# LEGO Friends Dolphins Rescue Mission 41378 Building Kit Instruction Manual

Model: 41378 | Brand: LEGO

## INTRODUCTION

---

This manual provides instructions for assembling and interacting with the LEGO Friends Dolphins Rescue Mission 41378 building kit. This set allows for an underwater rescue mission scenario featuring a toy submarine, a shipwreck, and sea creatures. It includes 363 pieces and is designed for builders aged 6 and up.

## ASSEMBLY INSTRUCTIONS

---

Follow the step-by-step instructions provided in the included building guide to construct the LEGO Friends Dolphins Rescue Mission set. Ensure all pieces are correctly connected for stability.

### Key Components:

- **Toy Submarine:** Designed to fit one mini-doll figure and features a grabbing hook.
- **Shipwreck:** Includes a hinged mast and a secret compartment for a gem-filled treasure chest.
- **Sea Creatures:** Two dolphin figures are included.
- **Mini-doll Figures:** Stephanie and Kacey.
- **Water-Reactive Treasure Map:** Reveals secret information when brushed with water.

## OPERATING FEATURES

---

### Submarine Operation

The toy submarine is designed for underwater exploration. Place a mini-doll figure inside the cockpit. Use the articulated grabbing hook to interact with objects, such as lifting the shipwreck's mast or retrieving the treasure chest.

### Shipwreck Interaction

The shipwreck features a hinged mast that can be moved. Discover the secret compartment to find the gem-filled treasure chest.

### Water-Reactive Treasure Map

The included textile treasure map reveals hidden details when it comes into contact with water. Dip it gently in water to uncover the secret information.

## MAINTENANCE AND CARE

---

- **Cleaning:** To clean LEGO bricks, use mild soap and lukewarm water. Avoid hot water or harsh chemicals, as these can damage the plastic.

- **Storage:** Store LEGO bricks in a clean, dry place away from direct sunlight to prevent discoloration and warping.
- **Small Parts:** This set contains small parts. Keep them away from young children to prevent choking hazards.

## TROUBLESHOOTING

---

### Missing Pieces

If you find any missing pieces, please contact LEGO Customer Service directly through their official website. Provide the set number (41378) and the part number(s) from the instruction manual.

### Difficulty Assembling

Review the building instructions carefully. Ensure all bricks are oriented correctly and firmly pressed together. Online building guides and instructional videos may also be available on the LEGO website.
