1. PRODUCT OVERVIEW

The SPACEKEEPER 3-Tier Rolling Storage Cart is a versatile and mobile storage solution designed to optimize space in various areas of your home or office. Its slim design and durable construction make it suitable for tight spaces, offering convenient organization with easy mobility.

Key Features:

- **Flexible Storage:** 3-tier design suitable for narrow spaces in kitchens, bathrooms, offices, garages, and laundry rooms.
- **Easy Assembly:** Constructed from durable plastic for quick and straightforward setup.
- **Mobile Solution:** Equipped with 4 durable, easy-glide wheels, including 2 with brakes for stability.
- **Additional Storage:** Includes 4 side hooks for extra hanging space.
- **Adjustable Shelves:** Can be configured as a 2-tier or 3-tier unit to fit different height requirements.

2. SAFETY INFORMATION

Please read all safety information before assembly and use.

- Exercise caution when moving the cart to prevent tipping.
- Be aware of any sharp edges during assembly.
- Avoid pinching fingers when adjusting shelves.
- Do not overload the cart beyond its capacity.
- Ensure all parts are securely fastened before use.
- Do not allow children to play on or around the cart.

3. SETUP AND ASSEMBLY

The SPACEKEEPER 3-Tier Rolling Storage Cart is designed for quick and easy assembly. No complex tools are required.

Assembly Steps:

1. Unpack all components and verify against the parts list (not provided in this manual, refer to packaging).
2. Attach the bottom frame to the first shelf. Ensure a secure fit.
3. Insert the support poles into the designated slots on the first shelf.
4. Place the second shelf onto the support poles, pressing down firmly until it clicks into place.
5. Repeat the process for the third shelf.
6. Attach the top handle/frame.
7. Install the wheels into the base of the cart. Two of the wheels have brakes; ensure they are placed where easily accessible.
8. Optionally, attach the side hooks to the edges of the shelves for additional storage.
9. To adjust to a 2-tier configuration, simply omit one set of support poles and one shelf during assembly.

Note: For visual guidance, please refer to the assembly instructions included in your product packaging.

4. OPERATING INSTRUCTIONS

Your SPACEKEEPER Rolling Storage Cart is ready for use once assembled. Its mobile design allows for flexible placement and easy access to your stored items.

Using Your Cart:

- **Mobility:** Use the 360-degree rotatable wheels to effortlessly move the cart between rooms or to different areas as needed.
- **Stability:** Engage the brakes on the two lockable wheels to keep the cart stationary when loading, unloading, or storing.
- **Storage:** Utilize the deep plastic trays to store various items securely. The hollow-carved design allows for ventilation.
- **Versatility:** Adapt the cart for different purposes such as a kitchen organizer, bathroom storage, laundry utility cart, office supply holder, or even an art cart.

- **Side Hooks:** Hang smaller items like towels, brushes, or accessories on the provided side hooks.

5. MAINTENANCE

To ensure the longevity and optimal performance of your SPACEKEEPER Rolling Storage Cart, follow these simple maintenance guidelines:

- **Cleaning:** Wipe down the plastic surfaces with a damp cloth and mild soap. Avoid abrasive cleaners that may damage the material.
- **Wheel Care:** Periodically check the wheels for any debris (hair, lint) that might hinder smooth movement. Clean as necessary.
- **Fasteners:** Occasionally check that all connections and fasteners are tight to maintain stability.
- **Storage:** If disassembling for storage, ensure all parts are clean and dry before packing.

6. TROUBLESHOOTING

If you encounter any issues with your storage cart, please refer to the following common solutions:

- **Cart is unstable:**
 - Ensure all poles and shelves are fully inserted and securely clicked into place.
 - Check that the wheels with brakes are engaged if you want the cart to remain stationary.
 - Verify that the weight is evenly distributed across the shelves.
- **Wheels are not rolling smoothly:**
 - Check for any hair, dust, or debris caught in the wheel mechanisms and remove them.
 - Ensure the wheel brakes are disengaged.
- **Difficulty assembling:**
 - Refer to the detailed assembly instructions provided in the product packaging.
 - Ensure you are using the correct parts for each step.
