MATEIN Electronics Organizer Travel Case User Manual

Model: 1225BLK

INTRODUCTION

This manual provides detailed instructions for the MATEIN Electronics Organizer Travel Case, designed to help you efficiently organize and protect your electronic accessories during travel or daily use. Please read this manual thoroughly to understand the full capabilities and proper care of your new organizer.

KEY FEATURES

- **Double Layers & Well Organized:** Designed with multiple pockets and various sizes of elastic bands, providing great flexibility for organizing electronics accessories such as USB Cable Cord, Flash Drive, Wall Charger, SD Card, Hard Drive, Power Bank, Earbuds, and Camera. Includes a large zipper mesh pocket suitable for tablets.
- **DIY & Large Capacity:** The gadget storage case has 3 removable padded dividers, allowing you to design the layout as you wish to keep all your electronic travel accessories in perfect order.
- **Compact & Portable:** With dimensions of 10.5 X 7.75 X 3.5 inches, this cord organizer is a perfect helper while you are on travel or business trips. Its ideal size allows it to be easily put into your backpack and luggage. It is also suitable for family use and daily organization.
- **Waterproof & Protected:** The cable case is made of waterproof and shockproof nylon material. Strong and heavy-duty material with padded foam around to protect all the contents inside against scratches, dust, impacts, and accidental dropping.
- **Travel Easier:** Designed with a sturdy handle for carrying everything you need easily. Smooth zippers make it easier to open and close the bag to get your charger, cable, or any other electronic accessories in a short time.

The MATEIN Electronics Organizer Travel Case features a double-layer design with various elastic bands and mesh pockets for efficient storage of USB cables, flash drives, wall chargers, SD cards, hard drives, power banks, earbuds, and cameras. A large zipper mesh pocket is suitable for tablets.

Size Comparison

Available in Medium (10.5 x 7.75 x 3.5 inches) and Large (12.4 x 10.04 x 3.94 inches) sizes, this organizer is designed to be compact and portable, fitting easily into backpacks and luggage.

The gadget storage case includes 3 removable padded dividers, allowing you to customize the internal layout to perfectly fit and organize your electronic accessories.

Constructed from waterproof and shockproof nylon material, the case provides robust protection against scratches, dust, impacts, and accidental drops.

DIY Your Own Combination As Your Wish

Equipped with a sturdy handle for easy carrying and smooth zippers for quick access to your items, making travel more convenient.

SETUP AND CUSTOMIZATION

The MATEIN Electronics Organizer is designed for flexible organization to suit your specific needs.

Utilizing Removable Dividers

The case comes with 3 removable padded dividers. These can be adjusted to create compartments of various sizes, allowing you to tailor the storage space to your specific electronic items. Simply attach or detach them using the hook-and-loop fasteners to fit larger devices like tablets or create smaller sections for cables and chargers.

Maximizing Storage

Utilize the elastic bands and mesh pockets on both layers to secure smaller items like USB drives, earbuds, and wall chargers. The large zipper mesh pocket is ideal for tablets or documents, keeping them secure and easily visible.

Usage Guidelines

Organizing Your Essentials

Place larger items such as power banks, external hard drives, or cameras in the main compartment, utilizing the adjustable dividers to prevent movement. Use the elastic loops and mesh pockets for cables, adapters, and smaller accessories to keep them untangled and easily accessible.

Travel and Daily Use

The compact design allows the organizer to fit seamlessly into backpacks, luggage, or even larger handbags. Its sturdy handle provides convenient portability for travel or daily commutes, ensuring your essentials are always within reach.

Care and Maintenance

The MATEIN Electronics Organizer is made from water-resistant and shockproof nylon, designed for durability and protection.

Cleaning

For minor spills or dirt, wipe the exterior with a damp cloth. For deeper cleaning, a mild soap solution can be used, followed by air drying. Do not machine wash or tumble dry, as this may damage the material and protective properties.

Storage

Store the organizer in a cool, dry place away from direct sunlight when not in use to maintain its material integrity and prolong its lifespan.

Troubleshooting

Zippers Sticking

If zippers become stiff or difficult to operate, apply a small amount of zipper lubricant or rub a graphite pencil lead along the teeth to smooth operation. Avoid forcing the zipper, which could cause damage.

Odor

A new product may have a slight factory odor upon unboxing. To dissipate any smells, air out the case in a well-ventilated area for a few days.
