1. INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your Yaheetech Bird Cage, Model YT-00097141. Please read this manual thoroughly before assembly and use to ensure proper setup and safe operation for your birds.

The Yaheetech Bird Cage is designed for small to medium-sized birds such as canaries, budgerigars, cockatiels, parakeets, lovebirds, finches, and conures. It features a play open top and a detachable rolling stand for convenience.

2. SAFETY INFORMATION

- Keep all small parts and packaging materials away from children and pets during assembly.
- Ensure all connections are securely fastened before placing birds inside the cage.
- Regularly inspect the cage for any damaged or sharp edges that could harm your birds.
- Do not hang heavy objects on the cage structure.
- Position the cage in a stable location, away from direct sunlight, drafts, and extreme temperatures.
- When moving the cage, ensure the wheels are unlocked and move slowly to prevent tipping.
- The cage is intended for indoor and outdoor use, but protect it from severe weather conditions.

3. PACKAGE CONTENTS

Before beginning assembly, verify that all components listed below are present and undamaged. If any parts are missing or damaged, contact customer support.

- Bird Cage Panels (various sizes)
- Detachable Rolling Stand components
- 3 x Wooden Perches
- 4 x Plastic Feeders

- 1 x Swing
- 1 x Ladder
- Slide-out Tray
- Mesh Grate
- Assembly Hardware (screws, nuts, clips)
- Instruction Manual

4. SETUP AND ASSEMBLY

Assembly is required. Follow these steps carefully. It is recommended to have a second person assist with assembly.

4.1 Assembling the Rolling Stand

1. Unpack all stand components and lay them out.
2. Attach the four legs to the base frame using the provided screws and nuts. Ensure they are tightened securely.
3. Insert the four 360° swivel casters into the bottom of each leg until they click into place.
4. Place the storage shelf onto the designated supports on the stand.

Image: Detail of the 360-degree swivel casters for easy mobility of the stand.

4.2 Assembling the Bird Cage

1. Identify the base panel, side panels, front/back panels, and roof panels.
2. Connect the side panels to the base panel, ensuring the openings for the slide-out tray are correctly oriented.
3. Attach the front and back panels to the assembled sides and base.
4. Secure all panels using the provided clips or fasteners. Ensure all connections are firm to prevent instability.

5. Install the mesh grate above the slide-out tray.
6. Slide the plastic tray into its designated slot at the bottom of the cage.
7. Attach the roof panels, ensuring the play-top mechanism is correctly aligned.
8. Secure the bottom tray to the cage using the two provided buckles.

4.3 Installing Accessories

1. Insert the wooden perches through the cage bars at desired heights.
2. Attach the plastic feeders to the small doors designed for them.
3. Hang the swing and ladder inside the cage as desired.

Image: The included wooden ladder and hanging toys for bird enrichment.

4.4 Placing the Cage on the Stand

Carefully lift the assembled bird cage and place it onto the top of the rolling stand. Ensure it is centered and stable.

5. OPERATION

5.1 Access Doors

The cage features multiple access points:

- **Large Front Doors:** Two main doors provide ample access for interacting with your birds or arranging the interior.
- **Side-Opening Composite Doors:** Two smaller doors are designed for easy access for smaller birds.
- **Small Feeder Doors:** Seven small doors are available for attaching feeders, breeding boxes (not included), or bird baths (not included).

Each door is equipped with arc-shaped wires to prevent birds from opening them unintentionally.

5.2 Play Open Top

The roof of the cage can be opened to create a play top area. This allows birds to perch on top of the cage, providing additional enrichment and interaction opportunities. Ensure the play top is securely closed when not in use to prevent escapes.

5.3 Mobility

The detachable rolling stand allows for easy relocation of the cage. Unlock the casters before moving and lock them once the cage is in its desired position to ensure stability.

6. MAINTENANCE AND CLEANING

Regular cleaning is essential for maintaining a healthy environment for your birds.

6.1 Daily Cleaning

- Remove and clean food and water dishes daily.
- Wipe down perches and frequently used areas to remove droppings.

6.2 Weekly Cleaning

1. Remove birds from the cage and place them in a secure temporary enclosure.
2. Slide out the bottom tray and remove the mesh grate. Dispose of soiled bedding.
3. Wash the tray and grate with warm, soapy water and a bird-safe disinfectant. Rinse thoroughly and dry completely before returning to the cage.
4. Wipe down all interior and exterior surfaces of the cage with a damp cloth and bird-safe cleaner.
5. Clean all perches, toys, and accessories.
6. Replace clean bedding in the tray and reassemble the cage components.

Image: The removable slide-out tray and mesh grate, designed for easy cleaning and hygiene.

6.3 General Care

- Periodically check all connections and fasteners for tightness.
- Inspect for any signs of rust or wear, especially on moving parts.
- Ensure the bar spacing (0.4 inches) remains consistent to prevent birds from escaping or getting stuck.

7. TROUBLESHOOTING

Problem	Possible Cause	Solution
Cage feels unstable or wobbly.	Loose connections or uneven surface.	Ensure all screws and clips are tightened. Place the cage on a flat, level surface.
Birds are escaping.	Doors not properly secured or gaps in assembly.	Verify all doors are fully closed and latched. Check for any gaps in the cage panels and ensure they are securely connected.
Casters not rolling smoothly.	Debris in casters or casters not fully inserted.	Clean any debris from the caster wheels. Ensure casters are fully inserted into the stand legs.
Slide-out tray is difficult to remove/insert.	Debris in the tray slot or tray is misaligned.	Clean the tray slot. Ensure the tray is aligned correctly before sliding it in.

8. SPECIFICATIONS

- **Model:** YT-00097141
- **Brand:** Yaheetech
- **Material:** Steel, PP plastic, wood
- **Overall Dimensions (L x W x H):** 18.0" x 14.0" x 62.5"
