QUASAR Extra Strong Anti-limescale Trigger 650 ml - Instruction Manual

Model: 9294

PRODUCT OVERVIEW

The QUASAR Extra Strong Anti-limescale Trigger 650 ml is a powerful cleaning product designed to effectively remove limescale deposits from various surfaces in your home. Its special formula ensures deep cleaning and a brilliant shine, making it ideal for bathrooms and kitchens.

This image shows the front of the QUASAR Extra Strong Anti-limescale spray bottle. It features the brand name 'QUASAR PULITO STELLARE' and 'ANTICALCARE EXTRA FORTE' prominently, along with icons indicating its sanitizing, anti-rust, and anti-drip properties, and 'PROFESSIONAL EFFICIENCY'.

SAFETY INFORMATION

WARNING: Causes serious eye irritation. Keep out of reach of children. Wear protective gloves and eye/face protection.

- **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention.
- **IF ON SKIN:** Wash with plenty of water.
- **IF SWALLOWED:** Call a POISON CENTER or doctor/physician if you feel unwell.

Store in a well-ventilated place. Keep container tightly closed.

Contains: Formic acid, C9-11 Pareth-8, D-Glucopyranose, oligomeric, decyl octyl glycosides.

ATTENTION:

- Do not mix with bleach or other cleaning products.
- Do not use on marble, natural stone, hot surfaces, damaged enamel, gold, silver, copper, brass, wood, colored laminates, satin glass, plasma screens, LCD, or painted surfaces.
- Test on a hidden area before use.
- Rinse thoroughly after use.
- Do not leave the product on surfaces for more than 5 minutes.

This image displays the back label of the QUASAR Anti-limescale spray. It includes detailed safety warnings regarding eye and skin contact, ingestion, and storage. It also lists ingredients and provides specific instructions on surfaces to avoid and the maximum contact time.

This image shows a side view of the QUASAR Anti-limescale bottle, highlighting another part of the label. It reiterates safety warnings, particularly for skin and eye contact, and provides contact information for REAL CHIMICA Srl, including an emergency number (800-929377) and website.

SETUP AND PREPARATION

- Ensure the area to be cleaned is well-ventilated.
- Wear appropriate protective gear, including gloves and eye protection, before handling the product.
- For first-time use or on delicate surfaces, test the product on a small, inconspicuous area to ensure compatibility and prevent damage.

OPERATING INSTRUCTIONS

Application

1. Spray the product directly onto the surface to be cleaned.
2. Allow the product to act for a few moments, but no longer than 5 minutes.
3. For stubborn limescale, you may need to gently scrub the area.
4. Rinse the surface thoroughly with water.

5. For a brilliant shine, wipe the surface with a clean, dry cloth.

Recommended Surfaces

- Showers
- Sinks
- Faucets

This image provides a close-up of the lower part of the back label, illustrating the recommended application areas for the anti-limescale spray. It shows clear icons for 'DOCCIA' (shower), 'LAVANDINI' (sinks), and 'RUBINETTI' (faucets), indicating its versatility for bathroom cleaning.

MAINTENANCE AND STORAGE

- After each use, ensure the trigger spray nozzle is clean and free of residue.
- Store the product in its original container, tightly closed, in a cool, dry, and well-ventilated place.
- Keep away from direct sunlight and extreme temperatures.
- Do not store near food, beverages, or animal feed.

TROUBLESHOOTING

Limescale not fully removed:

- Ensure the product was left on the surface for the recommended time (up to 5 minutes).

- For very thick or old limescale, a second application or gentle scrubbing may be required.
- Verify that the surface is suitable for this product (refer to "Surfaces to Avoid" in Safety Information).

Streaks or residue after rinsing:

- Ensure the surface was thoroughly rinsed with clean water.
- Wipe the surface dry with a clean, lint-free cloth after rinsing.
