MD Sports 18-inch Sisal Dartboard with Steel Tip Darts Instruction Manual

Model: DRB100_017M

1. INTRODUCTION

Thank you for choosing the MD Sports 18-inch Sisal Dartboard. This manual provides essential information for the proper setup, operation, and maintenance of your new dartboard. Please read these instructions carefully before use to ensure a safe and enjoyable experience.

2. SAFETY INFORMATION

- Always ensure the dartboard is securely mounted to a stable surface before playing.
- Use only steel-tip darts with this sisal dartboard.
- Keep darts out of reach of children when not in use.
- Ensure a clear throwing area, free from people, pets, or fragile objects.
- Do not throw darts at anyone or anything other than the dartboard.
- Inspect darts regularly for damage. Replace bent or broken tips and flights.

3. PACKAGE CONTENTS

Your MD Sports 18-inch Sisal Dartboard package includes the following items:

- 1x 18-inch Sisal Dartboard
- 6x 18g Steel Tip Darts (in 2 team colors)
- Mounting Hardware
- Instruction Manual

6 Steel Tip Darts with Flights - each dart weighs 18g

Figure 3.1: Included 18g Steel Tip Darts

The package contains six 18-gram steel tip darts, provided in two distinct team colors, allowing for immediate multi-player games.

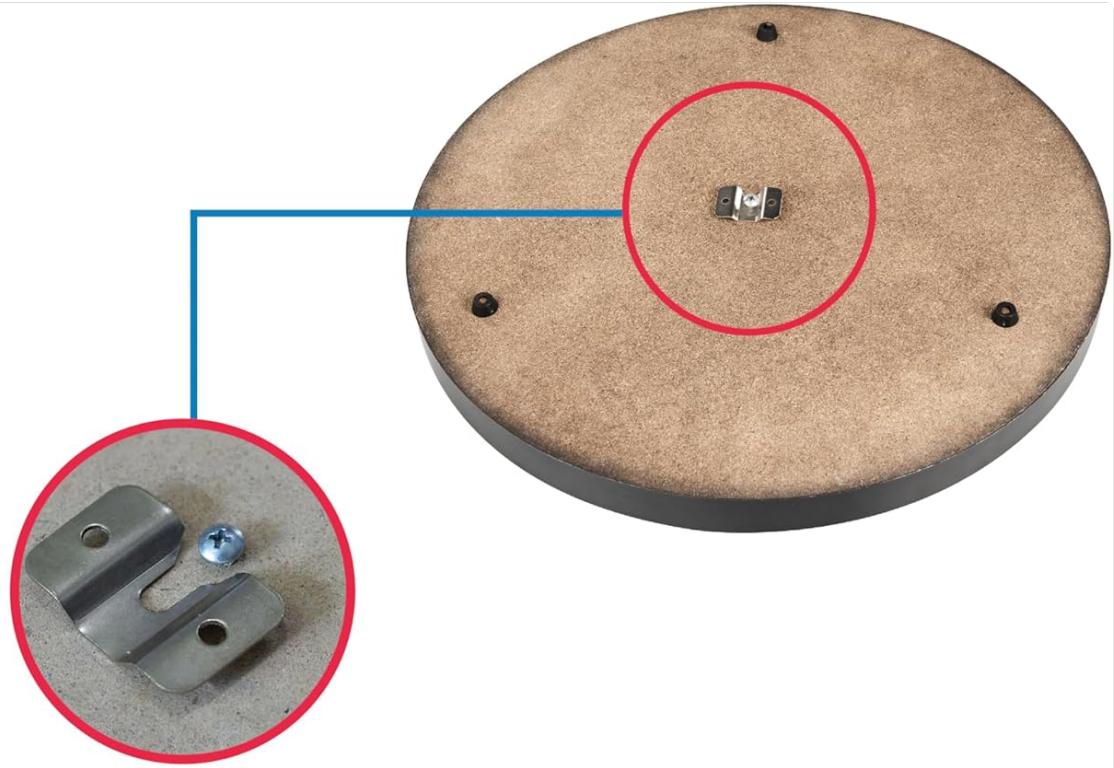

4. SETUP AND INSTALLATION

Proper installation is crucial for stability and adherence to official dart game standards.

4.1 Mounting the Dartboard

The MD Sports Sisal Dartboard is designed for wall mounting. Use the provided mounting hardware to secure the dartboard firmly.

- **Recommended Height:** The center of the bullseye should be 5 feet 8 inches (1.73 meters) from the floor.
- **Throwing Distance:** The standard throwing distance (oche) for steel-tip darts is 7 feet 9 1/4 inches (2.37 meters) from the face of the dartboard.

Mounts to Most Dartboard Cabinets or Walls - can be rotated when adjusting the number ring

MOUNTING HARDWARE

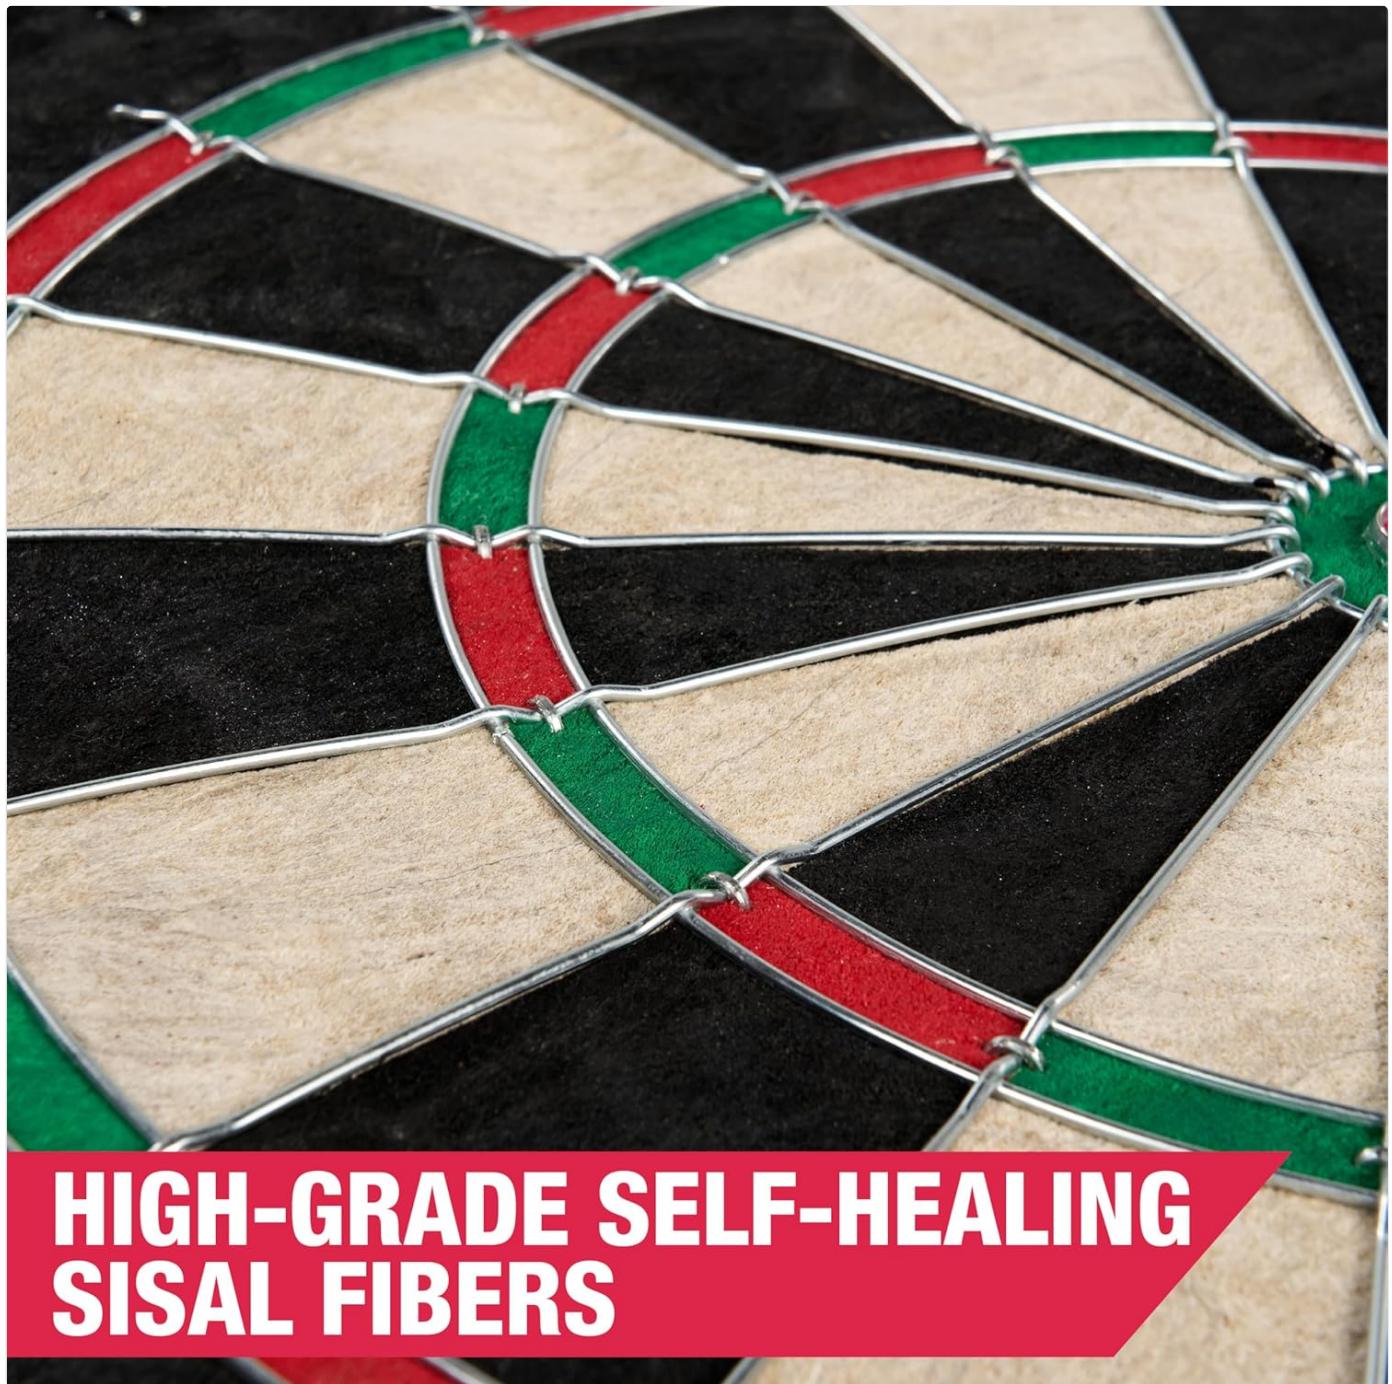

Figure 4.1: Mounting Hardware Detail

The dartboard includes specific mounting hardware, typically a U-shaped bracket and screws, designed to securely attach the board to a wall or cabinet. This allows the board to be rotated for even wear.

5. PRODUCT FEATURES

Your MD Sports Sisal Dartboard is engineered for durability and optimal performance:

- **High-Grade Self-Healing Sisal Fibers:** The dartboard is constructed from premium sisal fibers, which naturally compress and expand after dart removal, extending the board's lifespan and ensuring a consistent playing surface.
- **Staple-Free Bullseye:** Designed with a thin 1.6 mm steel wire and a staple-free bullseye, this feature significantly reduces bounce-outs and increases scoring potential.
- **Adjustable Steel Number Ring:** The outer steel number ring can be easily rotated. This allows you to periodically shift the high-scoring segments to different areas of the board, distributing wear and prolonging the dartboard's life.

HIGH-GRADE SELF-HEALING SISAL FIBERS

Figure 5.1: High-Grade Self-Healing Sisal Fibers

The sisal fibers are tightly packed, providing excellent dart retention and self-healing properties, crucial for longevity.

**1.6 mm Thick Steel
Wiring and
Staple-free Bullseye
help reduce
bounce-back**

STAPLE-FREE BULLSEYE

Figure 5.2: Staple-Free Bullseye and Thin Wiring

The thin 1.6 mm steel wire and staple-free bullseye minimize obstructions, allowing darts to penetrate the scoring areas more effectively.

**Steel Number Ring
can rotate to
increase dartboard
game life**

ADJUSTABLE STEEL NUMBER RING

Figure 5.3: Adjustable Steel Number Ring

The adjustable number ring allows players to rotate the board, ensuring even wear across all segments and extending the dartboard's playable life.

6. OPERATING INSTRUCTIONS

6.1 Playing Darts

This dartboard is designed for traditional steel-tip dart games. Common games include 301, 501, Cricket, and more. Scoring is typically done manually using a separate scoreboard or by keeping track mentally.

6.2 Maximizing Dartboard Life

To ensure even wear and prolong the life of your dartboard, regularly rotate the adjustable steel number ring. This shifts the high-scoring segments (like the 20, 19, and 18) to different areas of the board, preventing excessive wear in one spot.

7. MAINTENANCE

7.1 Dartboard Care

- **Rotation:** As mentioned, regularly rotate the number ring to distribute wear.
- **Cleaning:** Wipe the dartboard surface with a dry, soft cloth to remove dust. Avoid using water or chemical cleaners, as these can damage the sisal fibers.
- **Storage:** If not in use for extended periods, store the dartboard in a cool, dry place away from direct sunlight or extreme temperatures to prevent warping or drying out of the sisal.

7.2 Dart Care

- **Tip Sharpening:** Keep dart tips sharp to ensure they penetrate the board cleanly and reduce bounce-outs. Use a dart sharpener as needed.
- **Flight Maintenance:** Straighten bent flights or replace damaged ones to maintain dart accuracy.

8. TROUBLESHOOTING

- **Darts Not Sticking:** Ensure dart tips are sharp. If the board is new, it may be very dense; continued play will soften the fibers. If the board is old and heavily worn in one area, rotate the number ring.
- **Excessive Bounce-Outs:** This can be caused by dull dart tips or darts hitting the metal wiring. Sharpen tips and aim for the scoring areas between the wires.
- **Uneven Wear:** Regularly rotate the adjustable steel number ring to distribute dart impacts across the entire board surface.

9. SPECIFICATIONS

Feature	Specification
Brand	MD Sports
Model Name	18 in. Sisal (Dartboard)
Part Number	DRB100_017M
Material	Sisal, Metal, Plastic, Wood
Dartboard Diameter	18 inches
Dartboard Thickness	1.5 inches
Wiring	1.6 mm thin steel wire
Bullseye	Staple-free
Number Ring	Adjustable Steel
Included Darts	6x 18g Steel Tip Darts (2 team colors)
Item Weight	9.24 Pounds
UPC	821735630016

10. WARRANTY AND SUPPORT

For warranty information or technical support regarding your MD Sports 18-inch Sisal Dartboard, please refer to the contact details provided on the product packaging or visit the official MD Sports website. Keep your purchase receipt as

proof of purchase.
