Safety Information

For your safety and to prevent damage to the product, please observe the following guidelines:

- Ensure proper anchoring for items over 30 pounds.
- Use the desk in stable, low foot traffic areas to prevent accidental tipping.
- Do not overload the desk beyond its recommended weight capacity of 50 kg (approximately 110 lbs).
- Keep small parts away from children during assembly.

Setup and Assembly

The SHW Mission Desk is designed for quick and simple assembly. It is recommended that two people assemble this product.

Before You Begin:

- Unpack all components and verify against the parts list (not explicitly provided, refer to included hardware).
- Ensure you have a clear, spacious area for assembly.
- Keep all hardware organized.

Assembly Steps:

1. **Attach Legs to Desktop:** Align the desk legs with the pre-drilled holes on the underside of the desktop.
2. **Secure Connections:** Push the leg frames firmly into the desktop connectors.
3. **Tighten Screws:** Use the provided screws and tools to securely fasten the legs to the desktop. Ensure all screws are tightened for stability.

Operating the Desk

The SHW Mission Desk is a static piece of furniture designed to provide a stable work surface. Once assembled, it requires no specific 'operation' beyond its intended use as a desk.

Usage Recommendations:

- Place monitors, laptops, and other office equipment evenly across the spacious 48-inch desktop.
- Utilize the ample surface area for documents, books, and personal items.
- Pair with an ergonomic chair for optimal comfort during extended use.

Maintenance

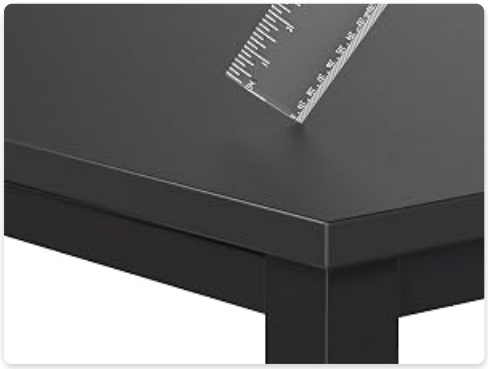

To maintain the appearance and durability of your SHW Mission Desk, follow these simple care instructions:

- **Cleaning:** Wipe the desk surface with a damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Spills:** The engineered wood top is designed to be waterproof. In case of spills, wipe them immediately to prevent water damage or staining.
- **Protection:** The desktop features a scratch-resistant design. However, using coasters for drinks and pads under heavy or sharp objects is recommended to prolong its pristine condition.

- **Stability:** Periodically check and tighten all screws to ensure the desk remains stable.

The desk surface is designed to be waterproof, allowing for easy cleanup of spills.

The desk surface is scratch-resistant, providing durability for daily use.

Troubleshooting

Most issues with the SHW Mission Desk can be resolved with simple adjustments.

Common Issues and Solutions:

- **Wobbling:** If the desk feels unstable, check all connection points and tighten any loose screws. Ensure the desk is placed on a level surface. The anti-skid pads on the legs help maintain stability.
- **Scratches/Dents:** While the desk is scratch-resistant, minor surface imperfections can occur. For deeper scratches, consider using a furniture repair marker that matches the espresso finish.
- **Missing Parts:** If you find any parts missing upon unboxing, please contact SHW customer support immediately for assistance.

Anti-skid pads on the desk legs help prevent wobbling and protect your floors.
