SPACEKEEPER SPKSC301

SPACEKEEPER Slim Rolling Storage Cart User Manual

Model: SPKSC301

Brand: SPACEKEEPER

INTRODUCTION

Thank you for choosing the SPACEKEEPER Slim Rolling Storage Cart. This 3-tier mobile shelving unit is designed for versatile storage in narrow spaces, ideal for kitchens, bathrooms, laundry rooms, and offices. Its durable and lightweight design ensures easy maneuverability and long-lasting use. This manual provides detailed instructions for assembly, operation, maintenance, and troubleshooting to ensure optimal performance and safety.

IMPORTANT SAFETY INFORMATION

Please read all safety warnings and instructions carefully before assembly and use. Failure to follow these instructions may result in injury or damage.

- Ensure all parts are properly secured before use.
- Do not allow children to play on, with, or around the cart.
- Use caution when moving on uneven or slippery surfaces to prevent tipping.
- Be mindful of narrow spaces to avoid tipping while moving the cart.
- Do not overload the cart. Refer to the specifications section for maximum weight recommendations.

PRODUCT COMPONENTS

Before beginning assembly, ensure all components are present and undamaged. The SPACEKEEPER Slim Rolling Storage Cart includes the following main parts:

- 3 x Storage Baskets (Shelves)
- 8 x Support Rods (4 long, 4 short)
- 4 x Wheels (2 with brakes, 2 without)
- 4 x Side Hooks

ASSEMBLY INSTRUCTIONS

The SPACEKEEPER Slim Rolling Storage Cart is designed for quick and intuitive assembly without the need for tools. Follow these steps:

1. **Step 1: Attach Wheels to Base.** Insert the four wheels into the designated slots on the bottom of the lowest storage basket. Ensure the two lockable wheels are placed on the same side for easy access to the brakes.
2. **Step 2: Connect First Set of Support Rods.** Insert the four short support rods into the corner holes of the lowest storage basket. Ensure they are firmly seated.
3. **Step 3: Place Middle Basket.** Align the second storage basket with the top of the short support rods and press down firmly until it clicks into place.
4. **Step 4: Connect Second Set of Support Rods.** Insert the four long support rods into the corner holes of the middle storage basket.
5. **Step 5: Place Top Basket.** Align the third storage basket with the top of the long support rods and press down firmly until it clicks into place.
6. **Step 6: Attach Side Hooks.** Clip the four side hooks onto the edges of the baskets as desired for additional hanging storage.

OPERATING INSTRUCTIONS

The SPACEKEEPER Slim Rolling Storage Cart offers flexible storage and easy mobility. Here's how to best utilize its features:

- **Flexible 3-Tier Storage:** This cart features 3 removable shelves, allowing you to customize the storage layout as needed. You can use all 3 tiers for maximum capacity or remove one or more to accommodate taller items. Its slim design allows it to easily fit in narrow spaces in your home, making it ideal for bathrooms, kitchens, garages, closets, laundry rooms, offices, or between appliances.
- **Enhanced Stability & Mobility:** Equipped with 2 lockable 360° rotating casters that glide smoothly on hardwood and tile floors. Movement on thick carpets may require extra effort. The thick plastic material keeps the cart lightweight for easy maneuvering and makes the cart less likely to wobble. Two wheels feature brakes to secure the cart in place, reducing accidental tipping risks. To lock, press down the lever on the braked wheels. To unlock, lift the lever.
- **Multi-Purpose Design:** The compact yet sturdy frame fits seamlessly in small spaces (dorms, RVs, tight corners). Use the included side hooks to hang towels, brushes, or small accessories. The high-walled baskets securely hold toiletries, cleaning supplies, or kitchen essentials. Please note: This cart is not recommended for heavy tools or uneven surfaces.

MAINTENANCE AND CARE

To ensure the longevity and cleanliness of your SPACEKEEPER Slim Rolling Storage Cart, follow these simple maintenance guidelines:

- **Cleaning:** The cart is constructed from waterproof PP plastic, making it easy to clean. Simply wipe it with a damp cloth on a daily basis. The hollow design of the baskets allows water to leak easily, preventing accumulation.
- **Drying:** After cleaning, ensure the cart is thoroughly dried to prevent water spots or residue buildup.
- **Inspection:** Periodically check all connections and wheels to ensure they are secure and functioning correctly.
- **Storage:** If disassembling for storage, ensure all parts are clean and dry before packing away.

TROUBLESHOOTING

If you encounter any issues with your SPACEKEEPER Slim Rolling Storage Cart, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Cart wobbles or feels unstable.	Parts not fully clicked into place; uneven load distribution; cart on uneven surface.	Ensure all support rods are fully inserted into the baskets. Distribute items evenly across the shelves. Move the cart to a flat, even surface.
Wheels do not roll smoothly.	Wheels are locked; debris in wheels; cart on thick carpet.	Check if the wheel brakes are engaged and disengage them. Clean any debris from the wheel casters. Note that movement on thick carpets may require extra effort.
Baskets detach from support rods.	Not fully assembled; excessive force or weight.	Re-assemble the baskets, ensuring they click firmly into place. Avoid overloading the cart beyond its recommended weight capacity.

PRODUCT SPECIFICATIONS

Detailed specifications for the SPACEKEEPER Slim Rolling Storage Cart:

Specification	Detail
Product Dimensions (D x W x H)	4.9" x 15.3" x 26.1" (66.3 cm x 38.8 cm x 12.4 cm)
