LeapFrog 80-602210

LeapFrog LeapPad Academy Kids' Learning Tablet Instruction Manual

Model: 80-602210

INTRODUCTION

The LeapFrog LeapPad Academy is a learning tablet designed to inspire school success in children aged 3-8 years. It features a durable design with a shatter-safe screen and a protective bumper, making it suitable for young users. This tablet comes pre-loaded with educational apps and offers access to a vast library of learning content through LeapFrog Academy and the LeapFrog App Center.

What's in the Box

Upon unboxing your LeapFrog LeapPad Academy, you should find the following components:

- LeapPad Academy tablet
- Removable silicone bumper with kickstand
- Stylus
- USB charger and wall adapter
- Quick-start guide

Setup

1. **Charging the Tablet:** Before first use, fully charge the tablet using the provided USB charger and wall adapter. The rechargeable lithium-ion battery is included.

2. **Power On:** Press and hold the power button located on the side of the tablet until the LeapFrog logo appears on the screen.

3. **Initial Configuration:** Follow the on-screen prompts to set up your tablet. This includes connecting to Wi-Fi, creating parent and child profiles, and configuring parental controls.

4. **Parental Controls:** Access the parental control settings to manage time limits, approve websites via LeapSearch (LeapFrog's kid-friendly web browser), and control content access.

5. **LeapFrog Academy Trial:** Activate your free three-month trial of LeapFrog Academy, an interactive learning program that guides children through various educational activities.

OPERATING THE TABLET

Navigation and Apps

The LeapPad Academy features a user-friendly interface with large, colorful icons for easy navigation. Swipe left or right to browse through different pages of apps. The tablet includes 20 educator-approved apps covering reading, math, science, and creativity.

Using the Stylus

The included stylus is tethered to the tablet to prevent loss and allows for precise interaction with the touch screen. It is ideal for drawing, writing, and engaging with interactive learning games.

LeapSearch and App Center

Utilize LeapSearch, LeapFrog's kid-friendly web browser, to access pre-approved websites and videos. Additional content, including hundreds of games, apps, music, and videos, can be downloaded from the LeapFrog App Center (sold separately). Popular Android apps can also be downloaded.

MAINTENANCE

- **Cleaning:** Use a soft, dry cloth to clean the screen and exterior of the tablet. Avoid abrasive cleaners or solvents.

- **Battery Care:** To prolong battery life, avoid fully discharging the tablet frequently. Charge the tablet regularly. The rechargeable lithium-ion battery is designed for long-term use.

- **Protective Bumper:** The removable silicone bumper provides protection against drops and impacts.

Ensure it is properly fitted around the tablet for optimal protection.

TROUBLESHOOTING

- **Screen Issues:** If the screen displays lines, glitches, or is unresponsive, try restarting the tablet. If the issue persists, it may indicate hardware damage.

- **Battery Draining Quickly:** Ensure all unnecessary apps are closed when not in use. Adjust screen brightness to a lower setting. If battery life remains significantly short (e.g., less than 1 hour after a full charge), contact customer support.

- **Tablet Not Powering On:** Ensure the tablet is fully charged. If it still does not power on, try a different charging cable or adapter.
