GTRACING 890M-b

GTRACING Gaming Chair with Bluetooth Speakers

MODEL: 890M-B

Introduction

This manual provides detailed instructions for the assembly, operation, and maintenance of your GTRACING Gaming Chair with integrated Bluetooth speakers. Designed for ergonomic comfort and an immersive audio experience, this chair is suitable for gaming, office work, and relaxation. Please read this manual thoroughly before use to ensure proper setup and safe operation.

Safety Information

Please ensure the volume of the Bluetooth speakers is at a safe level to avoid hearing damage. Do not exceed the maximum weight capacity of 300lbs to ensure the stability and safety of the chair. Follow the assembly instructions carefully and ensure all parts are securely fastened before use.

Assembly Instructions

The GTRACING Gaming Chair is designed for straightforward assembly. All necessary components and tools are included in the package. For optimal assembly, it is recommended to have two people. Each part is clearly labeled to assist with identification during the process. Typical assembly time is approximately 45 minutes.

Ensure all screws are tightened securely before using the chair. Refer to the included assembly guide for step-by-step visual instructions.

Operating Instructions

Chair Adjustments

- **Height Adjustment:** Use the lever located under the seat on the right side to adjust the chair's height. Pull the lever up while seated to lower, or pull up while standing to raise.
- **Recline Function:** The chair features an adjustable backrest that can recline up to 155 degrees, offering 8 different reclining positions. Use the lever on the side of the backrest to adjust the angle.
- **Armrest Adjustment:** The armrests are adjustable in height and can swivel left to right, allowing you to find the most comfortable position for your arms and shoulders.
- **Lumbar and Headrest Support:** The chair includes a removable lumbar pillow and headrest pillow for enhanced ergonomic support. Adjust their positions as needed for optimal comfort.

- **Retractable Footrest:** A pull-out footrest is integrated under the seat, providing additional comfort for relaxation or reclining.

Bluetooth Speaker Operation

The GTRACING Gaming Chair features left and right symmetrical Bluetooth speakers integrated into the backrest, providing an immersive audio experience. The sound is designed to reflect from the ceiling and walls for enhanced immersion.

- **Pairing:** To connect your device, activate Bluetooth on your smartphone, tablet, or computer and search for the GTRACING chair. Select it to pair.
- **Audio Playback:** Once paired, audio from your device will play through the chair's speakers. Adjust volume via your connected device.
- **Connectivity for Non-Bluetooth Devices:** For devices without Bluetooth sending functionality (e.g., PS4/PS5, Xbox, PC, Switch), a GTRACING USB GT-Lynck adapter can be purchased separately to enable audio transmission to the chair.

Troubleshooting

If you encounter any issues with your GTRACING Gaming Chair, please refer to the following common solutions:

- **Chair Stability:** Ensure all bolts and screws are securely tightened. Periodically check and re-tighten fasteners.
- **Height Adjustment Issues:** Verify that the gas lift cylinder is properly installed and not obstructed.
- **Bluetooth Connectivity:** Ensure the chair's Bluetooth is active and your device is within range. Try unpairing and re-pairing the device. If using an adapter, ensure it is correctly installed and functioning.
- **Audio Quality:** Check the volume levels on both your connected device and the chair. Ensure there are no obstructions to the speakers.
