Max & Lily 186210-131

Max & Lily Twin Bed with Trundle Instruction Manual

Brand: Max & Lily | Model: 186210-131

1. IMPORTANT SAFETY INFORMATION

Please read all instructions carefully before assembly and use. Keep this manual for future reference.

- Exercise caution around sharp edges during assembly.
- Do not load more than 400 pounds on the main bed.
- Secure the trundle bed when not in use to prevent tripping hazards.
- Ensure all bolts and connections are tightened securely after assembly and periodically check for tightness.
- Only use mattresses that fit the bed frame dimensions to prevent gaps.
- Trundle fits a standard Twin size mattress 8 inches thick or less.

2. PRODUCT OVERVIEW

The Max & Lily Twin Bed with Trundle is designed for functionality and durability, suitable for children's rooms. It features a solid wood construction with a slatted headboard and a convenient pull-out trundle bed for additional sleeping space.

Key Features:

- **Twin Bed with Trundle:** Provides a main sleeping area and an additional pull-out bed.
- **Sturdy & Stable Construction:** Supports up to 400 lbs. with strong plywood slats, a metal support bar, and metal-on-metal bolt connections.
- **Functional, Modern Design:** Features a slatted headboard, flush color-matched hardware, and trundle with caster wheels for smooth operation.
- **Space-Saving:** Trundle neatly stores under the main bed when not in use.
- **Mattress Compatibility:** Accommodates standard twin size mattresses; trundle fits mattresses up to 8 inches thick.

3. COMPONENTS LIST

Ensure all components are present before beginning assembly:

- Bed Frame (Headboard, Footboard, Side Rails)
- Slat Rolls (for main bed and trundle)
- Trundle Bed Frame (with caster wheels)
- Metal Support Bar (for main bed)
- Hardware Pack (bolts, screws, tools)

4. SETUP AND ASSEMBLY INSTRUCTIONS

Follow these steps to assemble your Max & Lily Twin Bed with Trundle. It is recommended to have two people for assembly.

1. **Unpack and Inspect:** Unpack all components and check for any damages or missing parts. Lay out all pieces on a soft, clean surface to prevent scratches.
2. **Assemble Main Bed Frame:**
 - Attach the headboard to the side rails using the provided hardware. Ensure all connections are secure.
 - Attach the footboard to the other end of the side rails.
 - Install the metal support bar across the middle of the main bed frame.

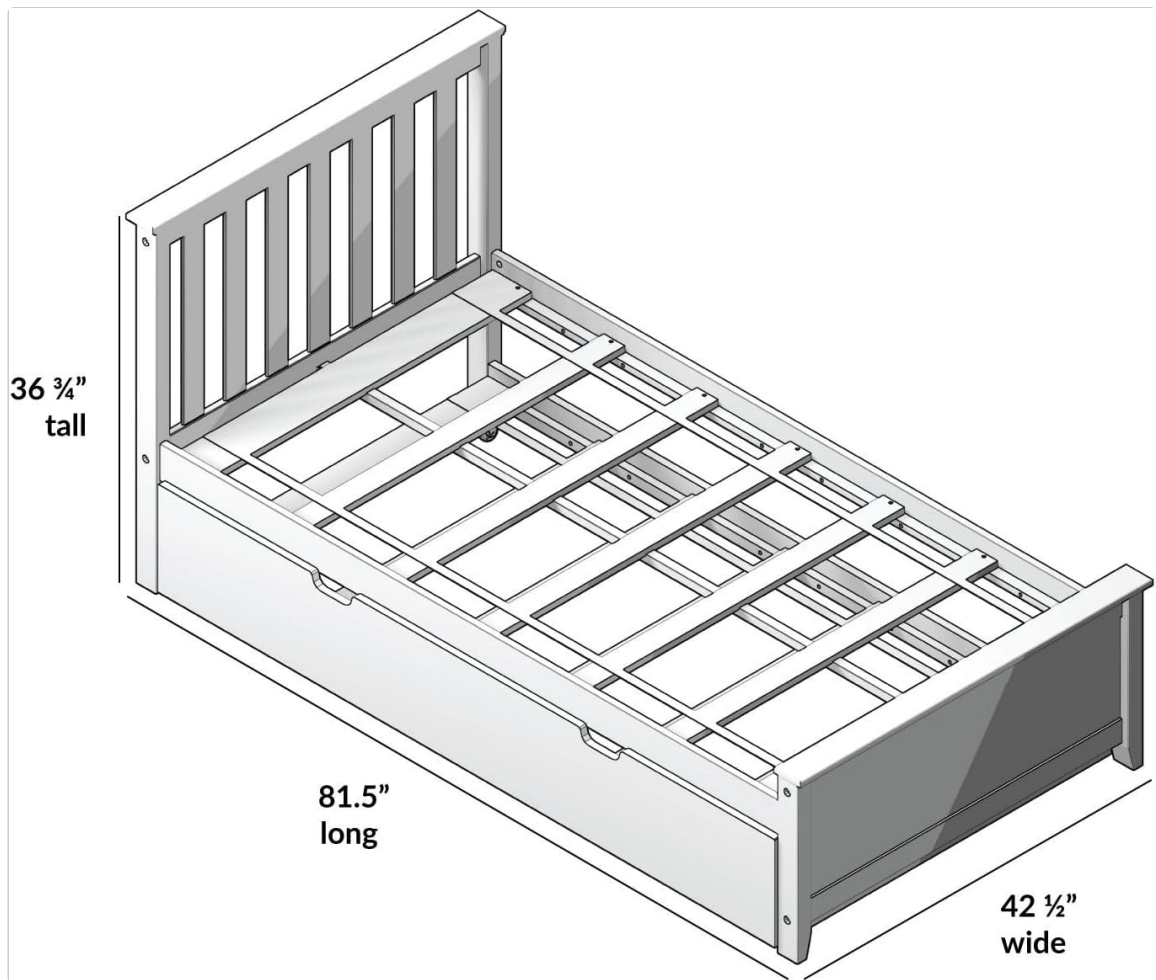

Image: Detail of the bed frame's flush, color-matched hardware, ensuring a smooth finish.

3. **Install Main Bed Slats:** Place the slat rolls onto the main bed frame. Secure each slat with the provided screws, ensuring even spacing and stability.
4. **Assemble Trundle Bed Frame:**
 - Assemble the trundle frame components, attaching the sides and ends.
 - Attach the caster wheels to the bottom of the trundle frame.
 - Install the trundle slat rolls onto the trundle frame, securing them with screws.

5. **Position Trundle:** Slide the assembled trundle bed underneath the main bed frame. The trundle can be assembled to fit on either side of the main bed.
6. **Final Tightening:** Ensure all bolts and connections are tightened securely. Do not overtighten.
7. **Place Mattresses:** Place the main twin mattress on the main bed frame. Place a twin mattress (up to 8 inches thick) on the trundle bed.

5. OPERATING INSTRUCTIONS

Using the Trundle Bed:

- To extend the trundle, gently pull it out from underneath the main bed using the clean cut-outs on the trundle side. The caster wheels allow for smooth movement.
- To retract the trundle, push it back underneath the main bed until it is fully stored. Ensure the trundle face overlaps the bed rail to prevent sliding under the bed.

Countersunk & color matched hardware

- ✓ 100% solid new zealand pine frame
- ✓ Support bar: 400lb certified weight capacity
- ✓ Slats included: Plywood slats provide superior strength to solid wood

Image: Children utilizing both the main twin bed and the extended trundle bed for play, demonstrating its dual functionality.

6. MAINTENANCE

Cleaning:

- Wipe down the wood surfaces with a soft, damp cloth.
- Avoid using harsh chemicals or abrasive cleaners, as these can damage the finish.
- Regularly dust the bed frame to maintain its appearance.

General Care:

- Periodically check all bolts and screws to ensure they remain tight. Retighten as necessary.
- Avoid dragging the bed frame when moving it; lift it to prevent damage to the frame and flooring.

7. TROUBLESHOOTING

Common Issues:

- **Bed Creaking/Popping:** This can sometimes occur with wooden slat beds. Ensure all assembly hardware is securely tightened. If creaking persists, check for any loose slats or uneven weight distribution. Applying felt pads or rubber stoppers between slats and the frame can sometimes help.
- **Trundle Not Sliding Smoothly:** Check the caster wheels for any obstructions (e.g., carpet fibers, debris). Ensure the wheels are clean and free to rotate. Verify that the trundle frame is properly

aligned.

- **Missing or Damaged Parts:** If any parts are missing or damaged upon arrival, please contact Max & Lily customer support immediately for assistance.

8. SPECIFICATIONS

Brand:	Max & Lily
Model Number:	186210-131
Size:	Twin
Product Dimensions:	81.5"L x 42.5"W x 36"H
