

IRIS USA B07QJMXS7R

IRIS USA Airtight Pet Food Storage Container (38 lbs) - Instruction Manual

Model: B07QJMXS7R

INTRODUCTION

This manual provides instructions for the proper setup, operation, and maintenance of your IRIS USA Airtight Pet Food Storage Container. Designed to keep your pet's dry food fresh, this container features an airtight seal, secure latches, and attachable wheels for easy mobility. Please read these instructions carefully before use.

SETUP

1. **Unpack Components:** Carefully remove all parts from the packaging. You should have the container body, lid, four wheels, and a buckle.
2. **Initial Cleaning:** Before first use, wash the container body and lid with warm water and mild soap. Rinse thoroughly and allow to air dry completely. Do not use abrasive cleaners or put in a dishwasher.
3. **Attaching Wheels (Optional):** To attach the wheels, firmly press each wheel into the designated slots on the bottom of the container until it clicks into place. Ensure all four wheels are securely fastened if you choose to use them.

OPERATING INSTRUCTIONS

1. **Filling the Container:** Open the lid by unlatching the buckle. You can either place the entire bag of dry pet food inside the container or pour the contents directly into the container. The container is designed to hold up to 38 lbs of dry pet food.
2. **Securing the Lid:** Close the lid firmly. Ensure the foam seal around the lid aligns properly with the container rim. Engage the snap-lock latches on both sides of the container to create an airtight seal. A distinct 'click' indicates the latches are secure.
3. **Mobility:** If the wheels are attached, you can easily roll the container to your desired location.

MAINTENANCE

1. **Cleaning:** To clean the container, unlatch the lid and remove any remaining food. Wash the container body and lid with warm water and mild soap. Rinse thoroughly and dry completely before refilling. Do not use a dishwasher.
2. **Seal Inspection:** Periodically inspect the foam seal on the lid for any signs of wear or damage. A damaged seal may compromise the airtight quality.
3. **Wheel Maintenance:** If using the wheels, ensure they remain free of debris to maintain smooth mobility.

TROUBLESHOOTING

- **Lid not sealing properly:** Ensure the lid is correctly aligned with the container rim and that both latches are fully engaged. Check the foam seal for any obstructions or damage.
- **Wheels becoming loose:** If the attachable wheels become loose over time, they can be re-inserted. For a more permanent solution, some users have found success with applying a small amount of adhesive to secure them.
- **Food not staying fresh:** Verify that the lid is securely latched and the airtight seal is intact. Ensure the container is stored in a cool, dry place away from direct sunlight.

SPECIFICATIONS

Feature	Detail
Brand	IRIS USA

Feature	Detail
Model Number	B07QJMXS7R
Color	Navy/Pearl
Material	Plastic (BPA Free)
Capacity	38 Pounds / 47 Quarts
