OEDRO 7RTFKX3

OEDRO Running Boards Installation and User Manual

Model: 7RTFKX3 | Compatible with 2018-2025 Jeep Wrangler JL 4-Door

1. Introduction

This manual provides detailed instructions for the installation, usage, and maintenance of your OEDRO Running Boards, Model 7RTFKX3. Please read these instructions thoroughly before beginning installation to ensure proper fitment and safe operation. Professional installation is recommended for optimal results.

2. Product Overview

The OEDRO Running Boards are designed to provide convenient vehicle access and enhanced aesthetics for your 2018-2025 Jeep Wrangler JL 4-Door. Constructed from all-steel with a black powder-coated finish, these running boards offer durability and corrosion resistance.

Key Features:

- **Compatibility:** Specifically designed for 2018-2025 Jeep Wrangler JL JLU 4-Door models.
- **Two-Stair Design:** Provides improved convenience for vehicles with lift kits and oversized tires, and facilitates easier rooftop access.
- **Durable Construction:** Features an all-steel build with heavy-duty specialized brackets for additional strength.
- **Corrosion Resistance:** Unique black powder coating offers exceptional rust and corrosion resistance.
- **Non-Slipping Surface:** Laser-cut step plate design ensures a secure, reinforced grip.
- **High Weight Capacity:** Proven to support up to 550 lbs without bending.

Figure 2.3: Close-up view detailing the unique powder coat finish, all-steel build, and rust-resistant layer.

3. What's in the Box

Upon unpacking, please verify that all components listed below are present and undamaged:

- 2 x Running Boards (Left and Right)
- Complete set of Mounting Brackets
- Hardware Kit (bolts, washers, nuts)
- DIY Instruction Manual (this document)

If any parts are missing or damaged, please contact OEDRO customer support immediately.

4. Setup and Installation

Installation of the OEDRO Running Boards is designed to be a bolt-on process, requiring no cutting or drilling into your

vehicle's frame. Follow the steps outlined in the included DIY instruction manual for a smooth installation. It is recommended to have assistance during installation due to the weight and size of the running boards.

General Installation Notes:

- Ensure your vehicle is parked on a level surface and the engine is off.
- Identify the correct mounting points on your vehicle's frame.
- Attach the brackets loosely first, then position the running boards before fully tightening all hardware.
- Confirm the cab picture in the listing is suitable for your vehicle before ordering.

Figure 4.2: Technical drawing displaying the dimensions of the running boards for reference.

5. Usage and Operation

Once installed, your OEDRO Running Boards provide a stable and convenient step for entering and exiting your Jeep Wrangler JL. The two-stair design is particularly beneficial for lifted vehicles, offering multiple stepping points. The robust construction supports a significant weight capacity, making it safe for daily use and for accessing rooftop cargo.

Figure 5.1: A person utilizing the running board to reach items on a rooftop rack, demonstrating its functional convenience.

Figure 5.2: Close-up of a foot on the running board, highlighting the 6-inch wide step surface for secure footing.

6. Maintenance

To ensure the longevity and appearance of your OEDRO Running Boards, regular maintenance is recommended:

- **Cleaning:** Wash the running boards regularly with mild soap and water to remove dirt, salt, and road grime. Rinse thoroughly.
- **Inspection:** Periodically check all mounting hardware for tightness. Re-tighten any loose bolts to prevent rattling or damage.
- **Corrosion Protection:** The powder-coated finish provides excellent rust resistance. Avoid using abrasive cleaners or tools that could scratch the coating, as this may compromise its protective properties.

7. Troubleshooting

If you encounter any issues during installation or use, please review the installation steps carefully. For persistent

problems or concerns, contact OEDRO customer support for assistance.

8. Specifications

Specification	Detail
Brand	OEDRO
Model Number	7RTFKX3
Material	Carbon Steel
