DPI Adjustment

The mouse features a 3-level DPI adjustment button, allowing you to change the cursor sensitivity.

- Press the DPI button (located near the scroll wheel) to cycle through the available sensitivity settings: 800, 1200, and 1600 DPI.
- Select the DPI setting that best suits your preference and task.

MAINTENANCE

Cleaning

To maintain the performance and appearance of your mouse:

- Use a soft, dry cloth to wipe the exterior of the mouse.
- For stubborn dirt, slightly dampen the cloth with water or a mild cleaning solution. Avoid harsh chemicals.
- Do not allow liquids to enter the mouse casing.

Battery Replacement

When the mouse performance degrades or stops responding, it may be time to replace the batteries.

- Follow the battery installation steps outlined in the Setup section.
- Dispose of old batteries responsibly according to local regulations.

TROUBLESHOOTING
