Bose Headphones 700 Instruction Manual

Model: 794297-0100 | Brand: Bose

INTRODUCTION

The Bose Noise Cancelling Headphones 700 redefine what wireless headphones can do. Designed for superior sound and voice pickup, these headphones allow you to enjoy music, podcasts, and calls without distractions. With 11 levels of active noise cancellation, you can personalize your listening environment, from letting in more of the world to completely blocking out noise. Intuitive touch controls and built-in voice assistant access keep you connected and in control. This manual will guide you through setting up, operating, and maintaining your Bose Headphones 700.

WHAT'S IN THE BOX

- Bose Noise Cancelling Headphones 700
- USB charging cable
- Audio cable
- Carrying case

Figure 2: All items included in the Bose Headphones 700 package.

SETUP

To begin using your Bose Headphones 700, ensure they are charged. Connect the USB charging cable to the headphones and a power source. Once charged, power on the headphones by pressing the power button. The headphones will automatically enter pairing mode for the first connection. Use the Bose Music app for guided setup and to unlock full features, or connect via your device's Bluetooth settings.

OPERATING INSTRUCTIONS

Power On/Off

Press and hold the Power/Bluetooth button on the right earcup until you hear the power-on tone or see the indicator light. Repeat

to power off.

Noise Cancellation Levels

The headphones offer 11 levels of active noise cancellation. Use the Noise Control button on the left earcup to cycle through your preset noise cancellation levels. For fine-tuning and access to all 11 levels, use the Bose Music app.

Volume and Playback Control

Manage volume by swiping up or down on the front surface of the right earcup. Tap twice to play/pause audio or answer/end calls. Swipe forward to skip to the next track, and swipe backward to go to the previous track.

Voice Assistant Access

Press and hold the Voice Assistant button on the right earcup to activate your preferred voice assistant (Alexa or Google Assistant). You can also configure one-touch Spotify access via the Bose Music app (iOS devices only).

BATTERY AND CHARGING

The Bose Headphones 700 provide up to 20 hours of wireless battery life on a single charge. A full charge takes approximately 2.25 hours. A quick 15-minute charge can provide up to 3.5 hours of listening time. The headphones feature a USB-C charging port for convenient and fast charging.

MAINTENANCE

To ensure the longevity and performance of your headphones, keep them clean and dry. Wipe the earcups and headband with a soft, dry cloth. Avoid exposing the headphones to extreme temperatures or moisture. Store them in the provided carrying case when not in use to protect them from dust and damage.

TROUBLESHOOTING

- **No Power:** Ensure the headphones are fully charged.
- **No Sound:** Check Bluetooth connection. Ensure volume is not muted on headphones or connected device.
- **Poor Noise Cancellation:** Adjust noise cancellation levels via the Bose Music app. Ensure earcups form a good seal around your ears.
- **Connection Issues:** Disconnect and re-pair the headphones. Ensure no other devices are interfering with the Bluetooth signal.

Answered questions about this manual

I need a Bose 700 manual for my stereo system and help connecting it to my Wi-Fi. I also have a woofer and surround speakers that are about 3 years old.

It appears there may be a model confusion: the manual provided is for the Bose Noise Cancelling Headphones 700, which connect via Bluetooth rather than Wi-Fi. However, based on your mention of a woofer...
