1. Introduction

The HABA Kullerbü Theme Set Scrap Yard (Model 304782) is an engaging wooden play set designed to expand your Kullerbü track system. This set introduces a unique scrap yard theme, allowing children to explore imaginative play scenarios involving vehicle breakdowns and repairs. It features a sophisticated tow truck, Anton, who transports vehicles to the scrap yard for processing.
This set is designed to be fully compatible and combinable with all other HABA Kullerbü play tracks, offering endless possibilities for creative construction and play.

2. What's in the Box

Carefully unpack all components and ensure all parts are present before beginning assembly. The HABA Kullerbü Theme Set Scrap Yard includes the following items:

- 1 x Tow Truck Anton
- 1 x Kullerbü Ball
- Various wooden and plastic track elements (e.g., straight tracks, curves, connectors)
- 1 x Scrap Yard Crane Play Piece

Figure 2.1: All components included in the HABA Kullerbü Theme Set Scrap Yard. This image displays the tow truck, a Kullerbü ball, various track pieces, and the scrap yard crane play piece.

3. Setup

Follow these steps to set up your Kullerbü Theme Set Scrap Yard:

1. **Unpack Components:** Remove all pieces from the packaging.
2. **Connect Track Pieces:** Use the provided connectors to link the wooden and plastic track elements. Ensure the connections are secure to create a stable track.
3. **Integrate Scrap Yard Piece:** Place the scrap yard crane play piece within your track layout. This piece can serve as a central point for imaginative play.
4. **Position Tow Truck:** Place Tow Truck Anton on the track. It is designed to transport other Kullerbü vehicles.
5. **Prepare Kullerbü Ball:** Place the Kullerbü ball at the start of your track or in designated areas for rolling.

Figure 3.1: An example of the HABA Kullerbü Theme Set Scrap Yard assembled and in use. The image shows a child interacting with the track and the tow truck.

4. Operating the Play Set

The Kullerbü Theme Set Scrap Yard encourages creative and imaginative play. Here are some ways to operate and interact with the set:

- **Tow Truck Anton:** Use Tow Truck Anton to simulate vehicle recovery. Other Kullerbü vehicles can be attached to Anton's tow hook and transported along the tracks to the scrap yard or workshop.
- **Scrap Yard Crane:** The scrap yard crane piece allows for interactive play. Position vehicles or other small items under the crane to simulate lifting and moving them.
- **Ball Rolling:** Place the Kullerbü ball at the start of the track and watch it roll through the various elements, including any ramps or curves you have set up.
- **Combine with Other Sets:** Integrate this theme set with other HABA Kullerbü sets to create larger, more complex track systems and expand play scenarios.

Figure 4.1: A detailed view of the scrap yard crane play piece. This wooden element features a crane design with a bear and mouse character, central to the scrap yard theme.

5. Maintenance

Proper care will ensure the longevity of your HABA Kullerbü Theme Set Scrap Yard:

- **Cleaning:** Wipe all wooden and plastic components with a damp cloth. Avoid using harsh chemical cleaners or abrasive materials, as these can damage the finish or materials.
- **Drying:** Ensure all parts are thoroughly dry before storing to prevent warping of wooden components or mold growth.
- **Storage:** Store the play set in a dry place, away from direct sunlight and extreme temperatures.
- **Inspection:** Periodically inspect all pieces for any signs of wear, damage, or loose parts. Discontinue use if any part is broken or poses a safety risk.

6. Troubleshooting

If you encounter any issues while playing with your Kullerbü set, consider the following:

- **Ball or Vehicle Not Rolling Smoothly:**
  - Check track connections to ensure they are securely fastened and aligned.
  - Ensure no debris is obstructing the track path.
  - Verify that the track is laid on a flat, stable surface.

- **Loose Connections:**
  - Press connectors firmly into place until they click or feel secure.
  - If a connector is damaged, it may need to be replaced. Contact HABA customer support.
- **Missing or Damaged Parts:**
  - Refer to the "What's in the Box" section to confirm all parts.
  - Contact HABA customer support for assistance with replacement parts.

7. Specifications

Feature	Detail
Product Dimensions	12.6 x 8.27 x 3.54 inches
Item Weight	1.29 pounds
ASIN	B07PRD2N4D
Item Model Number	304782
Manufacturer Recommended Age	24 months - 8 years
Release Date	October 1, 2019
Manufacturer	HABA

8. Warranty & Support

HABA products are manufactured with high-quality materials and craftsmanship. For specific warranty information regarding your Kullerbü Theme Set Scrap Yard, please refer to the warranty documentation included with your purchase or visit the official HABA website.
If you have any questions, require technical assistance, or need to report a missing or damaged part, please contact HABA customer support:

- **Website:** www.habausa.com (or your regional HABA website)
- **Contact Information:** Refer to the 'Contact Us' section on the HABA website for phone numbers and email addresses specific to your region.

Please have your product model number (304782) and purchase details ready when contacting support.
