Furinno Turn-N-Tube 4-Tier Multipurpose Shelf Display Rack (Model 99557LBL/WH) Instruction Manual

This manual provides detailed instructions for the assembly, use, and maintenance of your Furinno Turn-N-Tube 4-Tier Multipurpose Shelf Display Rack.

1. PRODUCT OVERVIEW

The Furinno Turn-N-Tube 4-Tier Multipurpose Shelf Display Rack is designed for versatile storage and display in various home environments. Its simple, tool-free assembly makes it a convenient solution for organizing books, decorative items, and other essentials. The sleek design with round support tubes offers a modern aesthetic while maximizing space efficiency.

2. SAFETY INFORMATION

- Keep away from naked flame or direct heat sources.
- A wall-anchor kit is included to prevent tipping over and wobbling. It is highly recommended to attach the shelf to the wall for added safety, especially in households with children or pets.
- Ensure all connections are securely tightened during assembly.
- Do not exceed the maximum weight capacity per shelf or for the entire unit.

3. PARTS LIST

Before beginning assembly, ensure all parts are present and undamaged. The package includes 15 pieces in total.

Component	Quantity	Description
Shelf Panels	4	Main display surfaces (Light Blue/White, Engineered Wood)
Support Tubes	8	Round plastic tubes connecting shelves
Base Feet	4	Bottom supports for the unit
Top Caps	4	Covers for the top support tubes
Wall Anchor Kit	1 set	Includes strap, screw, and wall plug for securing the unit

4. SETUP AND ASSEMBLY

The Furinno Turn-N-Tube shelf features a tool-free assembly process. The entire unit can typically be assembled within 10 minutes by one person.

Assembly Steps:

1. **Prepare the Base:** Place the first shelf panel on a flat, stable surface. Insert the four base feet into the designated holes on the underside of the panel by twisting them clockwise until secure.
2. **Attach First Layer of Tubes:** Screw the four support tubes into the top side of the first shelf panel, twisting clockwise until firmly in place.
3. **Add Subsequent Shelves:** Carefully align the next shelf panel over the top of the installed support tubes. Twist the shelf panel clockwise onto the tubes until it is securely fastened. Repeat this process for the remaining shelf panels and support tubes, building upwards.
4. **Install Top Caps:** Once all shelf panels and support tubes are in place, attach the top caps to the uppermost support tubes by twisting them clockwise.
5. **Secure to Wall (Recommended):** Use the provided wall-anchor kit to secure the assembled shelf to a wall. This prevents accidental tipping and enhances stability.

5. OPERATING AND USAGE

This 4-tier multipurpose shelf is designed for displaying and storing various items in your home or office. Each shelf provides 13.3 inches of clearance, suitable for books, storage bins, photo frames, and decorative objects.

- **Weight Capacity:** Each individual shelf can hold up to 30 lbs (13.6 kg). The total weight capacity for the entire unit is 120 lbs (54.4 kg). Distribute weight evenly across the shelves to maintain stability.
- **Recommended Uses:** Ideal for living rooms, bedrooms, dorms, home offices, bathrooms, and garages for general storage and display.

Figure 4: Dimensions and weight capacity details for the 4-tier shelf.

6. MAINTENANCE

To ensure the longevity and appearance of your shelf, follow these care instructions:

- **Cleaning:** Wipe clean with a soft, damp cloth.

- **Avoid Chemicals:** Do not use harsh chemicals or abrasive cleaners, as these can damage the laminated finish.
- **Spills:** Promptly wipe up any spills to prevent moisture damage.

Figure 5: The shelf features a water-resistant surface for easy cleaning.

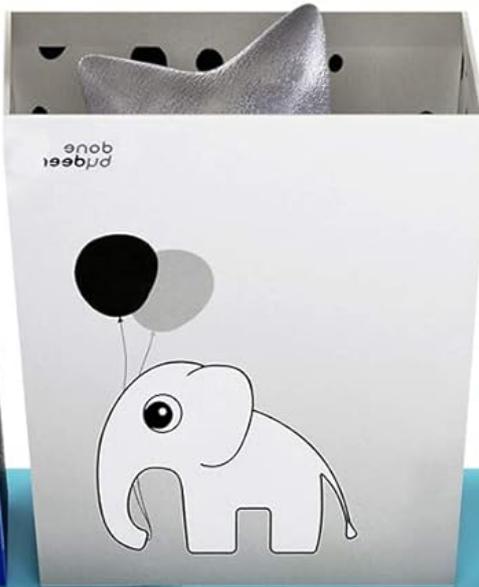

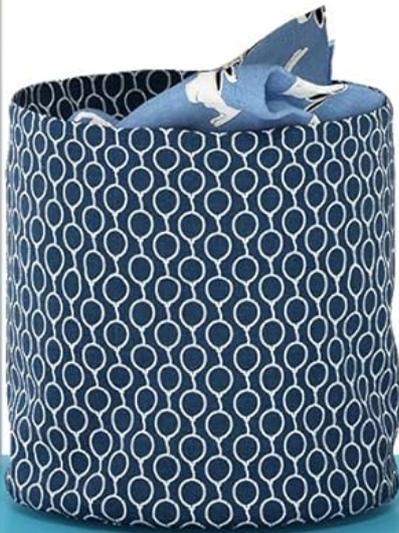

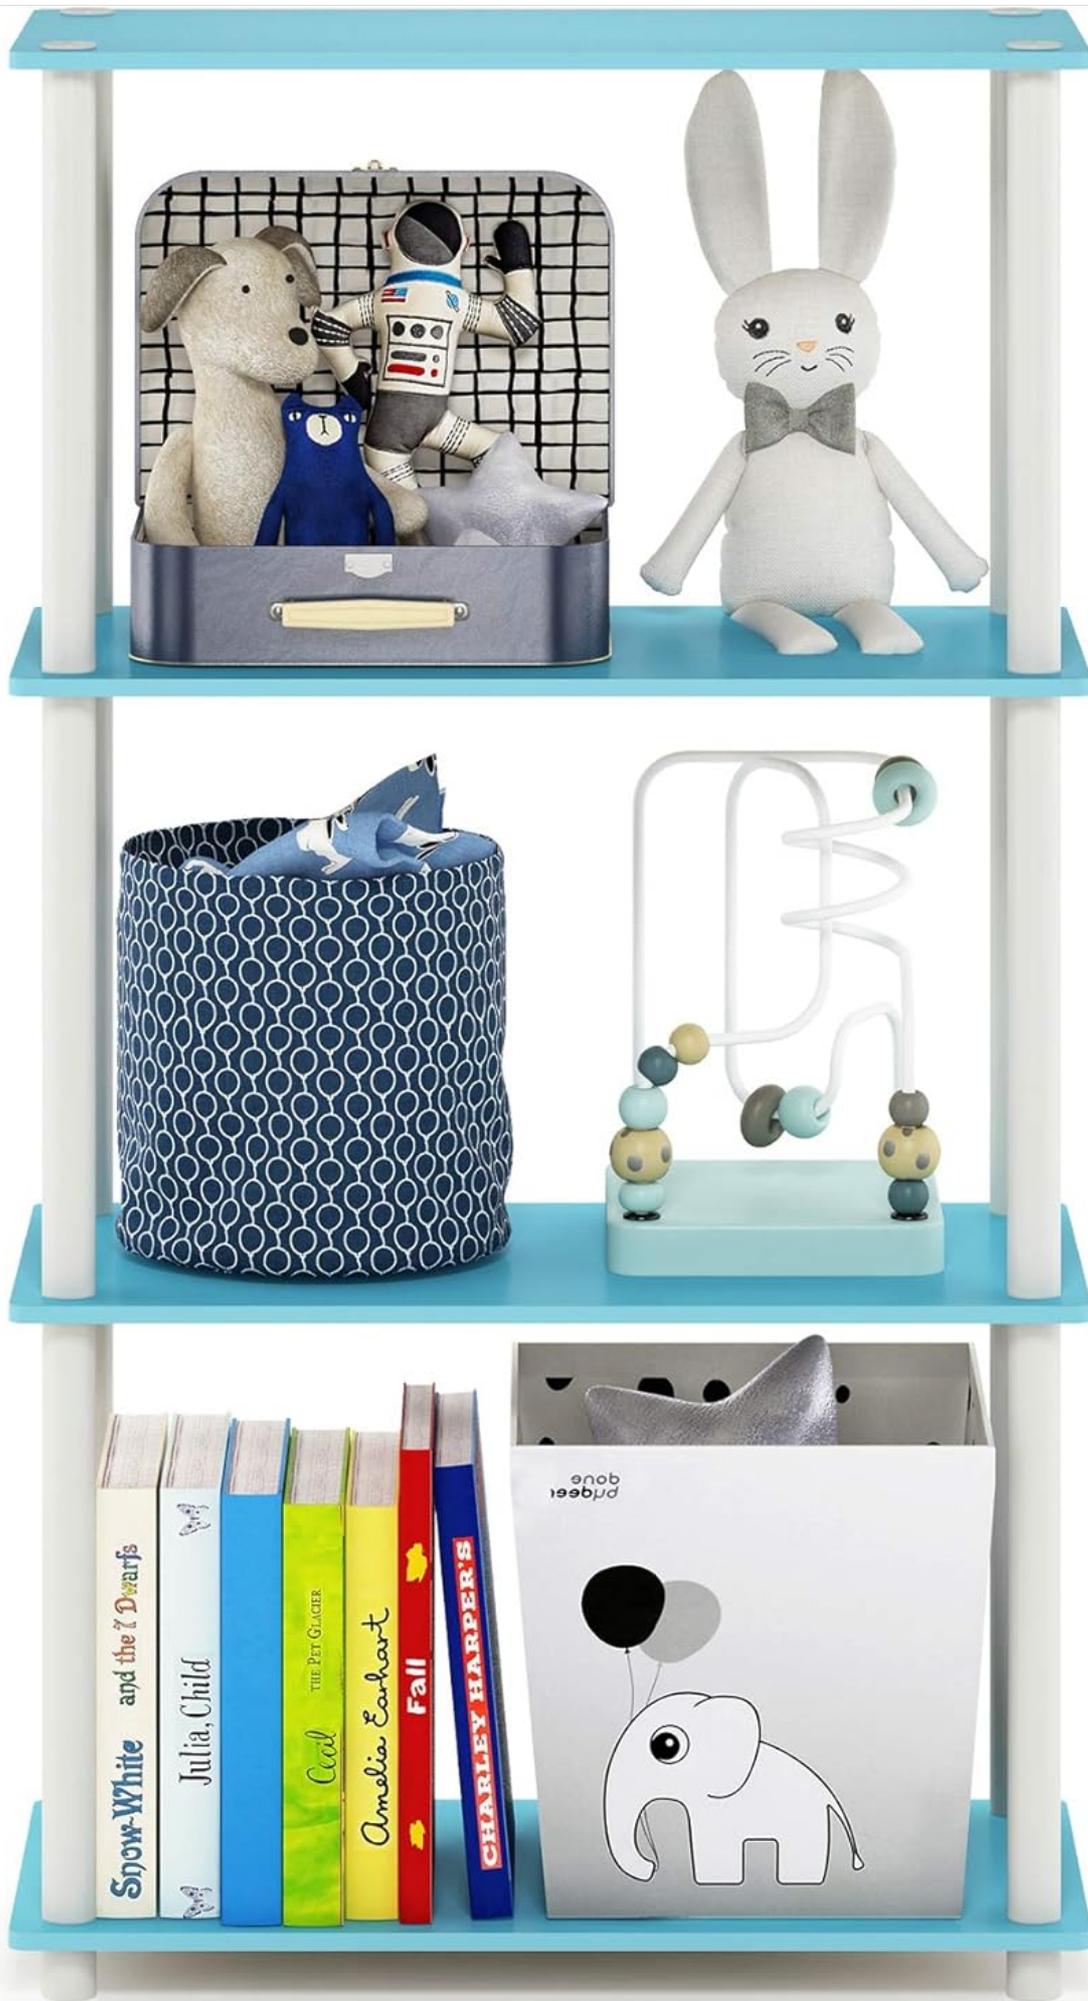

7. TROUBLESHOOTING

- **Wobbling:** If the shelf feels unstable, ensure all support tubes and shelf panels are twisted tightly. Verify that the unit is placed on a level surface. Utilize the included wall-anchor kit to secure the unit to a wall.
- **Missing Parts:** If any parts are missing or damaged upon arrival, please contact Furinno customer support for assistance.
- **Difficulty Assembling:** Review the assembly steps and videos provided. Ensure components are oriented correctly before twisting.

8. SPECIFICATIONS

Feature	Detail
Brand	Furinno
Model Name	Shelves
Item Model Number	99557LBL/WH
Color	Light Blue/White
Material	Engineered Wood (CARB2 Compliant)
Product Dimensions	11.69"D x 23.58"W x 43.27"H (29.7cm D x 59.9cm W x 110cm H)
