TOPINCN Stainless Steel 304 Portable Storage Container (Small)

Model: TOPINCNf81n7tobze-02

INTRODUCTION

Thank you for choosing the TOPINCN Stainless Steel 304 Portable Storage Container. This manual provides essential information for the proper setup, operation, and maintenance of your new container. Please read it thoroughly before first use and retain it for future reference.

This container is crafted from high-quality 304 stainless steel, ensuring durability and food safety. It is designed for storing various dry food items, keeping them fresh and protected. Its compact and portable design makes it ideal for home use, travel, and outdoor activities.

SETUP

Before using your TOPINCN storage container for the first time, follow these steps:

1. **Unpack:** Carefully remove the container from its packaging. Inspect for any damage.
2. **Initial Cleaning:** Wash the container and its lid thoroughly with warm water and a mild dish detergent. Rinse completely to remove any soap residue.
3. **Dry:** Ensure all parts are completely dry before storing any food items. Air drying or using a clean cloth is recommended.

OPERATING INSTRUCTIONS

Using your TOPINCN storage container is straightforward:

1. **Open:** Twist the lid counter-clockwise to remove it from the container.
2. **Fill:** Place your desired dry food items (e.g., coffee beans, tea leaves, nuts, snacks) into the container. Do not overfill; leave some space at the top for the lid.
3. **Close:** Align the lid with the container and twist clockwise until it is securely fastened. Ensure the lid is tight to maintain freshness.

MAINTENANCE

Proper care will extend the life of your TOPINCN container:

- **Cleaning:** Hand wash with warm water and a mild detergent. Alternatively, it is dishwasher safe and can be placed on the top rack.
- **Drying:** Always dry thoroughly after washing to prevent water spots and maintain the stainless steel finish.
- **Avoid Abrasives:** Do not use abrasive cleaners, scouring pads, or harsh chemicals, as these can scratch the surface.
- **Storage:** Store the container in a dry place when not in use.

Important: This container is **not** microwave, oven, or freezer safe.

TROUBLESHOOTING

If you encounter any issues with your container, consider the following:

- **Lid not sealing properly:** Ensure the lid is aligned correctly with the container threads before twisting. Check for any food particles or debris on the threads that might prevent a tight seal.
- **Container appears stained:** Stainless steel can sometimes show water spots or minor discoloration from certain foods. Regular cleaning with mild soap and water, followed by thorough drying, should resolve most issues. For stubborn spots, a stainless steel cleaner can be used.
- **Unpleasant odor:** If the container retains odors from previous contents, wash it thoroughly and allow it to air dry completely with the lid off. A mixture of baking soda and water can also help neutralize odors.

SPECIFICATIONS

Detailed information about your TOPINCN Stainless Steel 304 Portable Storage Container:

Image: A diagram showing the dimensions of the TOPINCN Stainless Steel Container, indicating a height of 8.5 cm (3.3 inches) and a diameter of 7 cm (2.8 inches), with a capacity of 275 ml.

Feature	Detail
Brand	TOPINCN
Model Number	TOPINCNf81n7tobze-02
Material	304 Stainless Steel
Lid Material	304 Stainless Steel
Capacity	275 Milliliters

Feature	Detail
