### Using the Soundcore App

The Soundcore app unlocks the full potential of your Rave Mini speaker. Connect the speaker to the app to:

- Customize the EQ settings for personalized sound.
- Control and customize the beat-driven light show.
- Switch between Indoor and Outdoor sound modes.
- Access party games and other interactive features.
- Update speaker firmware.

### Charging External Devices

The Soundcore Rave Mini features a built-in USB port (5V/2A) that allows you to charge your mobile devices directly from the speaker's battery. Simply connect your device using a compatible USB cable.

## MAINTENANCE

- **Cleaning:** Use a soft, damp cloth to clean the speaker's exterior. Do not use abrasive cleaners or solvents. Ensure all port covers are securely closed before cleaning with water.
- **Storage:** Store the speaker in a cool, dry place away from direct sunlight and extreme temperatures. If storing for extended periods, charge the battery every 3 months to maintain its lifespan.
- **Water Resistance:** While IPX7 waterproof, ensure the charging port cover is fully sealed before exposing the speaker to water. Do not intentionally submerge for prolonged periods or in saltwater.
