

EASTROCK A-Frame Adjustable Guitar Stand (Model: 1 pieza)

EASTROCK A-Frame Adjustable Guitar Stand Instruction Manual

Model: 1 pieza

1. INTRODUCTION

Thank you for choosing the EASTROCK A-Frame Adjustable Guitar Stand. This manual provides essential information for the proper setup, operation, and maintenance of your new guitar stand. Designed for stability and portability, this stand is suitable for various stringed instruments including acoustic guitars, electric guitars, and basses.

Figure 1: EASTROCK A-Frame Adjustable Guitar Stand in black metal finish.

2. KEY FEATURES

- **Universal Compatibility:** Designed to securely hold acoustic guitars, electric guitars, and basses of various sizes.
- **Adjustable Height:** Features a height-adjustable padded body rest to accommodate different instrument dimensions.
- **Protective Padding:** Equipped with soft foam arms and highly elastic non-slip rubber on the back rest to prevent scratches and damage to your instrument's finish.
- **Portable Design:** Folds flat in seconds for easy storage and convenient transport, making it ideal for travel or gigs.
- **Stable A-Frame Structure:** Utilizes a triangular structure for enhanced stability on various floor surfaces.

3. PACKAGE CONTENTS

Upon opening the package, you should find the following components:

- EASTROCK A-Frame Adjustable Guitar Stand (main frame with integrated arms and feet)

Figure 2: Detailed view of the stand's components including rubber pad, A-frame, thick foam pad, and non-slip base.

4. SETUP INSTRUCTIONS

1. **Unfold the Stand:** Gently unfold the A-frame stand until the legs are fully extended and locked into position. Ensure all joints are secure.
2. **Adjust Height:** The padded body rest can be adjusted to suit the size of your instrument. Locate the adjustment mechanism and set the height to provide optimal support for your guitar or bass.
3. **Position the Arms:** Ensure the soft foam arms are correctly positioned to cradle the bottom of your instrument. The non-slip rubber on the back rest should align with the instrument's body.
4. **Stability Check:** Before placing your instrument, gently press down on the stand to confirm its stability on the chosen surface.

5. OPERATING INSTRUCTIONS

To safely place your instrument on the EASTROCK A-Frame Adjustable Guitar Stand:

1. Hold your instrument firmly with one hand.
2. Gently lower the instrument onto the stand, ensuring the bottom edge rests securely on the padded arms.
3. Lean the instrument back so that its body makes contact with the padded back rest.
4. Verify that the instrument is stable and balanced on the stand before releasing your grip.

Electric guitar

Ukulele

Acoustic guitar

Bass

Cello

Banjo

6. MAINTENANCE

- **Cleaning:** Wipe the stand with a soft, dry cloth to remove dust and debris. Avoid using harsh chemicals or abrasive cleaners.
- **Padding Inspection:** Periodically check the foam arms and rubber back rest for any signs of wear or damage. Replace if necessary to ensure continued protection for your instrument.
- **Joints and Fasteners:** Ensure all screws and joints remain tight. Tighten any loose fasteners to maintain the stand's stability.

7. TROUBLESHOOTING

If you encounter any issues with your EASTROCK A-Frame Adjustable Guitar Stand, please ensure all parts are correctly assembled and tightened according to the setup instructions. If problems persist, refer to the warranty and support section for assistance.
