## SETUP AND ASSEMBLY

The Wenko Bahari Shoe Bench (Model 62218100) is designed for minimal setup. This product typically arrives fully assembled and ready for immediate use. No complex tools or assembly steps are required.

1. **Unpacking:** Carefully remove the shoe bench from its packaging. Inspect for any signs of damage during transit.
2. **Placement:** Choose a suitable location for the bench, such as an entryway, hallway, or bedroom. Ensure the surface is flat and stable to prevent wobbling.
3. **Ready for Use:** The bench is now ready to be used for seating and shoe storage.

## OPERATING INSTRUCTIONS

The Wenko Bahari Shoe Bench serves a dual purpose: providing a comfortable seating area and organized storage for your footwear.

- **Seating:** Use the padded top surface as a comfortable bench for sitting while putting on or taking off your shoes. Ensure the weight limit is not exceeded (refer to specifications for details, if available, otherwise use general caution).
- **Shoe Storage:** Open the slatted door to access the two internal shelves. These shelves are designed to

accommodate up to 4 pairs of shoes, helping to keep your entryway tidy and organized.

- **Door Operation:** The door features a handle for easy opening and closing. Close the door securely after use to conceal stored items and maintain a neat appearance.

## MAINTENANCE AND CARE

Proper care will ensure the longevity and appearance of your Wenko Bahari Shoe Bench.

- **Cleaning the Frame:** The bamboo frame should be cleaned with a soft, dry cloth. Avoid using abrasive cleaners or harsh chemicals, as these can damage the bamboo finish.
- **Cleaning the Cushion:** The grey padded seat is made from an easy-care polyester and cotton blend. For light cleaning, wipe with a damp cloth. For more stubborn stains, a mild fabric cleaner suitable for polyester/cotton blends

can be used, followed by wiping with a clean, damp cloth and allowing it to air dry completely.

- **Avoid Moisture:** While bamboo is durable, prolonged exposure to excessive moisture should be avoided to prevent warping or damage.
- **Sunlight Exposure:** To prevent fading or discoloration of the bamboo and fabric, avoid placing the bench in direct sunlight for extended periods.

## TROUBLESHOOTING

This section addresses common concerns you might encounter with your shoe bench.

- **Bench is Unstable:**
  - Ensure the bench is placed on a flat, even surface.
  - Check if any protective feet or glides are missing or uneven.
- **Door Does Not Close Properly:**
  - Verify that no items inside the storage compartment are obstructing the door's path.
  - Check the door hinges for any signs of damage or misalignment.
- **Scratches or Dents on Bamboo:**
  - Minor scratches on bamboo can sometimes be minimized with furniture polish or a bamboo-specific repair kit.
  - For significant damage, consider contacting the manufacturer for advice.
