INFANS 608564973084

INFANS 2-in-1 Baby Stroller Instruction Manual

Model: 608564973084

Brand: INFANS

INTRODUCTION

Thank you for choosing the INFANS 2-in-1 Baby Stroller. This manual provides essential information for the safe assembly, operation, and maintenance of your stroller. Please read it thoroughly before use and retain it for future reference.

Image: The INFANS 2-in-1 Baby Stroller in pink, illustrating its versatility as both a traditional stroller seat and a bassinet pram.

SAFETY INFORMATION

- Always secure your child with the 5-point safety harness.
- Never leave your child unattended in the stroller.
- Ensure the stroller is fully open and locked before placing a child inside.
- Do not overload the storage basket; adhere to the maximum weight capacity of 50 pounds.
- Engage the rear wheel brakes when the stroller is stationary.
- Avoid hanging bags on the handle, as this can cause the stroller to tip.
- This stroller is designed for children from 0 to 3 years old, with a maximum weight recommendation of 50 pounds.

COMPONENTS LIST

The package includes the following items:

- Baby Stroller Frame
- 2-in-1 Seat/Bassinet Unit
- Adjustable Canopy
- Foot Cover
- Cup Holder
- Instruction Manual

SETUP INSTRUCTIONS

1. Unfolding the Stroller Frame

1. Place the folded stroller on a flat surface.
2. Release any locking mechanisms holding the frame in the folded position.
3. Lift the handlebar and pull upwards until the frame clicks into its fully open and locked position. Ensure all locking indicators are engaged.

2. Attaching the Wheels

1. Insert the front wheels into their designated slots on the front legs of the stroller until they click securely.
2. Attach the rear wheels to the rear axle, ensuring they are firmly in place.

3. Installing the Seat/Bassinet Unit

1. Align the connectors on the seat/bassinet unit with the mounting points on the stroller frame.
2. Press down firmly until the unit clicks into place. Verify it is securely attached by gently pulling upwards.
3. To reverse the seat direction, press the release buttons on both sides of the seat unit, lift, rotate, and re-attach until it clicks.

4. Attaching the Canopy and Accessories

1. Attach the canopy to the designated points on the seat unit.
2. Clip the cup holder onto the handlebar.
3. Secure the foot cover to the seat unit as needed.

OPERATING INSTRUCTIONS

1. Converting Between Stroller Seat and Bassinet Pram

The 2-in-1 seat unit can be adjusted to function as either a traditional stroller seat or a flat bassinet pram. To convert, adjust the recline mechanism to the fully flat (180°) position for bassinet mode, or to an upright/semi-recline position for stroller seat mode.

3 MODES

Suitable for toddlers **0-36** months

2. Adjusting the Recline

The seat offers multiple recline positions to accommodate your child's needs, from sitting to sleeping. Locate the recline adjustment lever or strap on the back of the seat unit. Adjust to the desired angle: 120° for sitting, 135° for semi-recline, and 180° for sleeping bassinet mode.

3. Folding the Stroller

The stroller features a one-hand fold mechanism for convenience. To fold:

1. Ensure the seat is in an upright or slightly reclined position.
2. Locate the folding buttons/levers on the handlebar.
3. Press the buttons simultaneously and push the handlebar forward and down until the stroller collapses into its compact folded state.
4. Secure any auto-lock mechanisms if present.

Image: Step-by-step guide on how to perform the one-hand fold for compact storage.

4. Wheel Operation and Brakes

- **Front Wheels:** The front wheels rotate 360 degrees for easy maneuverability. To lock them in a straight position for rougher terrain, press the locking buttons located on each front wheel assembly.
- **Rear Wheels:** The rear wheels are equipped with a foot-activated brake. Press down on the brake pedal to engage the brakes and lift to release. Always engage the brakes when the stroller is stationary.

5. Canopy Adjustment

The canopy is adjustable to provide optimal shade and protection from the elements. Extend or retract the canopy as needed. It features a UPF 50+ sun canopy and a peek-a-boo window with a flap, allowing you to check on your child without disturbing them.

6. Using the Foot Cover and Storage

- **Foot Cover:** Attach the foot cover in colder weather to provide warmth and protection. It can be easily removed for warmer conditions.
- **Storage Basket:** The large under-seat basket provides convenient storage for essentials. Do not exceed the maximum weight capacity.
- **Cup Holder:** Use the attached cup holder for beverages or small items.
- **Removable Armrest:** The front armrest can be detached to facilitate easier placement and removal of your child.

MAINTENANCE

General Cleaning Instructions

- **Fabric Parts:** The Oxford fabric can be spot cleaned with a mild soap and damp cloth. Allow to air dry completely. Do not use harsh detergents or bleach.
- **Frame:** Wipe the aluminum and iron frame with a soft, damp cloth. Dry thoroughly to prevent rust.
- **Wheels:** Regularly check wheels for debris and clean as necessary. Lubricate moving parts with a silicone-based lubricant if they become stiff.
- **Storage:** Store the stroller in a dry place, away from direct sunlight and extreme temperatures.

TROUBLESHOOTING

- **Stroller not unfolding/folding smoothly:** Ensure all locking mechanisms are disengaged before unfolding. For folding, ensure the seat is in the correct position and press both handlebar buttons simultaneously. Check for any obstructions.
- **Wheels squeaking or stiff:** Clean any dirt or debris from the wheel axles. Apply a small amount of silicone lubricant to the moving parts of the wheels.
- **Seat not attaching securely:** Verify that the seat unit is correctly aligned with the frame's mounting points and push down firmly until you hear a click. Check for any obstructions in the connectors.
- **Brakes not engaging/disengaging:** Check for debris around the brake mechanism. Ensure the brake pedal is fully pressed down or lifted.

SPECIFICATIONS

Feature	Detail
Brand	INFANS
Model Number	608564973084
Color	Pink
Material	Aluminum alloy, Iron pipe, PP, Oxford fabric
Age Range (Description)	Baby (0-3 years)
