# Baby Jogger City Mini GT2 All-Terrain Stroller Instruction Manual

Model: City Mini GT2 (2082767)

## 1. INTRODUCTION

Thank you for choosing the Baby Jogger City Mini GT2 All-Terrain Stroller. This manual provides important instructions for the safe assembly, operation, and maintenance of your stroller. Please read this manual thoroughly before using the product and retain it for future reference.

## 2. SAFETY INFORMATION

Your child's safety is paramount. Always follow these guidelines:

- Always secure your child with the 5-point harness.
- Never leave your child unattended in the stroller.
- Engage the parking brake whenever the stroller is stationary.
- Do not overload the storage basket (maximum capacity: 10 pounds).
- Ensure the stroller is fully open and locked before placing a child inside.
- The maximum weight recommendation for the stroller is 65 pounds.
- Refer to the official [Installation Manual \(PDF\)](#) for comprehensive safety warnings and instructions.

Figure 2.1: Always ensure the 5-point harness is properly fastened for your child's safety.

### 3. SETUP AND ASSEMBLY

---

The Baby Jogger City Mini GT2 Stroller is designed for straightforward assembly. For detailed, step-by-step instructions, please consult the official [Installation Manual \(PDF\)](#).

#### 3.1 Unfolding the Stroller

1. Place the folded stroller on a flat surface.
2. Release any locking mechanisms that secure the stroller in its folded position.
3. Lift the handlebar until the stroller frame fully extends and locks into place. Listen for a click to confirm it is securely locked.

#### 3.2 Attaching Wheels

Ensure all wheels are securely attached to the stroller frame. Refer to the PDF manual for specific instructions on wheel attachment, as this may vary slightly.

### 4. OPERATING INSTRUCTIONS

---

#### 4.1 Folding the Stroller

The City Mini GT2 features a signature one-hand compact fold:

1. Ensure the child is removed from the stroller.
2. Locate the 'PULL TO FOLD' strap in the seat.
3. Pull the strap firmly upwards. The stroller will fold compactly.
4. Secure the auto-lock to keep the stroller folded for transport or storage.

# **SIGNATURE ONE-HAND COMPACT FOLD**

Figure 4.1: The stroller folded compactly for easy storage and transport.

## **4.2 Engaging the Parking Brake**

The stroller is equipped with a hand-operated parking brake for convenient control.

- To engage the brake, push the lever located on the handlebar.
- To release, pull the lever. Always ensure the brake is fully engaged when the stroller is stationary.

# ***YOU'RE IN CONTROL***

with an adjustable handlebar and  
hand-operated parking brake

Figure 4.2: The hand-operated parking brake provides quick and easy control.

## **4.3 Adjusting the Handlebar**

The handlebar can be adjusted to suit the height of the user, providing comfortable steering.

- Locate the adjustment buttons or levers on either side of the handlebar.
- Press and hold the buttons/levers while moving the handlebar up or down to your desired height.
- Release the buttons/levers to lock the handlebar in position.

## **4.4 Adjusting Seat Recline and Calf Support**

The seat offers a near-flat recline and adjustable calf support for your child's comfort.

- **Seat Recline:** Use the recline strap or lever behind the seat to adjust the angle.
- **Calf Support:** Lift or lower the calf support mechanism located under the child's legs to the desired position.

Figure 4.3: The adjustable calf support provides comfort for your child.

#### **4.5 Canopy and Peek-a-Boo Window**

The UV 50+ canopy provides ample shade and protection. It includes a peek-a-boo window to check on your child without disturbing them.

- Extend the canopy fully for maximum coverage.
- Lift the flap on the peek-a-boo window to view your child.

Figure 4.4: The peek-a-boo window allows you to easily check on your child.

#### 4.6 Travel System Compatibility

The City Mini GT2 can be converted into a travel system. It includes an infant car seat adapter compatible with all Baby Jogger infant car seats. Adapters for other brands (Britax, Chicco, Clek, Cybex, Graco, Maxi Cosi, Peg

Perego, and UPPAbaby) are sold separately.

Figure 4.5: The stroller configured as a travel system with an infant car seat.

## 5. MAINTENANCE

---

### 5.1 Cleaning

To maintain the appearance and longevity of your stroller:

- Spot clean or wipe down fabric components with a damp cloth and mild soap.
- Do not use harsh abrasives or solvents.
- Periodically wipe the frame with a soft, damp cloth.

### 5.2 Wheel and Tire Care

The stroller features forever-air rubber tires that do not require inflation. Regularly check wheels for debris and ensure they spin freely.

## 6. TROUBLESHOOTING

---

If you encounter any issues with your Baby Jogger City Mini GT2 Stroller, consider the following general troubleshooting steps:

- **Stroller not folding/unfolding smoothly:** Ensure all locking mechanisms are disengaged before folding/unfolding. Check for any obstructions in the folding mechanism.
- **Wheels not turning freely:** Inspect wheels for debris (e.g., string, hair) and remove if present.
- **Brake not engaging:** Check for obstructions around the brake mechanism. Ensure the brake lever is fully depressed.

For persistent issues or specific problems, please refer to the detailed [Installation Manual \(PDF\)](#) or contact Baby Jogger customer support.
