Mousepad Features

- **Material:** Constructed from a soft and durable material.
- **Performance:** Designed to facilitate smooth and quiet mouse movements, enhancing precision and control.

MAINTENANCE

- **Cleaning:** Use a soft, dry cloth to clean the surfaces of the keyboard, mouse, and mousepad. For stubborn dirt, a slightly damp cloth with mild soap can be used, ensuring no liquid enters the devices.
- **Storage:** Store the devices in a cool, dry place away from direct sunlight and extreme temperatures.
- **Cable Management:** Avoid sharp bends or excessive pulling on the USB cables to prevent damage.

TROUBLESHOOTING

- **Device Not Responding:** Ensure USB cables are securely connected to your computer. Try plugging

them into different USB ports.

- **Software Issues:** If the customization software is not functioning correctly, ensure you have downloaded the latest version from the EMPIRE GAMING website. Reinstalling the software may resolve issues.
- **Mouse Intermittently Not Starting:** If the mouse occasionally requires a restart to function, check the USB connection and try a different USB hub or direct port connection. Ensure your operating system drivers are up to date.
- **Backlight Not Working:** Verify that the backlight is enabled via the software or keyboard shortcuts. Check for any software conflicts.
