LG RK4

LG RK4 Portable Speaker System User Manual

Model: RK4

Introduction

This manual provides comprehensive instructions for the safe and efficient use of your LG RK4 Portable Speaker System. Please read this manual thoroughly before operating the device and retain it for future reference. The LG RK4 is designed for versatile audio playback, featuring Bluetooth connectivity, USB and SD card support, and a portable design with multi-color lighting and karaoke functions.

Setup

1. Unpacking

Carefully remove all components from the packaging. Ensure that all items listed below are present:

- LG RK4 Portable Speaker System
- Power Cable
- User Manual (this document)
- Warranty Card

2. Placement

Place the speaker on a stable, flat surface. For optimal sound quality, avoid placing it in enclosed spaces or directly against walls. The speaker is designed for floor standing placement.

LG

Image 1: Front view of the LG RK4 Portable Speaker System. This image shows the speaker's main grille with illuminated multi-color lighting, the LG logo, and the extended telescopic handle for portability.

3. Power Connection

Connect the provided power cable to the AC input on the rear of the speaker, then plug the other end into a standard electrical outlet. The LG RK4 operates on corded electric power.

Operating Instructions

1. Powering On/Off

Press the **POWER** button located on the control panel to turn the speaker on or off. The multi-color lighting will activate upon powering on.

2. Bluetooth Connectivity

1. Turn on the LG RK4 speaker.
2. Press the **FUNCTION** button repeatedly until 'Bluetooth' mode is selected. The Bluetooth indicator will blink.
3. On your mobile device, enable Bluetooth and search for available devices.
4. Select 'LG RK4' from the list of devices to pair. Once connected, the Bluetooth indicator will stop blinking and remain solid.

3. USB and SD Card Playback

Insert a USB drive or SD card containing audio files into the respective port on the speaker. The speaker will automatically switch to USB or SD mode and begin playback. Use the control panel buttons to navigate tracks and adjust volume.

4. Portable In (AUX) Connection

Connect an external audio device (e.g., smartphone, MP3 player) to the 'Portable In' jack using a 3.5mm audio cable. Press the **FUNCTION** button to select 'Portable In' mode. Audio will play from your connected device.

5. Karaoke Function

The LG RK4 is karaoke-ready. Connect a microphone (not included) to the microphone input jack. Adjust the microphone volume and echo effects using the dedicated controls on the speaker's panel. Play music from any source and sing along.

6. Multi-Color Lighting

The speaker features dynamic multi-color lighting that synchronizes with the music. Use the dedicated lighting button on the control panel to cycle through different lighting modes or turn the lighting off.

7. Portability

The LG RK4 is designed for easy transport. Extend the telescopic handle and tilt the speaker back to engage the built-in wheels, allowing you to pull the speaker like luggage.

Maintenance

1. Cleaning

To clean the speaker, disconnect it from the power source. Use a soft, dry cloth to wipe down the exterior surfaces. Do not use liquid cleaners, abrasive pads, or chemical solvents, as these can damage the finish.

2. Storage

When not in use for extended periods, store the speaker in a cool, dry place away from direct sunlight and extreme temperatures. Ensure the power cable is neatly coiled and not kinked.

3. Safety Precautions

- Do not expose the speaker to water or excessive moisture.
- Do not block ventilation openings.
- Do not attempt to disassemble or repair the speaker yourself. Refer all servicing to qualified personnel.
- Keep the speaker away from heat sources and open flames.

Troubleshooting

Problem	Possible Cause	Solution
No power	Power cable not connected properly; Power outlet not working.	Check power cable connection; Try a different power outlet.
No sound	Volume too low; Incorrect input source selected; External device not playing.	Increase volume; Select correct function mode (Bluetooth, USB, Portable In); Ensure external device is playing audio.
Bluetooth pairing fails	Speaker not in pairing mode; Device too far; Interference.	Ensure speaker is in Bluetooth pairing mode; Move device closer; Turn off other Bluetooth devices.
Karaoke microphone not working	Microphone not connected; Microphone volume too low.	Ensure microphone is securely connected; Adjust microphone volume control.

Specifications

Brand: LG

Model: RK4

Product Model Number: RK4

Manufacturer: LG

Model Year: 2018

Product Dimensions: 71 x 44 x 36 cm

Product Weight: 14.9 Kilograms

Speaker Type: Outdoor/Surround

Mounting Type: Floor Standing

Surround Sound Channel Configuration: 1.0

RMS Power Output: 80 Watts

Maximum Speaker Output Power: 800 Watts

Connectivity Technology: Bluetooth, USB, Portable In, SD Card
