Monster Jam Ship It & Flip It Transforming Playset

Model: 6054799 | Brand: Monster Jam

1. INTRODUCTION

The Monster Jam Ship It & Flip It Transforming Playset offers dynamic stunt action for your 1:64 scale Monster Jam trucks. This foldable and portable playset allows for exciting donut spins and backflips, replicating professional Monster Jam stunts. It includes an exclusive 1:64 scale Alien Invasion truck to begin your high-flying, gravity-defying adventures.

2. WHAT'S INCLUDED

- 1 Exclusive Monster Jam Alien Invasion 1:64 Die-Cast Truck
- 1 Foldable Playset
- 3 Ramps
- 1 Sticker Sheet
- 1 Truck Stand
- 1 Instruction Sheet

3. SETUP

1. **Unpack Components:** Carefully remove all items from the packaging. Refer to the included instruction sheet for a visual guide to all parts.
2. **Unfold the Playset:** Gently unfold the main playset unit. Ensure all hinges and locking mechanisms (if any) are securely in place to form the base structure.
3. **Attach Ramps:** Connect the three included ramps to their designated slots on the playset. The playset is designed with specific connection points for each ramp to ensure proper angle and stability for stunts.
4. **Apply Stickers:** Personalize your playset by applying the provided stickers according to the instruction

sheet or your preference.

5. **Prepare Truck Stand:** Assemble the truck stand if required, as per the instructions.

4. OPERATING INSTRUCTIONS

The playset offers two primary stunt modes: the Donut Spinner and Backflip Ramps.

4.1 Donut Stunt

1. Place your 1:64 scale Monster Jam truck (e.g., Alien Invasion) onto the fold-down ramp.
2. Launch the truck up the ramp towards the donut spinner located on top of the playset's container.
3. Aim for the center of the spinner to execute an epic donut stunt.

4.2 Backflip Stunts

1. Select one of the two included ramps designed for backflips. Each ramp offers a different angle for varied jump styles.
2. Position your Monster Jam truck at the base of the chosen ramp.

3. Launch the truck with sufficient speed and force to achieve an aerial backflip. Experiment with different launch speeds to master various backflip techniques.

5. MAINTENANCE

- **Cleaning:** Wipe the playset and trucks with a damp cloth to remove dust and dirt. Do not immerse in water.
- **Storage:** When not in use, fold the playset for compact storage. Ensure all components are dry before storing. Store in a cool, dry place away from direct sunlight.
- **Inspection:** Periodically check all parts for wear and tear. Discontinue use if any part is damaged.

6. TROUBLESHOOTING

- **Truck not launching:** Ensure the truck is correctly positioned on the ramp and launched with adequate force. Check for any obstructions on the ramp or playset surface.
- **Playset not folding/unfolding:** Verify that no parts are jammed or misaligned. Apply gentle pressure and check for any locking tabs that need to be engaged or disengaged.
- **Stunts not performing as expected:** Experiment with different launch angles and speeds. Ensure the playset is on a flat, stable surface.
