Smoby Cars XRS DIY Backpack Instruction Manual Model 360180

Brand: Smoby | Model: 360180

1. INTRODUCTION

Welcome to your Smoby Cars XRS DIY Backpack. This instruction manual provides essential information for the safe assembly, operation, and maintenance of your product. Please read this manual thoroughly before use and retain it for future reference.

Image 1.1: The Smoby Cars XRS DIY Backpack. This red and black backpack features Lightning McQueen from Disney Pixar Cars XRS. The backpack contains a buildable Lightning McQueen car, a screwdriver, and a pipe wrench. The design includes 'XRS XTREME RACING SERIES' text.

2. SAFETY INFORMATION

WARNING!

- Not suitable for children under 3 years of age.
- Minimum age for use: 36 months.

- Contains small parts. Choking hazard.
- Adult supervision is recommended during play.
- Keep packaging materials away from children to prevent suffocation.

3. PACKAGE CONTENTS

Please verify that all the following items are included in your package:

- 1 x Smoby Cars XRS Adjustable Backpack
- 1 x Screwdriver toy tool
- 1 x Pipe Wrench toy tool
- 1 x Buildable Lightning McQueen car

If any items are missing or damaged, please contact customer support.

4. SETUP: ASSEMBLING LIGHTNING MCQUEEN

Follow these steps to assemble your Lightning McQueen car:

1. Unpack all components of the buildable Lightning McQueen car from the backpack.
2. Identify the main body, wheels, and any other small parts.
3. Use the included screwdriver to attach the wheels to the car's chassis. Ensure they are securely fastened but can still rotate freely.
4. If there are any additional parts requiring the pipe wrench, use it to secure them according to the visual guides on the toy itself (if applicable).
5. Once all parts are assembled, ensure the car is stable and ready for play.

5. OPERATING INSTRUCTIONS

The Smoby Cars XRS DIY Backpack is designed for imaginative play and portability.

- **Using the Backpack:** The backpack features adjustable straps for comfortable carrying. Place the assembled Lightning McQueen car and tools inside the main compartment. Secure the zipper to keep contents safe during transport.
- **Playing with Tools:** The screwdriver and pipe wrench are toy tools designed for assembling and disassembling the Lightning McQueen car. They are not intended for use with real hardware. Encourage children to use the tools to practice their fine motor skills and engage in role-play as a mechanic.
- **Creative Play:** The backpack allows children to carry their favorite hero, Lightning McQueen, and his tools wherever they go, fostering creative and imaginative play scenarios.

6. MAINTENANCE

Proper care will extend the life of your Smoby Cars XRS DIY Backpack.

- **Cleaning:** Wipe the backpack and plastic components with a damp cloth and mild soap if necessary. Do not immerse the backpack in water. Allow all parts to air dry completely before storage.

- **Storage:** Store the backpack and its contents in a cool, dry place away from direct sunlight when not in use.
- **Inspection:** Periodically inspect the backpack, straps, and toy components for any signs of wear or damage. Discontinue use if any part is broken or compromised.

7. TROUBLESHOOTING

If you encounter any issues with your Smoby Cars XRS DIY Backpack, consider the following:

- **Missing Parts:** Refer to the "Package Contents" section to ensure all items were received. If parts are missing, contact customer support.
- **Difficulty Assembling Car:** Ensure you are using the correct tools (screwdriver for screws, pipe wrench for specific fittings if any) and applying gentle, firm pressure. Do not force parts together.
- **Backpack Strap Issues:** Check that the adjustable straps are threaded correctly through their buckles. Adjust for a comfortable fit.
