XINBAOHONG L-02

XINBAOHONG L-02 Rechargeable Portable Clip-on Selfie Ring Light User Manual

Model: L-02

INTRODUCTION

The XINBAOHONG L-02 Selfie Ring Light is a portable, rechargeable clip-on fill light designed to enhance your photography and video experiences. Featuring 36 LEDs and three adjustable brightness modes, it provides soft, even illumination for various applications. Its compact design and secure clip make it a versatile accessory for smartphones, tablets, and laptops.

SETUP

1. Charging the Device

The XINBAOHONG L-02 Selfie Ring Light comes with a built-in rechargeable battery. Use the provided USB-Micro cable to charge the device. The charging indicator light will confirm proper connection and charging status. A full charge typically takes approximately one hour.

2. Attaching the Ring Light

The ring light features a humanized clip design with silicone gel padding to protect your devices from scratches. It can be securely attached to various devices with a maximum holding thickness of 18mm.

- **Smartphones:** Clip the light onto the top edge of your smartphone, ensuring the camera lens is centered within the ring light's opening.
- **Tablets & Laptops:** The clip is versatile enough to attach to the screen of most tablets and laptops.
- **Other Surfaces:** The clip can also be used on collars, visors, tents, backpacks, bicycle stands, and glass surfaces for creative

OPERATING INSTRUCTIONS

1. Powering On/Off and Adjusting Brightness

Locate the power button on the side of the ring light. Press the button to cycle through the three available brightness modes:

1. **Low Brightness:** Ideal for subtle fill light in moderately lit environments.
2. **Normal Brightness:** A balanced light for general use.
3. **High Brightness:** Provides maximum illumination for dark settings or dramatic effects.

To turn off the light, continue pressing the power button until the light switches off after cycling through all modes.

2. Versatile Applications

The XINBAOHONG L-02 is designed for a wide range of uses:

- **Selfies & Photography:** Achieve perfectly lit photos and videos, even in low-light conditions.
- **Makeup Application:** Provides clear, even lighting for precise makeup application.
- **Reading Light:** Use as a convenient clip-on reading light.
- **Emergency Light:** Its portability makes it suitable as a camping light or election light.
- **Outdoor Activities:** Can be used for cycling or as a flash run light.

MAINTENANCE

- **Cleaning:** Wipe the device with a soft, dry cloth. Avoid using harsh chemicals or abrasive materials.
- **Storage:** Store the ring light in a cool, dry place away from direct sunlight and extreme temperatures.
- **Battery Care:** To prolong battery life, avoid fully discharging the battery frequently. Charge the device regularly, even if not in use for extended periods.

TROUBLESHOOTING

- **Light not turning on:** Ensure the device is fully charged. Connect it to a USB power source using the provided cable.
- **Light not bright enough:** Cycle through the three brightness modes by pressing the power button to select a higher setting.
- **Light not holding charge:** Ensure the charging cable is securely connected. If the issue persists, the battery may need to be replaced (contact customer support).
- **Light not fitting device:** Check that your device's thickness does not exceed the maximum holding thickness of 18mm.
