quickly release the Volume Up button, then press and quickly release the Volume Down button, then press and hold the Side button until you see the Apple logo.
- **App Issues:** If an app is not working correctly, try closing it from the App Switcher and reopening it. If the issue persists, delete and reinstall the app.
- **Network Problems:** If experiencing cellular or Wi-Fi issues, try toggling Airplane Mode on and off, or reset network settings (**Settings > General > Transfer or Reset iPhone > Reset > Reset Network Settings**).
- **Battery Drain:** Check battery usage in **Settings > Battery** to identify apps consuming excessive power.

12. WARRANTY AND SUPPORT

This renewed Apple iPhone XR comes with a 90-day refund/replacement return policy. For further support, please refer to the Amazon Renewed Store or contact Apple Support for device-specific inquiries.
