Novogratz Weston Plant Stand

Model: 1970303COM

Introduction

Thank you for choosing the Novogratz Weston Plant Stand. This manual provides essential information for the safe and correct assembly, use, and maintenance of your new plant stand. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

Safety Warning:

- Do not exceed the weight limit of 5 lbs (2.27 kg) for the top two shelves and 15 lbs (6.82 kg) for the lower shelf to ensure stability and prevent accidents.
- Two adults are recommended for assembly to ensure safety and ease of construction.
- Always place heavier items on lower shelves to maintain balance.
- Ensure all screws and fasteners are securely tightened before use.

Package Contents

Your Novogratz Weston Plant Stand package should contain all necessary components for assembly. Please verify that all parts are present and undamaged before proceeding. The item ships in 1 box and includes 10 boards and the metal frame components.

Assembly Instructions

Assembly is straightforward and typically requires one adult. Follow the detailed steps provided in the assembly manual included with your purchase. A general overview of the assembly process is provided below and in the accompanying video.

Official assembly video for the Novogratz Weston Plant Stand, demonstrating the step-by-step construction process.

General Assembly Steps:

1. Unpack all components and lay them out on a clean, soft surface to prevent scratches.
2. Assemble the metal frame sections according to the diagrams in your manual, ensuring all connections are secure.
3. Attach the shelves to the assembled frame using the provided hardware. Ensure the shelves are oriented correctly.
4. Tighten all screws firmly, but do not overtighten to avoid damaging the materials.
5. Once assembled, gently lift and place the plant stand in its desired location.

Operating Instructions

The Novogratz Weston Plant Stand is designed for displaying potted plants and decorative items. To ensure optimal performance and safety:

- Place the plant stand on a flat, stable surface to prevent tipping.
- Distribute weight evenly across the shelves. Always place heavier plants or items on the lowest shelf.
- Adhere strictly to the weight limits: 5 lbs (2.27 kg) per small upper shelf and 15 lbs (6.82 kg) for the large lower shelf.
- Avoid placing the stand in direct sunlight for prolonged periods if it contains sensitive plants or items that may fade.

Maintenance and Care

To maintain the appearance and longevity of your plant stand:

- Wipe the surfaces with a dry cloth or duster regularly to remove dust and debris.
- Avoid using harsh chemicals, abrasive cleaners, or wet cloths, as these may damage the finish.
- Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.
- Protect the stand from excessive moisture and direct heat sources.

Troubleshooting

If you encounter any issues with your Novogratz Weston Plant Stand, consider the following:

- **Instability:** Ensure the stand is on a level surface. Check that all screws are fully tightened. Verify that weight distribution on the shelves adheres to the specified limits, with heavier items on lower shelves.
- **Missing Parts:** If any parts were missing upon delivery, please contact customer support immediately with your purchase details.
- **Damage:** If the product arrived damaged, please contact customer support for assistance.

Specifications

Model Name	Weston
Model Number	1970303COM
