BRIO 33960

BRIO World 33960 - Safari Adventure Set Instruction Manual

Model: 33960

Brand: BRIO

INTRODUCTION

The BRIO World 33960 Safari Adventure Set is designed to stimulate imagination and creative thinking through safari-themed role-play. This set allows children to explore the savannah and observe wild animals in their natural setting. It is made from 100% FSC-certified wood from sustainably managed forests, promoting responsible forestry. The set is fully compatible with all other BRIO World railway systems, allowing for expanded play possibilities.

- 2 Wagons
- 1 Ranger Figure
- 3 Animal Figures (Lion, Giraffe, Elephant)
- Wooden Tracks (various segments)
- Mountain Track Supports
- 1 Switch Track
- 1 Wooden Tree
- 1 Camera Accessory
- 1 Care Bag Accessory

26

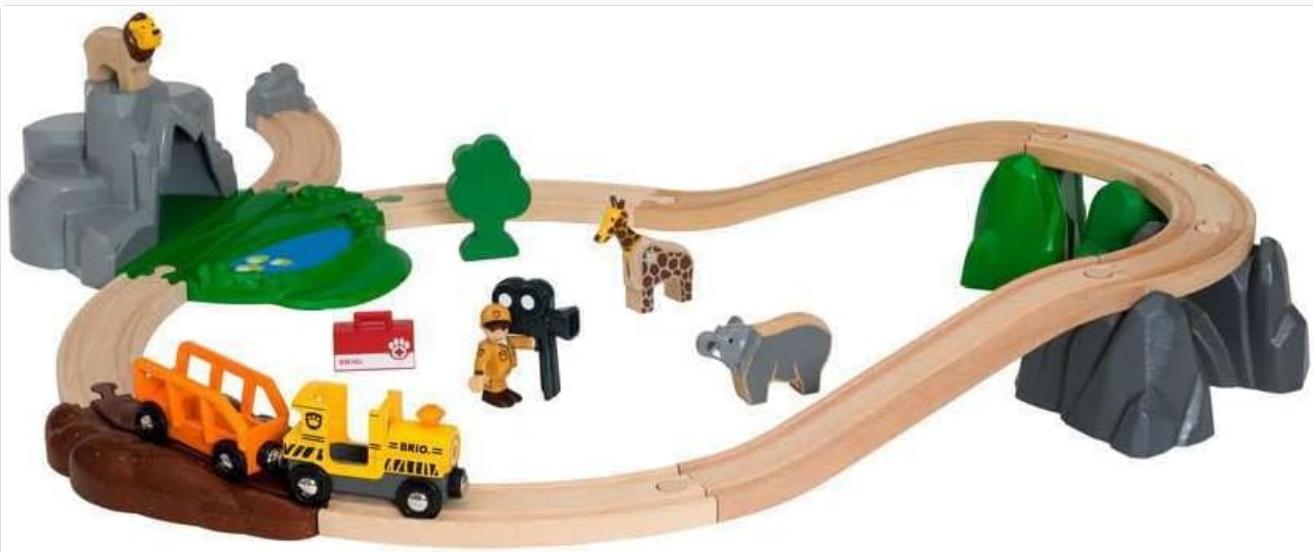

PIECES

This image provides a detailed view of all 26 components included in the Safari Adventure Set. It shows various wooden track segments, the safari engine, an animal wagon, a ranger figure, a camera, a care bag, and the wooden animal figures (lion, giraffe, elephant), along with mountain track supports, a switch track, and a wooden tree.

SETUP AND ASSEMBLY

To begin your safari adventure, connect the wooden track pieces to form your desired layout. The track pieces are designed for easy interlocking, allowing for various configurations. Use the mountain track supports to create elevated sections and the switch track to introduce branching paths. Place the landscape elements such as the cave, watering hole, and wooden tree to enhance the safari environment.

This image displays the complete BRIO World Safari Adventure Set, showcasing the assembled wooden track, the safari train with its wagons, and various animal figures including a lion, giraffe, and elephant, integrated into the landscape elements like a cave and a watering hole.

This video provides a brief overview of the BRIO World Safari Adventure Set, demonstrating its key features, components, and how the train and animals interact within the track layout.

OPERATING INSTRUCTIONS AND PLAY SCENARIOS

Place the safari engine and wagons onto the track. The wagons are designed to carry the animal figures, allowing for dynamic transport scenarios. Position the ranger figure in the engine or near the animals to create engaging narratives. The animal figures, such as the lion, giraffe, and elephant, can be placed around the track, in the wagons, or interacting with the landscape elements like the cave or watering hole. Encourage imaginative play by creating stories about the animals and the ranger's adventures.

A close-up of the yellow safari engine with the ranger figure seated in the driver's compartment, ready to embark on an adventure.

This image shows the wooden elephant figure being transported in one of the orange animal wagons, demonstrating how the animals can be moved around the safari track.

A dynamic image of the wooden giraffe figure, showing its head and neck articulated to allow for movement, enhancing interactive play.

The wooden lion figure is depicted emerging from or resting within a grey cave structure, which is part of the track's landscape, adding to the safari theme.

SAFETY INFORMATION

No warning applicable.

CARE AND MAINTENANCE

To ensure the longevity of your BRIO World Safari Adventure Set, wipe wooden and plastic components with a damp cloth as needed. Avoid submerging wooden parts in water. Store the set in a dry place away from direct sunlight to prevent warping or fading. Regularly check for any loose or damaged parts to ensure continued safe play.

SPECIFICATIONS

- **Product Dimensions:** 13.39 x 13.39 x 4.72 inches
- **Item Weight:** 2.06 pounds
- **ASIN:** B07Q2W617C
- **Item Model Number:** 33960
- **Manufacturer Recommended Age:** 36 months - 10 years

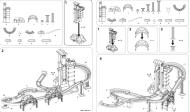

- **Release Date:** January 1, 2020
- **Manufacturer:** BRIO

WARRANTY AND SUPPORT

For information regarding warranty coverage, product support, or replacement parts, please refer to the official BRIO website or contact their customer service directly. Keep your purchase receipt as proof of purchase.
