Under Armour Ignite IX Slide Women's Sandal Instruction Manual

Model: Ignite IX Slide

1. INTRODUCTION

This manual provides essential information for the proper use, care, and maintenance of your Under Armour Ignite IX Slide women's sandals. Please read these instructions carefully to ensure optimal comfort and longevity of your product.

2. PRODUCT FEATURES

- **Adjustable Strap:** Features a synthetic strap with soft foam underneath for a customizable and comfortable fit.
- **Performance 4D Foam Footbed:** Constructed with two layers of Performance 4D Foam for superior comfort and pressure elimination after physical activity.
- **Anatomical Contours:** Designed with anatomical contours to provide additional cushioning and support.
- **Re-engineered EVA Outsole:** Equipped with durable traction pods in the heel for lightweight cushioning and reliable grip.

3. USAGE INSTRUCTIONS

3.1 Wearing the Sandals

1. Open the adjustable strap.
2. Slide your foot into the sandal, ensuring your foot is centered on the contoured footbed.
3. Adjust the strap to achieve a secure yet comfortable fit. The strap should hold your foot gently without being too tight or too loose.

3.2 Intended Use

These sandals are designed for post-activity recovery, casual wear, and light outdoor use. The Performance 4D Foam footbed provides cushioning to help alleviate foot pressure.

4. MAINTENANCE AND CARE

4.1 Cleaning

- Wipe the sandals with a damp cloth and mild soap.
- Avoid using harsh chemicals or abrasive cleaners, as these can damage the materials.
- Rinse thoroughly with clean water.
- Allow the sandals to air dry completely away from direct heat or sunlight. Do not machine wash or tumble dry.

4.2 Storage

Store your sandals in a cool, dry place when not in use to maintain their shape and material integrity.

5. TROUBLESHOOTING

- **Discomfort or Poor Fit:** Ensure the adjustable strap is properly secured. If discomfort persists, verify that the sandal size is appropriate for your foot.
- **Reduced Cushioning:** Over time, cushioning materials may compress. Regular cleaning and proper storage can help maintain performance.
