Dickie Toys 2003 Nissan 350Z Die-Cast Vehicle Instruction Manual

Model: 253745001

1. INTRODUCTION

This manual provides essential information for the proper handling, operation, and maintenance of your Dickie Toys 2003 Nissan 350Z die-cast vehicle, model 253745001. Please read this manual thoroughly before use to ensure a satisfactory experience and to preserve the product's condition.

2. PACKAGE CONTENTS AND SETUP

Upon opening the package, verify that all components are present and undamaged.

- 1x Dickie Toys 2003 Nissan 350Z Die-Cast Vehicle
- 1x Die-cast mosaic plate (commemorative item)

Figure 2.1: The Dickie Toys 2003 Nissan 350Z die-cast vehicle, presented alongside its commemorative die-cast mosaic plate.

Initial Setup:

1. Carefully remove the die-cast vehicle and the mosaic plate from their packaging.

2. Inspect the vehicle for any visible damage or loose parts.
3. Place the mosaic plate on its stand (if included) or in a secure display area.

3. FEATURES

The Dickie Toys 2003 Nissan 350Z die-cast vehicle incorporates several detailed features:

- **Freewheel Function:** Allows the vehicle to roll smoothly when pushed.
- **Opening Parts:** The doors, hood, and tailgate are designed to open, revealing interior and engine details.
- **Die-Cast Construction:** Made from durable die-cast metal for a realistic feel and appearance.
- **Scale 1:24:** A precise miniature representation of the original 2003 Nissan 350Z.
- **20th Anniversary Edition:** Commemorates Jada Toys' 20th anniversary with special detailing.

Figure 3.2: A detailed view of the engine compartment, accessible by opening the hood.

4. OPERATING INSTRUCTIONS

This die-cast vehicle is designed for display and gentle play. Follow these guidelines for operation:

- **Freewheel Movement:** Place the vehicle on a flat, smooth surface. Gently push it forward or backward to observe its freewheel motion. Avoid forcing the wheels or rolling it on rough surfaces to prevent damage.
- **Opening Parts:** To open the doors, hood, or tailgate, gently lift or pull the designated edges. Do not apply excessive force, as this may damage the hinges or paint finish. Close them carefully by pressing them back into place until they sit flush with the body.
- **Display:** When not in use, display the vehicle on a stable surface, away from direct sunlight or extreme temperatures, to preserve its condition.

5. MAINTENANCE

Proper maintenance will help preserve the appearance and functionality of your die-cast vehicle.

- **Cleaning:** Use a soft, dry cloth to gently wipe dust from the vehicle's surface. For stubborn marks, a slightly damp cloth with plain water can be used, followed immediately by a dry cloth. Avoid abrasive cleaners, solvents, or harsh chemicals, as these can damage the paint and plastic components.

- **Storage:** Store the vehicle in a cool, dry place, away from direct sunlight, high humidity, or extreme temperature fluctuations. Original packaging can be used for long-term storage to protect against dust and impacts.
- **Handling:** Always handle the vehicle by its main body. Avoid gripping small or delicate parts, such as mirrors or spoilers, to prevent breakage.

6. TROUBLESHOOTING

Most issues with a die-cast model are related to physical handling. If you encounter any problems, consider the following:

- **Stiff Moving Parts:** If doors, hood, or tailgate feel stiff, do not force them. Ensure no debris is obstructing the hinges. Gentle, repeated opening and closing may help, but avoid excessive force.
- **Loose Parts:** If a small part becomes loose, attempt to reattach it carefully. If it cannot be reattached or is broken, contact customer support for advice.
- **Scratches/Paint Damage:** Minor scratches can sometimes be buffed out with specialized model car polish, but significant damage to the paint finish is generally not repairable without professional restoration.

7. SPECIFICATIONS

Model Number	253745001
Brand	Dickie Toys (Jada)
Vehicle Type	2003 Nissan 350Z Die-Cast Vehicle
Scale	1:24
Material	Die-Cast Metal
Item Weight	1.63 pounds (approximately 0.74 kg)
Recommended Age	8 years and up (Manufacturer recommended age: 3 years and up, but features suggest 8+ for detailed handling)
Release Date	June 24, 2019

Figure 7.2: Front view of the die-cast vehicle, showcasing its detailed headlights and grille.

8. SAFETY INFORMATION

This product contains small parts and is recommended for individuals aged 8 years and older due to its detailed and potentially delicate components. While the manufacturer recommends 3 years and up, the intricate features and collectible nature are best suited for careful handling.

- **Choking Hazard:** Not suitable for children under 3 years due to small parts.
- **Adult Supervision:** Adult supervision is recommended for younger users to ensure proper handling and prevent damage.
- **Avoid Misuse:** Do not throw, drop, or apply excessive force to the vehicle, as this may cause damage or injury.

9. WARRANTY AND SUPPORT

For information regarding warranty coverage or product support, please refer to the documentation included with your purchase or contact the manufacturer directly. Keep your proof of purchase for any warranty claims.
