LUXFURNI Starry7

LUXFURNI Vanity Mirror with Lights (Model Starry7) - Instruction Manual

Model: Starry7

1. INTRODUCTION

Thank you for choosing the LUXFURNI Starry7 Vanity Mirror with Lights. This Hollywood-style makeup mirror is designed to provide optimal lighting and clarity for your beauty routine. Featuring 18 dimmable LED bulbs, three color lighting modes, a convenient USB charging port, and versatile mounting options, this mirror enhances any bedroom or dressing room setup.

2. SAFETY INFORMATION

- Always unplug the mirror when not in use.
- Do not touch the mirror with wet hands.
- Ensure the mirror is securely mounted to the wall before use if opting for wall installation.
- Keep the mirror away from heat sources and flammable materials.
- Always follow the manufacturer's instructions for installation and use.

3. PACKAGE CONTENTS

Please check that all components are present and in good condition:

- LUXFURNI Starry7 Vanity Mirror (x1)
- Detachable Base (x1)
- 10X Magnifying Mirror (x1)
- 12V/2A Power Adapter with 1.5m Cable (x1)
- Wall-Mounting Hardware (screws, anchors) (x1 set)
- Instruction Manual (x1)

4. SETUP AND ASSEMBLY

The LUXFURNI Starry7 mirror offers two installation options: tabletop or wall-mounted.

Tabletop Installation:

1. Carefully unbox the mirror and its components.
2. Attach the detachable base to the bottom of the mirror using the provided screws. Ensure it is securely fastened.
3. Place the mirror on a stable, flat surface.

Wall-Mount Installation:

1. Identify the desired location on your wall. Ensure it is a sturdy surface capable of supporting the mirror's weight.
2. Use the provided wall-mounting hardware (screws and anchors) to securely attach the mirror to the wall. Follow standard wall-mounting procedures.
3. Ensure the mirror is level and stable before use.

2 Ways to Assemble

WALL-MOUNTED

TABLETOP

5. OPERATING INSTRUCTIONS

The mirror features intuitive touch controls located on the bottom center of the mirror surface.

Power On/Off:

- Touch the middle power button (circle icon) to turn the mirror lights on or off.

Adjust Brightness:

- With the lights on, touch and hold the left brightness button (vertical lines icon) to seamlessly adjust the brightness level. Release when the desired brightness is achieved.

Change Color Mode:

- Tap the right color mode button (K icon) to cycle through the three available lighting modes: warm light (3000K), neutral light (4500K), and cool light (6500K).
- The smart memory function will recall your last used setting for convenience.

6. FEATURES

- **18 Dimmable LED Bulbs:** Strategically placed around all four sides of the mirror, these bulbs provide 360° illumination, ensuring a shadow-free and perfect view for flawless makeup application.
- **3 Color Lighting Modes:** Easily switch between warm (3000K), neutral (4500K), and cool (6500K) light settings to simulate different environments, ensuring your makeup looks perfect in any setting. The smart memory function remembers your last selection.
- **USB Charging Port:** A convenient USB charging port is located on the side of the mirror, allowing you to charge your phone or other devices while getting ready. Includes a 12V/2A power adapter and a 1.5m extra-long cable.
- **10X Magnifying Mirror:** A detachable 10X magnifying mirror is included, perfect for detailed tasks like eyeliner application, eyebrow shaping, or lipstick.
- **Versatile Mounting Options:** The mirror can be used as a tabletop unit with its detachable base or mounted on the wall using the included hardware, adapting to your space and preference.
- **Shatterproof Design:** Constructed with tempered glass, the mirror offers enhanced durability and safety.

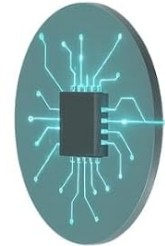

4-Side LEDs Wrap You in Even Glow

No Shadow Under the Chin

7. MAINTENANCE

- **Cleaning the Mirror:** Use a soft, lint-free cloth and a non-abrasive glass cleaner. Spray the cleaner onto the cloth, not directly onto the mirror, to avoid liquid seeping into the electrical components.
- **Cleaning the Frame:** Wipe the frame with a soft, damp cloth. Avoid harsh chemicals that may damage the finish.
- **Bulb Replacement:** The LED bulbs are designed for long-term use and are not user-replaceable. If a bulb malfunctions, please contact customer support.

8. TROUBLESHOOTING

- **Lights Not Turning On:**
 - Ensure the power adapter is securely plugged into both the mirror and a working electrical outlet.
 - Check if the power outlet is functional by plugging in another device.
 - Verify that the power button on the mirror is being pressed correctly.
- **Lights Flickering or Dimming Unexpectedly:**
 - This could indicate an issue with the power cord or adapter. Try using a different compatible 12V/2A adapter if available.
 - Ensure the power connection to the mirror is stable and not loose.
- **USB Charging Port Not Working:**
 - Confirm the mirror is powered on. The USB port only functions when the mirror is active.
 - Try a different USB cable or device to rule out compatibility issues.

If you encounter persistent issues not covered here, please contact LUXFURNI customer support for assistance.
