JBL JBLT110BLUAM

JBL TUNE 110 In-Ear Headphones User Manual

Model: JBLT110BLUAM

1. PRODUCT OVERVIEW

The JBL TUNE 110 In-Ear Headphones are designed to deliver JBL Pure Bass Sound in a lightweight, comfortable, and compact form factor. These wired headphones feature 9mm drivers for powerful audio reproduction and include a convenient one-button remote with a built-in microphone for easy control of music playback and calls. The tangle-free flat cable ensures hassle-free use and storage.

2. WHAT'S IN THE BOX

Upon unboxing your JBL TUNE 110 In-Ear Headphones, you should find the following components:

- JBL TUNE 110 In-Ear Headphones

- Multiple sizes of ear tips (typically Small, Medium, Large) to ensure a comfortable and secure fit.
- A carrying pouch for convenient storage and portability.

3. SETUP

Follow these steps to set up your JBL TUNE 110 In-Ear Headphones:

1. **Select Ear Tips:** Choose the ear tips that provide the most comfortable and secure fit for your ears. A good seal is crucial for optimal sound quality and bass performance. Gently attach them to the earbuds.
2. **Insert Earbuds:** Carefully insert the earbuds into your ear canals. Ensure they are seated snugly.
3. **Connect to Device:** Plug the 3.5mm audio jack into the headphone port of your audio device (smartphone, tablet, laptop, etc.).

4. OPERATING INSTRUCTIONS

The JBL TUNE 110 features a convenient one-button remote for easy control:

- **Play/Pause Music:** Press the button once to play or pause your music.
- **Answer/End Call:** Press the button once to answer an incoming call or end an ongoing call.
- **Reject Call:** Press and hold the button for approximately 2 seconds to reject an incoming call.
- **Next Track:** Press the button twice quickly to skip to the next track.
- **Previous Track:** Press the button three times quickly to go back to the previous track.
- **Voice Assistant:** Press and hold the button for approximately 3 seconds to activate your device's voice assistant (if supported).

Item Weight	0.32 ounces (approx. 9 grams)
Product Dimensions	2.36 x 1.18 x 6.89 inches
Material	Plastic
Color	Blue
Cable Feature	Tangle Free

7. MAINTENANCE

Proper care will extend the life and performance of your headphones:

- **Cleaning Ear Tips:** Regularly remove the silicone ear tips and wash them with mild soap and water. Ensure they are completely dry before reattaching.
- **Cleaning Earbuds:** Gently wipe the earbuds with a soft, dry cloth. Avoid using harsh chemicals or abrasive materials.
- **Cable Care:** Although the cable is tangle-free, avoid excessive pulling or sharp bends to prevent internal damage. When not in use, coil the cable neatly.
- **Storage:** Store your headphones in the provided carrying pouch to protect them from dust, dirt, and physical damage.

8. TROUBLESHOOTING

If you encounter any issues with your JBL TUNE 110 headphones, refer to the following common solutions:

- **No Sound:**
 - Ensure the 3.5mm jack is fully inserted into your device's audio port.
 - Check the volume level on your audio device.
 - Test the headphones with another audio device to rule out a device-specific issue.
- **Poor Sound Quality / Lack of Bass:**
 - Verify that the ear tips are correctly sized and provide a good seal in your ear canal.
 - Ensure the ear tips are clean and free from debris.
- **Microphone Not Working:**
 - Confirm the 3.5mm jack is fully inserted.
 - Check your device's audio input settings to ensure the external microphone is selected.
 - Test the microphone with another device or application.

9. WARRANTY AND SUPPORT

JBL products are manufactured to high standards and undergo rigorous quality control. For detailed warranty information, product registration, and technical support, please visit the official JBL website or contact your local JBL customer service center. Keep your proof of purchase for warranty claims.
