Zinus SmartBase Foldable Metal Bed Frame SBBK

ZINUS SmartBase Foldable Metal Bed Frame User Manual

Model: SBBK

Introduction

Thank you for purchasing the ZINUS SmartBase Foldable Metal Bed Frame. This manual provides important information regarding the assembly, operation, maintenance, and safety of your new bed frame. Please read it thoroughly before use and retain it for future reference.
The SmartBase series offers a simple, durable, and stable design, featuring easy, tool-free assembly. It is designed to maximize stability with multiple support legs and protective caps for silent operation.

Safety Warnings

- To ensure longer product life and prevent damage, always use a mattress with a thickness of **15 cm (6 inches) or more**.
- Do not use a futon directly on the bed frame. Direct body pressure on the bed slats when using a futon may lead to damage to the frame.
- **Do not jump on the bed frame.** Concentrated load on a single point can cause damage to the frame and lead to unexpected accidents or injuries.
- Assembly should be performed by **two or more adults**.
- During assembly, ensure sufficient space and protect the floor surface with a mat or similar covering to prevent scratches.
- This product is intended for household furniture use only. Do not use it for purposes other than its original intent.

Setup and Assembly

Your ZINUS SmartBase bed frame is designed for quick and easy assembly, requiring no additional tools. The estimated assembly time is 10-20 minutes with two or more adults.

Package Contents

Before beginning assembly, please verify that all parts are present and undamaged. Some screw parts may be pre-

attached to the main unit for your convenience. Please check these in advance.

Assembly Steps

1. Carefully remove all components from the packaging. Lay them out on a protected surface to avoid scratching your floor or the frame.
2. Unfold the main frame sections. The SmartBase design allows the frame to unfold easily.
3. Align the connecting points of the frame sections and secure them. Follow the visual instructions provided in the included quick guide.
4. Ensure all legs are fully extended and locked into place. The protective caps on the legs help with stability and noise reduction.
5. Once assembled, carefully place your mattress (minimum 15cm thickness) onto the bed frame.

Operating Instructions

The ZINUS SmartBase bed frame is designed for optimal support and comfort when used with an appropriate mattress.

Mattress Compatibility

For best performance and longevity of your bed frame, use a mattress that is at least 15 cm (6 inches) thick. This ensures proper weight distribution and prevents undue stress on the frame's slats.

Under-Bed Storage

The SmartBase bed frame provides ample under-bed storage space, with a height of 32.9 cm (approximately 12.9 inches). This space can be utilized for storing various items, helping to keep your room tidy.

Folding for Storage

When not in use or for moving, the bed frame can be easily folded for compact storage, saving space.

Maintenance

Proper maintenance will help extend the life of your ZINUS SmartBase bed frame.

- **Cleaning:** Wipe the metal frame with a dry cloth. Avoid using harsh chemicals or abrasive cleaners that could damage the finish.
- **Regular Checks:** Periodically check all connections and ensure they remain secure. Tighten any loose bolts or screws if necessary.
- **Weight Distribution:** Ensure weight is evenly distributed across the bed frame. Avoid placing excessive weight on specific areas.

Troubleshooting

If you encounter any issues with your ZINUS SmartBase bed frame, please refer to the following common troubleshooting

tips:

- **Squeaking Noises:**
  - Ensure all bolts and connections are securely tightened. Loose connections are a common cause of squeaking.
  - Verify that the protective caps on the legs are properly seated. These are designed to reduce noise.
- **Instability/Wobbling:**
  - Check that the bed frame is placed on a flat, level surface.
  - Confirm that all legs are fully extended and locked into their upright position.
- **Damage to Slats/Frame:**
  - Review the safety warnings regarding mattress thickness and avoiding jumping or concentrated loads. Damage from improper use is not covered under warranty.

If the issue persists after attempting these steps, please contact ZINUS customer support.

Specifications

Feature	Detail
Model	SBBK
Color	Black
Size (Single)	97 cm (W) x 195 cm (D) x 35 cm (H)
