

Hbada J1

Hbada J1 Office Desk Chair User Manual

Brand: Hbada | Model: J1

INTRODUCTION

The Hbada J1 Office Desk Chair is designed for comfort and ergonomic support, suitable for various environments including offices, homes, and study areas. This manual provides essential information for assembly, operation, maintenance, and troubleshooting to ensure optimal use and longevity of your chair.

The Hbada J1 Office Desk Chair, featuring its sleek design and comfortable mesh back.

SETUP & ASSEMBLY

The Hbada J1 Office Desk Chair is designed for easy assembly, typically taking less than 20 minutes. For detailed step-by-step instructions, please refer to the official Installation Manual PDF.

New Cushion for Better Enjoyment

Much thicker sponge with upgraded W-shape design to fit hips and thighs

Almost no deformation even after overusing!

Visual guide illustrating the straightforward assembly process of the chair.

OPERATING INSTRUCTIONS

Height Adjustment

The chair features a gas lift cylinder for smooth height adjustment. Use the lever located on the right side beneath the seat to raise or lower the chair to your desired height. The chair offers 3 height positions.

Flip-Up Armrests

The armrests are designed to flip up, allowing you to push the chair further under your desk to save space. This feature also provides more freedom of movement when not resting your arms.

The chair's flip-up armrests allow it to be tucked neatly under a desk, saving space.

Rocking Function

The chair offers a 105-degree rocking function for brief relaxation. Use the rocking tension adjustment knob located underneath the seat to control the resistance of the rocking motion. Pull the lever out for rocking and push it in for locking the chair in an upright position.

The rocking function provides a comfortable recline for relaxation during breaks.

Swivel Function

The chair features a 360-degree swivel base, allowing for easy rotation and access to different areas of your workspace without needing to move the entire chair.

Saddle Cushion & Backrest

The W-shaped saddle cushion, made of 4.9-inch thick memory sponge, is designed to fit the curves of the buttocks and legs, relieving pressure during prolonged sitting. The C-shaped bionic backrest provides ergonomic support and spinal protection.

The W-shaped cushion and C-shaped backrest are designed for enhanced comfort and ergonomic support.
