PRODUCT FEATURES

- **Team Vehicle with Working Parts:** The police cruiser is equipped with working wheels, a driver's cab that lifts, an extendable guard rail, a back door that opens, and a winch that extends.
- **Includes All 6 Team Pups:** The set comes with all six Paw Patrol pups, each in their police uniforms. The cruiser has designated spots for every pup.

SETUP INSTRUCTIONS

1. Unpack all components: Carefully remove the police cruiser vehicle and the six Paw Patrol figures from the packaging.
2. Position the Pups: Place each of the six Paw Patrol pups in their respective seats within the vehicle.
3. Secure Chase: Clip Chase's feet into the driver's seat to prepare for rescue missions.

OPERATING INSTRUCTIONS

1. Lifting the Driver's Cab

To activate the lookout function, gently lift the driver's cab upwards. This allows Chase to have a clear view for spotting trouble in Adventure Bay.

2. Extending the Guard Rail

To control traffic or create a barrier, locate the guard rail mechanism on the side of the vehicle and extend it outwards. This feature helps manage rescue scenes effectively.

3. Opening the Back Door

The back door of the cruiser can be lifted to allow a pup to enter or exit, or to store small rescue equipment. This provides additional space for rescue operations.

MAINTENANCE

- **Cleaning:** Wipe the vehicle and figures with a damp cloth as needed. Avoid submerging in water or using harsh chemicals.
- **Storage:** Store the toy in a cool, dry place away from direct sunlight to prevent material degradation.
- **Inspection:** Periodically check for any loose or damaged parts. Discontinue use if any significant damage is found.

TROUBLESHOOTING

- **Moving Parts Sticking:** If any movable parts (cab, door, winch, guard rail) become stiff, ensure no debris is obstructing their movement. Gently clean the area.
- **Figures Not Fitting:** Ensure pups are correctly oriented and placed in their designated slots. Avoid forcing figures into place.
