### Fanimation FP8062BDZ

## Fanimation Celano V2 52-Inch 5-Blade Ceiling Fan Instruction Manual

Model: FP8062BDZ

### 1. INTRODUCTION

---

The Fanimation Celano V2 ceiling fan is designed to provide efficient air circulation and integrated lighting for indoor spaces. This 52-inch fan features a dark bronze finish with cherry/dark walnut blades, an 18-watt LED light kit, and is operated via a handheld remote control. It offers three forward and reverse speeds for year-round comfort.

## 2. SAFETY INFORMATION

---

Read all instructions carefully before installation and use. Failure to follow these instructions may result in electric shock, fire, or personal injury.

- **Electrical Safety:** Always disconnect power at the main circuit breaker before attempting any installation, repair, or cleaning. Ensure all electrical connections comply with local codes and ordinances.
- **Mounting:** The fan must be mounted to a structurally sound ceiling joist or outlet box capable of supporting the fan's weight (approximately 17.86 pounds).
- **Blade Clearance:** Ensure there is adequate clearance between the fan blades and any obstacles, including walls and furniture.
- **Liquid Exposure:** Keep the fan and its electrical components away from liquids to prevent electric shock and damage.
- **Professional Installation:** If you are unfamiliar with electrical wiring or installation procedures, consult a qualified electrician.

## 3. PACKAGE CONTENTS

---

Verify that all components are present before beginning installation:

- Ceiling Fan Motor Assembly
- 5 Fan Blades (Cherry/Dark Walnut)
- Light Kit with Opal Glass Diffuser
- TR500 Handheld Remote Control (battery included)
- Downrod (4.5 inches)
- Mounting Bracket and Hardware
- Instruction Manual

## 4. SETUP AND INSTALLATION

---

This section outlines the general steps for installing your Celano V2 ceiling fan. Specific details and diagrams are typically found in the detailed installation guide provided in the product packaging.

### 4.1 Pre-Installation

- Turn off power at the circuit breaker.
- Ensure the mounting location is suitable for a ceiling fan and can support its weight.
- Unpack all components and inspect for any damage.

### 4.2 Mounting the Fan

1. Secure the mounting bracket to the ceiling outlet box and ceiling joist using appropriate hardware.
2. Assemble the downrod to the fan motor assembly.
3. Carefully lift the fan assembly and hang it from the mounting bracket.

### 4.3 Electrical Connections

- Connect the fan's electrical wires to the household wiring according to the wiring diagram in the full manual. Ensure all connections are secure.
- Proper grounding is essential for safety.

### 4.4 Attaching Blades and Light Kit

1. Attach the five fan blades to the motor housing using the provided screws.
2. Install the LED light kit to the bottom of the fan motor assembly.
3. Secure the opal glass diffuser to the light kit.

Once installation is complete, restore power at the circuit breaker and test the fan's operation.

## 5. OPERATION

---

The Celano V2 fan is controlled using the included TR500 handheld remote control.

### 5.1 Fan Speed Control

- Use the remote control to select one of three fan speeds (low, medium, high).
- The fan delivers airflow up to 5,596 cubic feet per minute.

## 5.2 Reversible Airflow

- The fan features a reversible airflow function, typically controlled via a switch on the fan housing or the remote.
- **Downward Airflow (Summer):** Creates a cooling breeze.
- **Upward Airflow (Winter):** Circulates warm air trapped near the ceiling.

## 5.3 Light Kit Operation

- The remote control operates the integrated 18-watt LED light kit.
- The light provides warm 3000K illumination with a high Color Rendering Index (CRI) of 90.
- A sleep timer function may be available on the remote for the light or fan.

## 5.4 Smart Home Compatibility

The Celano V2 is compatible with WiFi and Bluetooth smart home systems. Control units for smart home integration are sold separately.

## 6. MAINTENANCE

---

Regular maintenance ensures optimal performance and extends the life of your ceiling fan.

- **Cleaning:** Periodically clean the fan blades and motor housing with a soft, damp cloth. Do not use abrasive cleaners or solvents.
- **Blade Inspection:** Check fan blades for any cracks or damage. Ensure all blade screws are tight.
- **Light Kit:** The integrated LED light kit does not require bulb replacement. If the light fails, consult the troubleshooting section or contact support.
- **Dust Accumulation:** Dust can affect fan performance and appearance. Clean regularly.

## 7. TROUBLESHOOTING

---

If you experience issues with your Celano V2 ceiling fan, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Fan does not start	No power; loose wiring; remote control issue	Check circuit breaker; verify wiring connections; replace remote battery.
Light does not work	Loose wiring; remote control issue; LED driver failure	Check light kit wiring; replace remote battery; contact support if LED is faulty.
Fan wobbles excessively	Loose blades; uneven blade balance; improper mounting	Tighten all blade screws; use a balancing kit (not included); ensure mounting bracket is secure.
Noisy operation	Loose screws; motor issue; interference	Check all screws; ensure no wires are rubbing; contact support if motor noise persists.

## 8. SPECIFICATIONS

---

Feature	Detail
Brand	Fanimation

Feature	Detail
Model Name	Celano V2
Item Model Number	FP8062BDZ
Product Dimensions	52"D x 52"W x 14.71"H
Item Weight	17.86 Pounds
Number of Blades	5
Air Flow Capacity	3402 Cubic Feet Per Minute
Speed (Max)	5596 Cubic Feet Per Minute
Voltage	120 Volts
Wattage	38 watts
Type of Bulb	LED
Luminous Flux	1400 Lumen
Control Method	Remote
Downrod Length	4.5 Inches
Indoor/Outdoor Usage	Indoor
Motor Type	AC Induction
Finish Type	Painted (Dark Bronze)

## 9. WARRANTY AND SUPPORT

---

### 9.1 Warranty Information

The Fanimation Celano V2 ceiling fan comes with a **1 Year Manufacturer Warranty**. Please refer to the warranty card included with your product for specific terms and conditions, including coverage details and limitations.

### 9.2 Customer Support

For technical assistance, replacement parts, or warranty claims, please contact Fanimation customer support. Contact information can typically be found on the manufacturer's official website or in the product packaging.

When contacting support, please have your model number (FP8062BDZ) and purchase date available.
