# FITUEYES Universal TV Mount Stand Instruction Manual

Model: TT105201GB

## 1. Product Overview

The FITUEYES Universal TV Mount Stand is designed to provide a stable and adjustable tabletop solution for your television. This stand is compatible with most 27-55 inch flat-panel LCD/LED/Plasma/curved TVs, supporting weights up to 88 lbs. It features a durable tempered glass base and offers height adjustment for optimal viewing.

## Key Features:

- **Universal Compatibility:** Fits most 27-55 inch TVs with VESA patterns up to 400x400mm.
- **Height Adjustable:** Offers 4 levels of height adjustment to accommodate different TV sizes and viewing preferences.
- **Integrated Cable Management:** Features a cable pass-through port to organize and conceal messy cables.
- **Stable and Safe Design:** Equipped with an 8mm thick tempered glass base and non-slip rubber pads for enhanced stability, supporting up to 88 lbs.
- **Easy Assembly:** Designed for quick and straightforward installation with all necessary fittings included.

## 2. Safety Information

Please read all instructions carefully before assembly and use. Failure to follow these instructions may result in property damage, serious injury, or death.

- Do not exceed the maximum weight capacity of 88 lbs (40 kg).
- Ensure your TV's VESA mounting pattern is compatible with the stand (100x100mm to 400x400mm).
- Verify that all components are present and undamaged before assembly. Do not use damaged parts.
- Assemble the stand on a soft, clean surface to prevent scratches.
- Do not overtighten screws, especially those connecting to the glass base, to prevent damage.
- Keep children and pets away during assembly.
- Always ensure the TV is securely mounted to the stand before placing it on a surface.
- Place the stand on a stable, level surface to prevent tipping.

## 3. Package Contents

Before starting assembly, ensure all parts listed in the instruction manual are present. A detailed list of components and hardware is provided in the included PDF user manual.
Common components typically include:

- Tempered Glass Base
- Main Support Column
- TV Mounting Brackets (Vertical and Horizontal)
- Various Screws, Washers, and Spacers for TV attachment
- Assembly Tools (e.g., Allen wrench)
- Cable Management Clips
- Non-slip Rubber Pads

## 4. Assembly Instructions

Assembly of the FITUEYES TV Mount Stand is designed to be straightforward. For detailed, step-by-step instructions with diagrams, please refer to the official User Manual PDF linked in the "Additional Resources" section.

**General Assembly Steps:**

1. **Attach Support Column to Base:** Secure the main support column to the tempered glass base using the provided screws and tools. Ensure the plastic protective cover is correctly positioned.
2. **Assemble TV Mounting Plate:** Attach the horizontal mounting plate to the main support column.
3. **Attach Vertical Brackets to TV:** Identify the correct screws and spacers for your TV's VESA holes. Secure the vertical mounting brackets to the back of your television.
4. **Mount TV to Stand:** Carefully lift the TV with the attached brackets and hook them onto the horizontal mounting plate on the stand. Secure the TV using the safety screws or locks.
5. **Adjust Height:** Adjust the height of the TV on the stand to your desired viewing level (refer to Section 5).
6. **Cable Management:** Use the integrated cable management clips to route and organize your TV and device cables.

## 5. Operation

### Height Adjustment:

The FITUEYES TV stand allows for 4 levels of height adjustment to optimize your viewing experience. This adjustment is typically done by repositioning the horizontal mounting plate on the main support column before or after the TV is mounted, depending on the specific design and your TV's size.

- To adjust the height, loosen the screws securing the horizontal mounting plate to the main column.
- Carefully slide the plate up or down to the desired height.
- Once the desired height is achieved, securely tighten all screws to ensure stability.

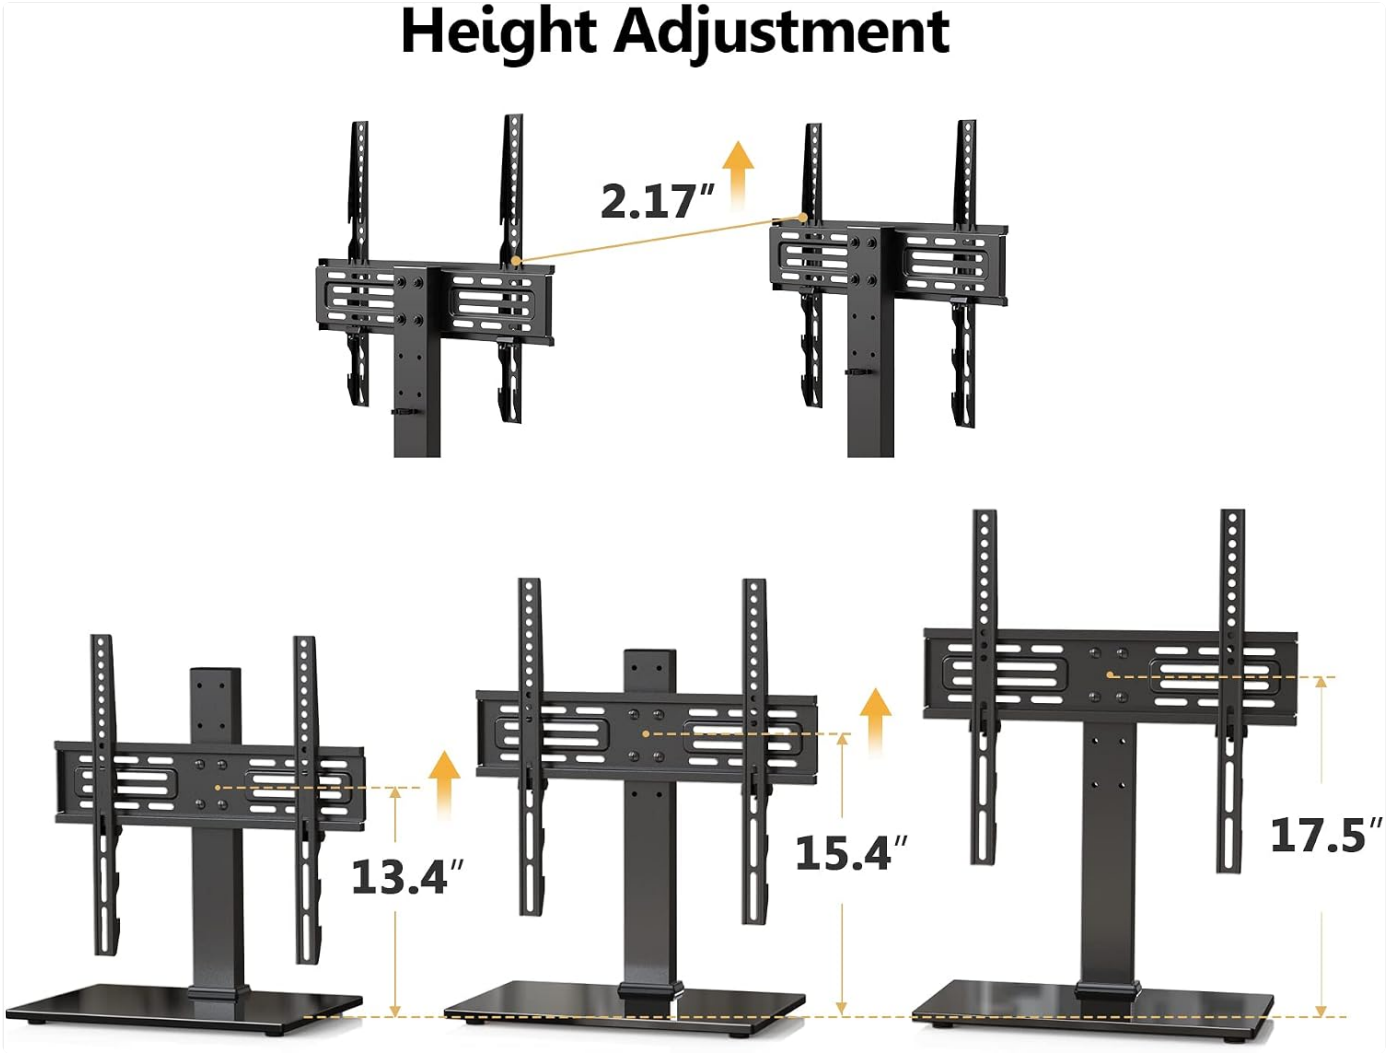

Image 5.1: Visual representation of the height adjustment capabilities.

### Cable Management:

Utilize the integrated cable management system to keep your setup tidy. Route all TV and device cables through the designated clips or channels along the back of the main support column. This helps maintain a clean aesthetic and prevents cable clutter.

## 6. Care and Maintenance

Proper care and maintenance will ensure the longevity and appearance of your FITUEYES TV Mount Stand.

- **Cleaning:** Use a soft, damp cloth to clean the metal and glass surfaces. Avoid abrasive cleaners or solvents that could damage the finish.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight and secure. Retighten if necessary.
- **Placement:** Avoid placing the stand in direct sunlight or near heat sources, which could affect the material integrity over time.
- **Weight Limit:** Do not place items on the stand that exceed its maximum weight capacity.

## 7. Troubleshooting

If you encounter any issues with your FITUEYES TV Mount Stand, refer to the following common troubleshooting tips:

- **Stand is Wobbly:**

- Ensure all screws are securely tightened, especially those connecting the column to the base and the TV brackets to the column.
- Verify the stand is placed on a flat, level surface.
- Check that the TV weight does not exceed the stand's capacity (88 lbs).

- **TV Not Level:**
  - Re-check the attachment of the vertical brackets to the TV and the horizontal plate to the column to ensure they are aligned correctly.
  - Ensure the TV is properly seated on the mounting plate.
- **Missing Parts:**
  - Carefully check all packaging materials. If parts are still missing, contact customer support immediately.
- **Difficulty with Height Adjustment:**
  - Ensure the locking screws for height adjustment are sufficiently loosened before attempting to move the TV.
  - Do not force the adjustment; if it feels stuck, re-check for obstructions or misalignments.

For issues not covered here, please contact FITUEYES Customer Support.

## 8. Specifications

| Attribute | Detail |
|---|---|
| Brand | FITUEYES |
| Model Number | TT105201GB |
