## 3. SETUP AND INSTALLATION

---

### 3.1 Installing Your iPad

1. Gently align your iPad with the case's frame.
2. Press firmly around the edges of the iPad until it securely snaps into place within the case.

### 3.2 Bluetooth Connection

1. Ensure the keyboard is charged and powered on. The power switch is typically located on the side of the keyboard.
2. On your iPad, go to **Settings > Bluetooth**.
3. Toggle Bluetooth to 'On'.
4. Your iPad will search for nearby Bluetooth devices. Select 'Bluetooth Keyboard' from the list.
5. Once connected, the status will change to 'Connected'.

## 4. OPERATING INSTRUCTIONS

### 4.1 7-Color Backlit Keyboard

The keyboard features 7 attractive backlight colors (Red, White, Green, Yellow, Blue, Purple, Cyan) and 3 levels of brightness. This allows for comfortable typing in various lighting conditions, including dark environments.

- To change backlight color: Press the **Light Bulb** key (often near the Command key).
- To adjust brightness: Press the **Light Bulb** key repeatedly to cycle through brightness levels.

### 4.2 360-Degree Rotation & 180-Degree Flip

The case allows for flexible viewing angles with its 360-degree rotation and 180-degree flip capabilities.

This enables various modes such as laptop, presentation, video, and tablet mode.

## 4.4 Laptop-like Typing Experience

The keyboard provides a comfortable and quiet typing experience, similar to a traditional laptop. It includes a special row of shortcut keys for quick access to iPad functions.

- The keyboard will enter sleep mode if inactive for more than 10 minutes. Press any key to wake it up.

## 5. MAINTENANCE

---

To ensure the longevity and optimal performance of your Earto Wireless Keyboard Case, follow these maintenance guidelines:

- Keep the keyboard clean by wiping it with a soft, dry cloth. Avoid abrasive cleaners or solvents.
- Protect the case from extreme temperatures and direct sunlight.
- Avoid spilling liquids on the keyboard. If a spill occurs, power off the keyboard immediately and allow it to dry completely before use.
- Charge the keyboard regularly to maintain battery health, even if not in frequent use.

## 6. TROUBLESHOOTING

---

If you encounter issues with your Earto Wireless Keyboard Case, refer to the following common solutions:

- **Keyboard not connecting via Bluetooth:**
  - Ensure the keyboard is fully charged and powered on.
  - Turn off and then turn on your iPad's Bluetooth. Try re-pairing the keyboard.
  - Restart your iPad and the keyboard.
- **Keys not responding or input lag:**
  - Check the keyboard's battery level. Low battery can affect performance.
  - Ensure there are no obstructions between the keyboard and iPad.
  - If using the backlight, try turning it off to see if performance improves, as some users report lag with backlight enabled.
- **Backlight not working or inconsistent:**
  - Press the Light Bulb key to cycle through colors and brightness levels.
  - Ensure the keyboard is adequately charged.
- **iPad not waking/sleeping automatically:**
  - Ensure the iPad is correctly seated in the case and the case is fully closed/opened.
