LEGO Star Wars AT-ST Raider 75254 Building Kit Instruction Manual

Model: 75254

INTRODUCTION

Welcome to the official instruction manual for your LEGO Star Wars AT-ST Raider 75254 Building Kit. This manual provides essential information for assembling, operating, and maintaining your model. Designed for builders aged 8 and up, this 540-piece set allows you to recreate scenes from the Star Wars TV series, The Mandalorian.

Please read through these instructions carefully to ensure a successful and enjoyable building experience.

PRODUCT OVERVIEW

The LEGO Star Wars AT-ST Raider 75254 is a detailed brick-built model inspired by the walker from The Mandalorian series. It features a unique cannibalized look and includes several interactive elements.

Key Features:

- Jointed posable legs for dynamic display and play.
- Turning turret that opens to reveal a detailed interior.
- Space inside the turret to seat a minifigure.
- Two firing shooters for interactive play.
- Includes four LEGO Star Wars minifigures: The Mandalorian, Cara Dune, and two Klatooinian Raiders.
- Comes with three blaster rifles and one blaster accessory.

What's in the Box:

- LEGO Building Elements (540 pieces)

- Instruction Booklet
- Sticker Sheet (if applicable, for detailed markings)

SETUP AND ASSEMBLY

Assembly of the LEGO Star Wars AT-ST Raider 75254 requires careful attention to the included instruction booklet. Follow the step-by-step visual guide provided in the physical manual that accompanies your kit.

1. **Unpack Components:** Carefully open the box and sort the LEGO bags. It is recommended to organize pieces by color or type to facilitate the building process.
2. **Follow Instructions:** Refer to the numbered steps in your instruction booklet. Each step illustrates which pieces are needed and where they should be placed.
3. **Connect Pieces Securely:** Ensure all LEGO bricks are firmly pressed together to create a stable structure.
4. **Apply Stickers:** If your set includes a sticker sheet, apply them precisely as indicated in the instructions for accurate detailing.
5. **Assemble Minifigures:** Construct the included minifigures according to their individual instructions.

The building process is designed to be intuitive, but taking your time and double-checking each step will prevent errors.

OPERATING FEATURES

Once assembled, your AT-ST Raider model offers several interactive features for play and display:

- **Posable Legs:** Gently adjust the AT-ST's legs at their joints to create various walking or standing poses. Avoid excessive force to prevent damage.

- **Turning Turret:** The main cockpit turret can be rotated 360 degrees. Grasp the turret gently and turn it to position the weapons as desired.
- **Opening Cockpit:** The top hatch of the turret opens, allowing you to place one of the minifigures inside the detailed cockpit.
- **Firing Shooters:** The two spring-loaded shooters located on the front of the turret can launch small projectiles. Load the projectiles into the launchers and press the trigger mechanism to fire. Ensure no one is in the direct path of the projectiles.

MAINTENANCE

Proper care will ensure the longevity of your LEGO model.

- **Cleaning:** To clean your LEGO bricks, use a mild soap solution and lukewarm water. Gently scrub with a soft brush or cloth. Rinse thoroughly with clear water and air dry. Avoid hot water or harsh chemicals, as these can damage the plastic.
- **Storage:** Store your assembled model or loose bricks in a cool, dry place away from direct sunlight to prevent discoloration and warping.
- **Disassembly:** If disassembling the model, do so carefully to avoid stressing or breaking individual pieces.

TROUBLESHOOTING

Most issues with LEGO sets can be resolved by carefully reviewing the assembly steps.

- **Missing Pieces:** If you discover a missing piece, please refer to the LEGO Customer Service website for assistance. They offer a service for requesting replacement parts.
- **Assembly Difficulties:** If a section of the model does not seem to fit correctly, re-examine the previous steps in the instruction booklet. Ensure all pieces are oriented correctly and fully connected.
- **Loose Connections:** If parts feel loose, ensure they are fully pressed together. Sometimes, a slight adjustment can secure the connection.

SPECIFICATIONS

Attribute	Detail
Brand	LEGO
Model Number	75254
Product Name	Star Wars AT-ST Raider Building Kit
Number of Pieces	540
Recommended Age	8 years and up
Product Dimensions	10.32 x 15.04 x 2.78 inches (Box)
Assembled Dimensions	Over 9" (25cm) high, 5" (15cm) long and 5" (13cm) wide
Item Weight	1.29 pounds
Release Date	October 3, 2019

SAFETY INFORMATION

LEGO building kits contain small parts and are not suitable for children under 3 years of age due to choking hazards. Adult supervision is recommended during assembly and play, especially for younger users within the recommended age range.

Always ensure that projectiles from the firing shooters are aimed away from faces and eyes. Do not modify the firing mechanism or projectiles.

WARRANTY AND SUPPORT

LEGO products are manufactured to high-quality standards. For any issues regarding missing parts, defective elements, or general inquiries, please contact LEGO Customer Service directly.

You can find support and contact information on the official LEGO website: www.lego.com/service

Please have your model number (75254) and purchase details available when contacting support.
