

ORICO MH4PU-P-SV-BP-SG

ORICO USB 3.0 Hub Clamp Adapter (Model MH4PU-P-SV-BP-SG) Instruction Manual

Your guide to setting up and using your ORICO USB 3.0 Hub Clamp Adapter.

1. INTRODUCTION

The ORICO USB 3.0 Hub Clamp Adapter is an aluminum 4-port USB splitter designed to expand your device's connectivity. Featuring an extra power supply port and a 4.92 FT USB data cable, this ultra-portable USB expander is compatible with 2021 iMacs, laptops, and PCs. Its unique clamp design allows for convenient mounting on monitor or desk edges, keeping your workspace organized.

2. WHAT'S IN THE BOX

- ORICO USB 3.0 4-Port Clamp Hub x 1
- Instruction Manual x 1
- USB Data Cable (1.5M) x 1

3. PRODUCT OVERVIEW

The ORICO USB 3.0 Hub Clamp Adapter offers enhanced connectivity and convenience for your computing needs.

3.1. Clamp Design

The hub features an adjustable screw clamp, allowing it to be securely mounted on monitor screen edges or desk edges with a thickness ranging from 0.39 to 1.26 inches (10-32mm). This design saves desk space and helps maintain a tidy workspace. The clamp includes a rubber cover on the screw to protect your monitor's finish from scratches.

3.2. Extra Power Supply Port

An additional power supply port is included to ensure stable operation for high-power devices, safeguarding your digital devices and data. This feature provides reliable power delivery for all connected peripherals.

Image: Close-up of the 5V power supply port on the hub.

3.3. 5Gbps Data Transfer Speed

The hub expands your desktop or laptop with four USB 3.0 ports, offering data transfer rates up to 5Gbps. This allows for quick data movement between devices and is backward compatible with older USB 2.0 devices.

3.4. Stable and Secure Compatibility

The USB splitter is compatible with Windows 10/8/8.1/7 / Vista / XP, Mac OS X, Linux, and Chrome OS. It is plug & play, requiring no additional drivers. Constructed from premium aluminum alloy, it ensures durable use and rapid

heat dissipation.

4. SETUP AND INSTALLATION

Follow these steps to properly install and connect your ORICO USB 3.0 Hub Clamp Adapter.

1. **Choose a Location:** Find a suitable location on your monitor edge or desk edge where you want to mount the hub. Ensure the thickness is between 0.39 to 1.26 inches (10-32mm).
2. **Loosen the Screw:** Loosen the adjustable screw on the clamp to create enough space to slide the hub onto the desired edge.
3. **Position the Hub:** Place the hub onto the monitor or desk edge. The rubber pads on the clamp will protect the surface.
4. **Tighten the Screw:** Tighten the screw until the hub is firmly secured. Do not overtighten.
5. **Connect to Computer:** Use the provided USB data cable to connect the hub's 'PC IN' port to an available USB port on your computer (laptop or desktop).
6. **Connect Power (Optional):** If you plan to connect high-power devices, connect an external 5V power adapter (not included) to the hub's '5V' power supply port.

step1: Find a suitable location

step2: Loosen the screw and place the hub into the computer bottom

step3: Tighten the screws to fix the hub

step4: Connect the hub to computer USB port

5. OPERATING INSTRUCTIONS

Once the hub is installed and connected, it is ready for use.

- **Connecting Devices:** Plug your USB devices (e.g., flash drives, external hard drives, mouse, keyboard, card readers) into the available USB 3.0 ports on the front of the hub.
- **Data Transfer:** Data transfer will occur automatically at speeds up to 5Gbps for USB 3.0 compatible devices.
- **Power Indicator:** A small indicator light on the hub will confirm it is powered on and functioning.

6. MAINTENANCE

To ensure the longevity and optimal performance of your ORICO USB 3.0 Hub, follow these simple maintenance guidelines:

- **Cleaning:** Use a soft, dry cloth to wipe the surface of the hub. Avoid using liquid cleaners or abrasive materials.
- **Storage:** When not in use for extended periods, store the hub in a cool, dry place away from direct sunlight and extreme temperatures.
- **Handling:** Avoid dropping the device or subjecting it to strong impacts.

7. TROUBLESHOOTING

If you encounter any issues with your ORICO USB 3.0 Hub, consider the following:

- **Device Not Recognized:** Ensure the USB data cable is securely connected to both the hub and your computer. Try connecting the hub to a different USB port on your computer.
- **Insufficient Power:** If high-power devices are not functioning correctly, connect an external 5V power adapter to

the hub's dedicated power supply port.

- **Slow Transfer Speeds:** Verify that both the hub and your connected device support USB 3.0 for optimal speeds. Ensure the hub is connected to a USB 3.0 port on your computer.
- **Physical Damage:** If you receive cracked products or notice any physical damage, please contact customer service immediately.

8. SPECIFICATIONS

Feature	Detail
Product Dimensions	3.5 x 1.81 x 0.91 inches
Item Weight	7 ounces
Item Model Number	ORICO MH4PU-P-SV-BP-SG
Brand	ORICO
Color	Silver
Hardware Interface	USB 3.0
Special Feature	Fast Data Transfer, Indicator Light, Plug and Play, Powered
Compatible Devices	Card Readers, Desktops, Laptops, Mouse, USB Flash Drives
Manufacturer	ORICO Technologies Co.,Ltd
Date First Available	May 26, 2019

9. WARRANTY AND SUPPORT

If you receive cracked products or are not 100% satisfied with your ORICO USB 3.0 Hub, please feel free to contact our customer service. We are committed to providing the best solution for you within 24 hours.
