3. SETUP

Follow these steps to prepare your game for play:

- 1. Assemble the Overworld:** Arrange the 16 Overworld tiles (Building and Monster Cards) face down in a 4x4 grid.
- 2. Resource Cubes:** Place the 64 wooden resource cubes (wood, stone, obsidian, emerald, diamond) near the playing area.
- 3. Weapon Tokens:** Shuffle the 36 weapon tokens and place them face down in a stack.
- 4. Player Boards & Characters:** Each player selects a player board, an experience counter, a character skin, and a game piece base. Assemble your character and place it on your player board.
- 5. Overview Cards:** Keep the 12 overview cards accessible for reference during the game.
- 6. Block Base & Support Structure:** Assemble the block base and support structure as indicated in the separate assembly instructions.

4. OPERATING & GAMEPLAY

The game is played over several rounds, with players taking turns to explore, mine, build, and fight. The objective is to earn the most experience points by building structures and defeating mobs.

Player Turn Overview:

On your turn, you can perform two actions from the following options:

- **Explore:** Flip over an adjacent Overworld tile to reveal new biomes or mobs.
- **Mine:** Collect resource cubes from revealed biomes.
- **Build:** Use collected resources to construct structures on your player board.
- **Fight:** Engage in combat with revealed mobs using weapon tokens.

Each action has specific rules and requirements detailed in the full instruction manual. Strategic planning is key to maximizing your experience points.

Game End:

The game ends when all 16 Overworld tiles have been explored or when a player has built their third structure. Players then tally their experience points from built structures, defeated mobs, and remaining resources. The player with the most experience points wins.

5. GAME COMPONENTS DETAILS

Understanding your game pieces is crucial for effective play:

- **Resource Cubes:** These represent different materials (wood, stone, etc.) used for building.

- **Building and Monster Cards:** These tiles form the Overworld grid and reveal biomes for mining or mobs for fighting.
- **Weapon Tokens:** Used during combat with mobs. Different tokens offer varying combat strengths.
- **Player Boards:** Your personal area to track resources, experience, and built structures.
- **Character Skins:** Unique player avatars for the game.
