### Pragovle Unicorn Sleeping Mask B07QNP5CMP

## Pragovle Unicorn Sleeping Mask Instruction Manual

### INTRODUCTION

This manual provides instructions for the proper use and care of your Pragovle Unicorn Sleeping Mask. These masks are designed to block light, promoting a comfortable environment for sleep or relaxation.

Four Pragovle Unicorn Sleeping Masks in a pack, showcasing different designs.

## SETUP

---

### Unpacking

Carefully remove the sleeping masks from their packaging. Inspect each mask for any visible damage.

### First Use Preparation

Before initial use, it is recommended to gently hand wash the masks. Refer to the "Maintenance" section for detailed cleaning instructions.

## OPERATING INSTRUCTIONS

---

### Wearing the Mask

Place the sleeping mask over your eyes, ensuring the soft fabric covers the entire eye area. The elastic strap should rest comfortably around the back of your head.

### Adjusting for Comfort

The elastic strap is designed to be flexible. Adjust the mask's position until it feels secure without being too tight. The goal is to block out light effectively while maintaining comfort.

## MAINTENANCE

---

### Cleaning Instructions

To maintain the quality and hygiene of your sleeping mask, follow these cleaning guidelines:

- **Hand Wash Only:** Gently hand wash the mask using mild soap and cold water.
- **Avoid Harsh Chemicals:** Do not use bleach or strong detergents, as these can damage the fabric and colors.
- **Rinse Thoroughly:** Ensure all soap residue is rinsed out.
- **Air Dry:** Lay the mask flat or hang it to air dry. Do not tumble dry or iron.

Proper care helps extend the lifespan of the product and ensures continued comfort.

## TROUBLESHOOTING

---

### Mask Feels Too Tight or Loose

The elastic strap is designed to fit various head sizes. If the mask feels too tight, gently stretch the elastic band a few times. If it feels too loose, ensure it is positioned correctly on your head. The elastic should provide a snug, but not constricting, fit.

### Light Leakage

Adjust the mask's position on your face. Ensure the nose bridge area is properly seated to minimize light entry. Slight adjustments can significantly improve light blocking.

## SPECIFICATIONS

---

- **Brand:** Pragovle
- **Model:** Unicorn Sleeping Mask (B07QNP5CMP)
- **Material:** Polyester
- **Age Range:** Adult (suitable for children as well, as per product description)
